Efomao Executive Office Chair

Efomao Desk Office Chair Instruction Manual

MODEL: EXECUTIVE OFFICE CHAIR

Brand: Efomao

Introduction

Thank you for choosing the Efomao Desk Office Chair. This chair is designed to provide exceptional comfort and support for long hours of work, study, or gaming. Built with a heavy-duty metal base and upholstered in high-quality PU leather, it accommodates individuals weighing up to 400 lbs. This manual will guide you through the assembly, operation, and maintenance of your new office chair, ensuring you get the most out of its ergonomic features and durable construction.

The Efomao Desk Office Chair, featuring a sleek black PU leather finish, integrated leg rest, and adjustable lumbar support.

The Efomao Desk Office Chair seamlessly integrates into a modern office setting.

Safety Information

Please read and understand all safety information before assembling and using the chair. Failure to follow these instructions may result in injury or damage to the product.

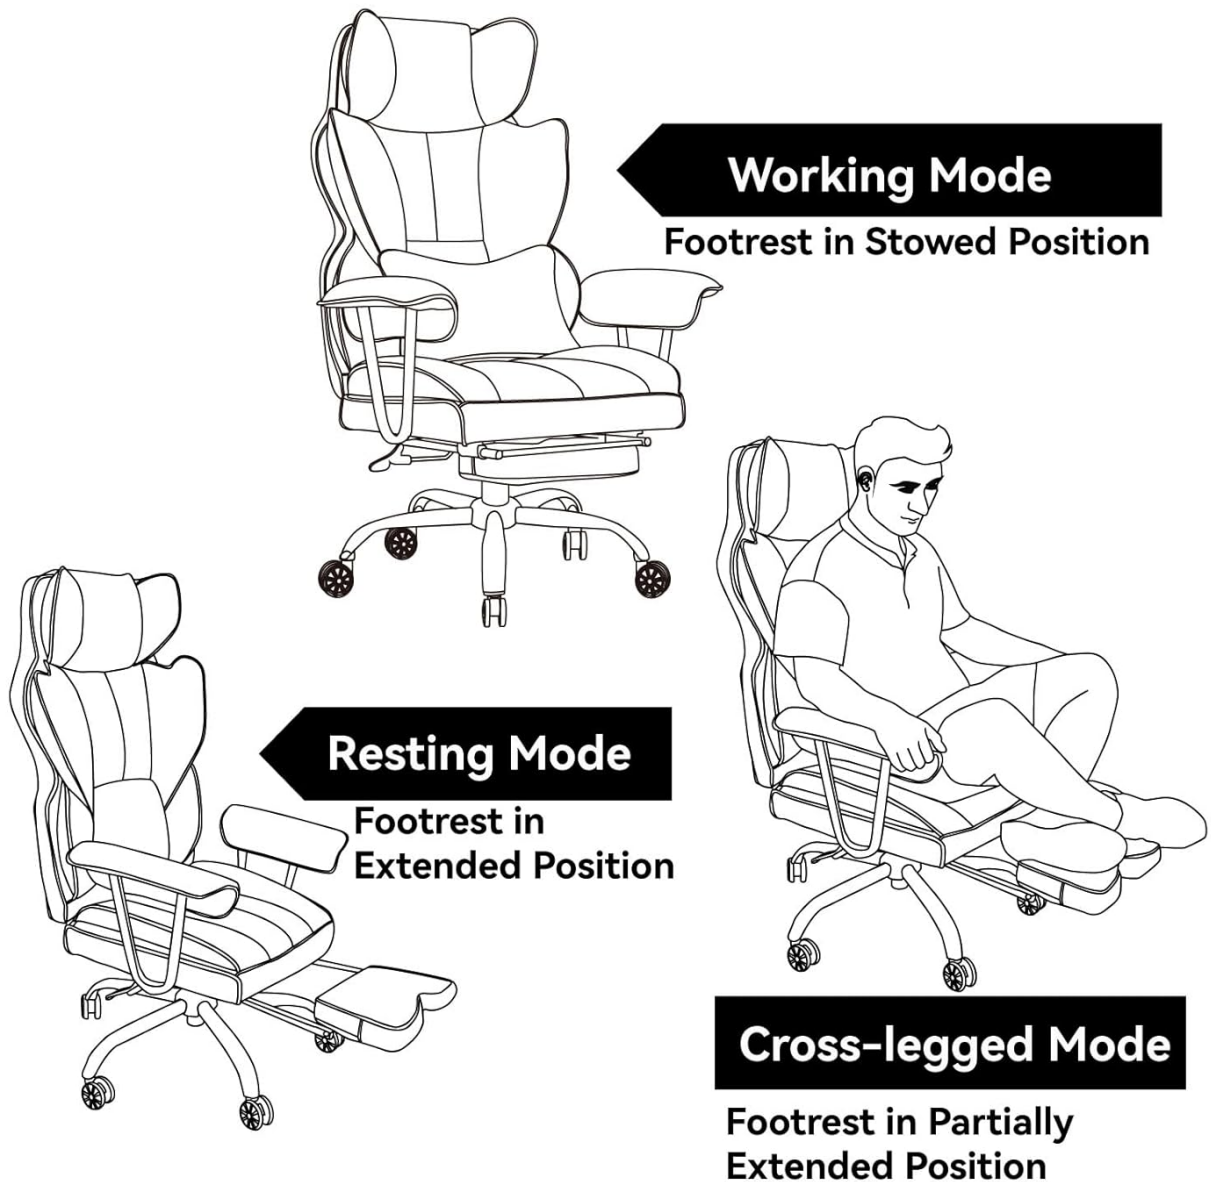

- **Maximum Weight Capacity:** This chair is designed to support a maximum weight of 400 lbs (181 kg). Do not exceed this limit.
- **Proper Assembly:** Ensure all components are correctly assembled and tightened according to the instructions. Periodically check all bolts and screws to ensure they remain tight.
- **Adjustments:** When adjusting the reclining position or tilt tension, do so slowly and carefully to avoid sudden movements.
- **Stability:** Do not stand on the chair. Avoid leaning excessively to one side or rocking violently, as this may cause the chair to tip over.

- **Certification:** The chair complies with SGS certified Class 3 gas cylinder and BIFIMA safety standards, ensuring quality and safety.

Components List

Before beginning assembly, please verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Backrest
- Seat Cushion
- Adjuster Mechanism
- Wheels (Castors)
- Chair Base
- Armrests
- Lumbar Support Pillow
- Screws and Tools (Allen Wrench)
- Instruction Manual

All components included in the Efomao Desk Office Chair package.

Setup and Assembly

The Efomao Desk Office Chair is designed for easy assembly, typically taking 15-30 minutes. Follow the steps below or refer to the video guide for visual assistance.

1. Attach the wheels to the chair base by pushing them firmly into the sockets.
2. Insert the gas lift cylinder into the center hole of the chair base.
3. Secure the mechanism plate to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.
4. Attach the armrests to the seat cushion using the designated screws.
5. Connect the backrest to the seat cushion and armrests, securing with screws.
6. Place the assembled seat and backrest onto the gas lift cylinder.
7. Attach the lumbar support pillow to the backrest as desired.

8. Test all functions to ensure proper assembly and stability.

For a detailed visual guide, scan the QR code provided in your physical instruction document or visit the Efomao support website for assembly videos.

COMFORTABLE SEAT

