# AC/DC Adapter Replacement for DayClox Digital Calendar Day Cycle Memory Loss Clock Power Supply Cord Cable Charger Mains PSU User Manual

Model: 4741640277419 | Brand: onerbl

## INTRODUCTION

This manual provides essential information for the safe and effective use of your onerbl AC/DC Adapter. This replacement power supply is designed to provide reliable power for compatible devices, featuring broad input voltage compatibility and built-in protection mechanisms.

Figure 1: The onerbl AC/DC Adapter, showing the main unit and its attached power cord with the DC output plug.

## SETUP

---

Follow these steps to properly set up your AC/DC adapter:

1. **Inspect the Adapter:** Before connecting, visually inspect the adapter and its cable for any signs of damage. Do not use if damaged.
2. **Verify Compatibility:** Ensure the voltage and current requirements of your device match the output specifications of this adapter. This adapter is designed for devices requiring an AC/DC power supply with the specified barrel connector size.
3. **Connect to Device:** Insert the DC output plug of the adapter firmly into the power input port of your electronic device (e.g., DayClox Digital Calendar Clock).
4. **Connect to Power Outlet:** Plug the AC input prongs of the adapter into a standard wall power outlet (AC 100-240V, 50/60Hz).
5. **Power On Device:** Once connected, power on your device. The adapter should provide stable power.

Figure 2: The AC/DC adapter connected to a power strip, illustrating a typical setup for use with electronic devices.

## OPERATING INSTRUCTIONS

---

The onerbl AC/DC Adapter operates automatically once connected to a power source and a compatible device. It is a plug-and-play device requiring no additional configuration.

- **Automatic Voltage Adjustment:** The adapter features worldwide AC input compatibility (100-240V, 50/60Hz), automatically adjusting to the local power supply.
- **Continuous Power Supply:** Provides a stable and continuous power supply to your connected device.
- **Safety Features:** Equipped with Over Voltage Protection and Over Heat Protection to safeguard both the adapter and your connected device.

## MAINTENANCE

---

Proper maintenance ensures the longevity and safe operation of your adapter:

- **Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures when not in use. Avoid tightly coiling the cable to prevent damage.
- **Cable Care:** Do not bend, twist, or pull the cable excessively. Avoid placing heavy objects on the cable.
- **Environmental Conditions:** Do not expose the adapter to water, high humidity, or dusty environments.

## TROUBLESHOOTING

---

If you encounter issues with your onerbl AC/DC Adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not power on.	<ul style="list-style-type: none"><li>• Adapter not properly plugged into outlet.</li><li>• Device not properly connected to adapter.</li><li>• Power outlet is not active.</li><li>• Adapter or device is faulty.</li></ul>	<ul style="list-style-type: none"><li>• Ensure adapter is fully inserted into a working power outlet.</li><li>• Verify the DC plug is securely connected to your device's power port.</li><li>• Test the power outlet with another device.</li><li>• If issues persist, the adapter or device may require replacement.</li></ul>

Problem	Possible Cause	Solution
Adapter feels hot.	<ul style="list-style-type: none"> <li>Normal operation (slight warmth).</li> <li>Overload or poor ventilation.</li> </ul>	<ul style="list-style-type: none"> <li>A slight warmth is normal.</li> <li>Ensure the adapter is in a well-ventilated area. Disconnect if it becomes excessively hot.</li> </ul>
Adapter plug does not fit the device.	<ul style="list-style-type: none"> <li>Incompatible barrel connector size.</li> </ul>	<ul style="list-style-type: none"> <li>This adapter is designed for specific barrel connector sizes. Verify your device's power input port dimensions against the adapter's specifications. If incompatible, this adapter is not suitable for your device.</li> </ul>

## SPECIFICATIONS

---

Detailed technical specifications for the onerbl AC/DC Adapter:

- Model:** 4741640277419
- Input:** AC 100-240V, 50/60Hz (Worldwide AC Input)
- Output:** *Specific output voltage/current not provided in product data.*
- Dimensions (L x W x H):** 6 x 4 x 2 inches (Adapter unit)
- Item Weight:** 8 ounces
- Cable Length:** Approximately 76 inches (6.3 feet)
- Color:** Black
- Manufacturer:** Shenzhen Waweis Technology Co., Ltd
- Safety Features:** Over Voltage Protection, Over Heat Protection
