

Sauder 432725

Sauder Palladia L-Shaped Desk Instruction Manual

Brand: Sauder

Model: 432725

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sauder Palladia L-Shaped Desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This desk is designed to provide a functional and organized workspace for your home office.

Image 1.1: The Sauder Palladia L-Shaped Desk in a typical office environment, showcasing its design and functionality.

2. SAFETY INFORMATION

Adhering to these safety guidelines is crucial for preventing injury and damage to the product.

- Assemble the desk on a stable, level surface to ensure proper construction and stability.
- Exercise caution due to the heavy components. It is recommended to have at least two people for assembly and moving the desk.
- Secure the desk to the wall using appropriate anchoring hardware (if provided) to prevent tipping, especially in households with children or pets.
- Do not use power tools for assembly unless explicitly instructed, as this can strip screws or damage engineered wood components. A manual screwdriver is generally recommended.
- Keep small parts and hardware away from children to prevent choking hazards.

3. PACKAGE CONTENTS

Your Sauder Palladia L-Shaped Desk is shipped in multiple packages. Please verify that all components and hardware are present before beginning assembly. A detailed parts list and hardware inventory are included within the product packaging. Refer to this list to identify each piece.

4. SETUP AND ASSEMBLY

4.1 Before You Begin

- Clear a spacious area (at least 10x10 feet) for assembly.
- Organize all parts and hardware. It is helpful to lay out and identify each piece according to the included parts list.
- Review the entire instruction booklet before starting.

4.2 Tools Required

- Phillips Head Screwdriver (ensure appropriate bit size)
- Hammer
- Optional: Furniture slides for easier positioning after assembly.

4.3 Assembly Steps

Assembly of this L-shaped desk involves numerous steps and can take several hours. Patience is key. It is highly recommended to have a second person assist, especially during the final stages of connecting the two main sections.

1. Follow the step-by-step instructions provided in the product's assembly manual. Pay close attention to diagrams and part labels.
2. When attaching components, ensure screws are tightened securely but do not overtighten, as this can damage the material.
3. For connecting the two L-shaped sections, align them carefully. The wood is designed to allow for slight adjustments during connection.
4. Once assembled, consider using furniture slides under the desk legs to facilitate moving it into its final position.

your space.

Image 4.2: Front view of the assembled desk, highlighting its L-shape and storage components.

5. OPERATING INSTRUCTIONS

5.1 Keyboard Tray

The desk features a drawer/shelf with a flip-down panel designed to accommodate a keyboard or laptop. Gently pull the tray forward and flip down the front panel for use. Push it back in and flip the panel up to conceal it when not in use.

Image 5.1: The desk with its keyboard tray extended and a file drawer open, demonstrating functional storage.

5.2 Drawers

The desk includes multiple drawers for storage:

- **File Drawer:** Located on the left side, this drawer features full extension slides and is designed to hold letter or legal-size hanging files.

- **Additional Drawers:** Three additional drawers are provided for general office supply storage. These drawers operate on smooth metal runners.

5.3 Cable Management

Two desktop grommet holes are integrated into the desk surface to help manage and route cables, reducing clutter and tangles. While suitable for standard USB-type cables, larger connectors like HDMI or DisplayPort may not fit through the grommets.

5.4 CPU Tower Storage

Behind the door on the right side of the desk, there is an area designed to hold a vertical CPU tower. This section includes an adjustable shelf, allowing you to customize the storage space to fit your needs or other office equipment.

Image 5.2: The desk's cabinet with the door open, showing a CPU tower and an adjustable shelf for versatile storage.

6. MAINTENANCE

To maintain the appearance and longevity of your Sauder Palladia L-Shaped Desk, follow these simple care instructions:

- Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Promptly clean up spills to prevent staining or damage to the finish.
- Avoid placing hot items directly on the surface; use coasters or protective pads.
- Protect the desk from direct sunlight and extreme temperature changes to prevent warping or fading.