Double sponge seat cushion. The first layer is a soft sponge, which makes it softer and more comfortable. The second layer is high density sponge, which allows the seat cushion to remain in a dent-free state for a longer period of time.

Operating Instructions

Your Efomao Desk Office Chair offers multiple adjustable features to customize your seating experience for optimal comfort and ergonomics.

Adjustable Features:

- **Height Adjustment:** Use the lever located under the seat on the right side to raise or lower the chair. Pull the lever up while seated to lower, or pull up while standing to raise.
- **360° Swivel:** The chair features a full 360-degree swivel, allowing for easy movement and access to your workspace.

- **Back Angle & Tilt:** Recline the backrest by pulling the recline adjuster lever (typically on the left side under the seat). The chair can recline between 100 and 135 degrees.
- **Tilt Tension:** Adjust the resistance of the chair's tilt using the round tension knob located under the front of the seat. Turn clockwise to increase tension (stiffer recline) and counter-clockwise to decrease tension (easier recline).
- **Retractable Leg Rest:** Pull the leg rest out from under the seat to extend it. Push it back in when not in use. This feature allows you to comfortably recline and elevate your legs.
- **Lumbar Support:** The independent lumbar support pillow can be adjusted to provide optimal support for your lower back.

Chair Modes:

The chair supports various modes to suit your activity:

- **Working Mode:** Footrest in stowed position, chair upright for focused work.
- **Resting Mode:** Footrest extended, chair reclined for relaxation.
- **Cross-legged Mode:** Footrest partially extended, allowing for comfortable cross-legged sitting.

Maintenance

To ensure the longevity and appearance of your Efomao Desk Office Chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean the PU leather upholstery with a soft, damp cloth. For tougher spots, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically inspect all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Caster Care:** Keep the wheels clean from hair and debris to ensure smooth rolling.

Troubleshooting

If you encounter any issues with your Efomao Desk Office Chair, please refer to the common solutions below. If the problem persists, do not hesitate to contact our customer support team.

- **Chair Squeaks:** Check and tighten all screws. A small amount of silicone lubricant can be applied to moving parts if needed.
- **Chair Not Adjusting Height:** Ensure the gas lift lever is fully engaged. If the issue continues, the gas lift cylinder may need replacement.
- **Chair Wobbles:** Verify that all connections are secure and the base is properly assembled. Ensure the chair is on a flat, even surface.
- **Difficulty Rolling:** Clean any debris from the casters. If rolling remains difficult, consider requesting rubber wheels from customer service for improved performance on certain surfaces.

Customer satisfaction is our top priority. If you have any questions or require further assistance, please reach out to us. We are committed to providing excellent assistance and support.
