Vente-unique JUANITO

JUANITO Bunk Beds with Integrated Wardrobe

USER MANUAL

1. Product Overview

The Vente-unique JUANITO Bunk Beds are designed to optimize space in children's rooms, offering two 90 x 190 cm sleeping areas along with integrated storage solutions. This versatile furniture piece includes a wardrobe and two large drawers, providing ample space for organizing belongings. Its two-tone structure in white, natural, and pink adds a vibrant and refined touch to any child's bedroom.

This product is supplied with two classic ZEUS mattresses and bed bases, ensuring a complete sleeping solution. The bed structure is reversible, allowing for left or right-side assembly to best fit your room layout.

2. Safety Information

- **Important:** The upper bunk is not suitable for children under 6 years of age.
- Ensure all assembly hardware is securely tightened before use. Periodically check and re-tighten all connections.
- Do not allow children to play on or under the bed without supervision.
- Maximum weight capacity for each bunk is 75 kg. Do not exceed this limit.
- Use only mattresses of the specified size (90 x 190 cm) and maximum height (19 cm) to ensure proper barrier safety.
- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed, for example, but not limited to, hooks, belts, or ropes.

3. Package Contents

Before beginning assembly, please ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact Vente-unique customer service.

- 1 x JUANITO Bunk Bed Frame (disassembled particle board panels)
- 2 x Full Panel Bed Bases
- 2 x ZEUS Classic Mattresses (90 x 190 cm)
- Assembly Hardware Kit (screws, dowels, connectors, etc.)

4. Setup and Assembly

The JUANITO bunk bed requires self-assembly. It is recommended to have two adults for assembly. Please follow the detailed instructions provided in the separate assembly manual included with your product. Ensure you have the necessary tools (e.g., screwdriver, hammer) before starting.

- **Reversible Design:** The bed can be assembled with the wardrobe and ladder positioned on either the left or the right side, depending on your room's configuration.
- Lay out all components on a clean, soft surface to prevent scratches.
- Identify each part using the labels in the assembly manual.
- Follow the step-by-step diagrams carefully. Do not overtighten screws.

5. Operating Instructions

The JUANITO bunk bed is designed for daily use by children. Its integrated features are easy to operate:

- **Beds:** The two 90 x 190 cm beds are ready for use once assembled and mattresses are placed. Ensure the upper bunk is only used by children aged 6 years and older.
- **Wardrobe:** The integrated wardrobe features a hinged door and provides hanging space (penderie) and shelving (lingères) for clothes and other items.
- **Drawers:** Two large pull-out drawers (L94 x P56 cm) are located under the lower bunk, offering convenient storage for toys, bedding, or other essentials.

6. Maintenance

To ensure the longevity and appearance of your JUANITO bunk bed, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the melamine finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten as necessary to maintain structural integrity.
- **Ventilation:** Ensure adequate air circulation around mattresses to prevent moisture buildup.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of colors.

7. Troubleshooting

If you encounter any issues with your JUANITO bunk bed, consider the following common solutions:

- **Squeaking Noises:** Check all assembly points and tighten any loose screws. Ensure the bed is on a level surface.
- **Drawers Sticking:** Ensure the drawer runners are clean and free of debris. Check if the drawers are properly aligned on their tracks.
- **Wobbly Structure:** This usually indicates loose connections. Re-tighten all bolts and screws according to the assembly manual.
- **Damaged Parts:** If any part is damaged during assembly or use, do not attempt to repair it if it compromises safety. Contact Vente-unique customer service for replacement parts.