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common solutions:

- **Unlabeled Parts:** If some parts are not clearly labeled, refer to the diagrams in the instruction manual and visually match the components. Similar parts may have subtle differences that are important for correct assembly.
- **Drawer Stiffness or Misalignment:** If drawers are stiff or do not align properly, check the drawer slides. They may need minor adjustment. Ensure all screws are securely fastened but not overtightened.
- **L-Section Alignment:** A slight ridge or unevenness where the two L-sections join can occur. While a connecting plate is provided underneath, ensure both sections are fully pushed together and secured. This is often a characteristic of modular furniture.
- **Cable Grommet Size:** The desktop cable grommets are designed for standard cables. If larger cable connectors (e.g., HDMI, DisplayPort) do not fit, alternative cable management solutions may be required.

8. SPECIFICATIONS

Feature	Detail
Brand	Sauder
Model Number	432725
Product Dimensions (D x W x H)	65.12" x 68.74" x 29.61"
Color	Glacier Oak
Finish Type	Glacier Oak finish
Base Material	Engineered Wood
Top Material Type	Engineered Wood
Item Weight	250 Pounds
Number of Drawers	5 (including 1 file drawer)
Number of Shelves	1 (adjustable, behind door)

Furniture Warranty

Good Furniture deserves a good warranty.
Our name on the box is proof that the Sauder® furniture parts you've purchased are made with the best quality workmanship and materials. Each and every piece is designed to provide you with top performance, style and value. We put that promise into writing with our Good Furniture Warranty.

Ken J. Sauder, President and CEO

5 Year Limited Warranty
1. Sauder Woodworking Co. ("Sauder") provides limited warranty coverage to the original purchaser of this product for a period of five years from the date of purchase against defects in materials or workmanship of Sauder furniture components. As used in this warranty, "defect" means imperfections in components which substantially impair the utility of the product. This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

2. There is no warranty coverage for defects or conditions that result from the failure to follow product assembly instructions, information or warnings, misuse or abuse, intentional damage, fire, flood, theft or use of modification of the product, or use of the product in a manner inconsistent with the intended use, nor any condition resulting from fire, flood, or subsequent maintenance, cleaning, or care. There is also no warranty coverage for reupholstered products or any products purchased "as is" or "as is", at a discount or going-out-of-business sale, or from a liquidator.

3. As the exclusive remedy under this Warranty, Sauder will (at its sole option) repair, replace or refund the value of any defective furniture component. Sauder may require independent confirmation of the claimed defect and proof of purchase. Replacement parts will be warranted for only the remaining period of the original warranty. SAUDER SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND and all such damages are EXCLUDED FROM THIS WARRANTY, such as loss of use, discomfort, transportation, labor or damage to property or other non-top product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

4. This warranty applies only to unaltered defects that first arise and are reported to Sauder within the warranty coverage period. The Warranty cannot be transferred to subsequent owners or users of the product, and it shall be immediately void in the event the product is stolen, transferred, leased or rented to one third party or person other than the original purchaser.

5. THERE ARE NO OTHER WARRANTIES APPLICABLE TO THIS PRODUCT. Under the laws of certain states, there may be no implied warranties from Sauder and all implied warranties, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, are disclaimed where allowed by law. TO THE EXTENT ANY IMPLIED WARRANTIES ARE APPLICABLE, AND NOT DISALLOWED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN SCOPE TO THE DURATION OF THIS EXPRESS WARRANTY or the measure period allowed by law, whichever is shorter. Some states do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

6. For Warranty inquiries or claims, please visit our website www.sauder.com. You can also contact Sauder at 1.800.323.3957. Sauder may require Warranty claims to be submitted in writing to:
Sauder Woodworking Co.
502 Middle Street
Archbald, PA 15001, USA

Please include your sales receipt or other proof of purchase and a specific description of the product defect.
