Keyluv KLV-UP-127

Keyluv KLV-UP-127 Modern Upholstered Full Size Bed Frame with LED Lights User Manual

Model: KLV-UP-127 | Brand: Keyluv

1. PRODUCT OVERVIEW

The Keyluv KLV-UP-127 is a modern upholstered full-size bed frame designed for comfort and style. It features an adjustable headboard with integrated LED lighting, crystal button tufting, and robust wood slat support. This platform bed frame is constructed with high-quality materials to ensure stability and longevity.

Image 1.1: The Keyluv KLV-UP-127 upholstered full size bed frame in white, featuring an LED-lit headboard and crystal tufting.

Key Features:

- **Smart LED Headboard:** Offers over 16 million colors and 20+ lighting effects, controllable via a mobile application or remote control. Lights can synchronize with music.
- **Adjustable Headboard:** Height can be adjusted from 42.1 inches to 44.4 inches to accommodate various mattress thicknesses (recommended 10-12 inch mattress).
- **Upholstered Design:** Features crystal tufted decoration and faux leather upholstery for a luxurious appearance.
- **Sturdy Construction:** Built with a durable wood frame and resilient wooden slats, capable of supporting up to 800 pounds.
- **Easy Maintenance:** Faux leather material is waterproof, skin-friendly, and easy to clean with a dry cloth.

2. SETUP AND ASSEMBLY

This bed frame is designed for straightforward assembly. All necessary installation tools and detailed instructions are included in the package. It is recommended to assemble the bed frame with assistance due to its weight.

Before You Begin:

- **Unpack Carefully:** Ensure all components are present and undamaged.
- **Clear Workspace:** Prepare a spacious, clean area for assembly.
- **Review Instructions:** Read the entire instruction manual before starting.
- **Caution:** Be cautious during assembly due to the heavy weight of some components. Handle post-style legs carefully to avoid pinch points.

Assembly Tips:

- **Tool Usage:** The assembly primarily uses an Allen wrench. Some screws may require quarter-turn rotations due to space constraints. Patience is advised.
- **Headboard Alignment:** If headboard holes appear slightly misaligned, gently adjust components to ensure proper fit before tightening screws completely.
- **Slat Installation:** Ensure wooden slats are securely placed and fastened to provide optimal mattress support.

3. OPERATING INSTRUCTIONS

LED Headboard Operation:

The integrated LED lights in the headboard offer a customizable lighting experience.

- **Control Methods:** The LED lights can be controlled using the provided remote control or a dedicated mobile application (Bluetooth connection required).
- **Color and Effects:** Choose from over 16 million colors and more than 20 lighting effects to suit your preference.
- **Music Sync:** The lights can be set to change in synchronization with music, enhancing the ambiance.
- **Power Switch:** A small on/off switch with a blue indicator light is located on the LED wire behind the headboard. If the blue light is disruptive, it can be covered.

Multiple Scenes Modes

Different colors and modes are free to Choose by using Bluetooth APP or remote

Image 3.1: Illustration of various LED scene modes and the remote control and mobile application for light customization.

Image 3.2: The LED light strip can flash in rhythm with music beats, creating a dynamic lighting experience.

Adjustable Headboard:

The headboard height can be adjusted to accommodate different mattress thicknesses, ensuring a comfortable and aesthetically pleasing setup.

- **Height Range:** The headboard can be set between 42.1 inches and 44.4 inches from the floor.
- **Mattress Compatibility:** It is recommended for mattresses between 10 and 12 inches thick.

Image 3.3: The headboard's adjustable height feature, ranging from 42.1 inches to 44.1 inches, to suit various mattress sizes.

4. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your Keyluv bed frame.

Cleaning Instructions:

- **Upholstery:** The faux leather upholstery is waterproof and easy to clean. Wipe surfaces with a dry cloth to remove dust and light spills. For more stubborn marks, use a damp cloth with mild soap and dry immediately.
- **Frame:** Wipe the frame with a dry cloth to keep it free of dust.

SYNC TO THE MUSIC BEATS

Led light strip will flash with the beats of music

Image 4.1: Features of the high-end faux leather upholstery, including its waterproof, skin-friendly, and easy-to-clean properties.

Initial Airing:

Upon initial unpacking, a slight odor from the faux leather material may be present. This is normal and will dissipate over time. It is recommended to air out the room by opening windows for a few days after assembly.

5. TROUBLESHOOTING

This section addresses common concerns and provides solutions.

- **Issue:** Unwanted noise (squeaking, creaking).
Solution: Ensure all screws and bolts are tightened securely. Over time, connections may loosen, requiring re-tightening.
- **Issue:** Discomfort or injury from center support legs.
Solution: The bed frame features post-style center support legs. Be mindful of their placement to avoid accidental contact, especially in low-light conditions. Consider placing a soft barrier around them if necessary.
- **Issue:** LED lights not functioning correctly.

Solution: Check the power connection to the LED strip. Ensure the remote control batteries are functional or the mobile application is properly connected via Bluetooth. Verify the small on/off switch on the LED wire is in the 'on' position.

- **Issue:** Headboard appears misaligned or difficult to attach.

Solution: During assembly, ensure all frame components are loosely fitted before fully tightening. This allows for minor adjustments to align the headboard mounting points correctly.

6. SPECIFICATIONS

Feature	Detail
Brand	Keyluv
Model Number	KLV-UP-127
Size	Full
Product Dimensions	79.13"L x 57.49"W x 44.09"H
