VOLT PLUS TECH F9

VOLT PLUS TECH F9 Wireless V5.3 Bluetooth Earbuds User Manual

Model: F9 | Brand: VOLT PLUS TECH

INTRODUCTION

Thank you for choosing the VOLT PLUS TECH F9 Wireless V5.3 Bluetooth Earbuds. These earbuds are designed to provide a high-quality audio experience with advanced features such as Bluetooth 5.3 connectivity, CVC 8.0 noise reduction, 8D bass, and IPX7 water resistance. The included charging case doubles as a 2000mAh power bank, capable of charging both the earbuds and other mobile devices. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device.

SETUP

1. Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds. The charging case features an LED display that shows the battery percentage of the case and the charging status of each earbud.

- **Charging the Case:** Connect the provided USB-C charging cable to the charging port on the case and to a USB power source. The LED display will show the charging progress. A full charge takes approximately 30 minutes.
- **Charging the Earbuds:** Place the earbuds into their respective slots in the charging case. They will automatically begin charging. The LED indicators on the earbuds and the case display will show their charging status. The case can recharge the earbuds approximately 25 times, providing up to 120 hours of music time or 150 hours of talk time. Each earbud charge provides about 5 hours of music time or 6 hours of talk time.

IPX7 WATERPROOF

Life waterproof & rainproof & sweatproof

2. Pairing with a Device

The earbuds support automatic pairing for a seamless connection experience.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "F9" from the list.
4. Once connected, you will hear a confirmation prompt, and the earbuds will be ready for use.

The earbuds utilize Bluetooth 5.3 technology for a stable connection up to 33 feet (10 meters).

Power Bank Functionality

The 2000mAh charging case can also serve as a portable power bank for your mobile phone or other small USB-powered devices. Simply connect your device to the USB output port on the charging case using an appropriate cable. The case can recharge a typical smartphone up to 2 times.

Charge Your Phone

Not only you can charge your earphone, you can also charge your mobile phone

- 2,000 mah PowerBank
- Recharge Your phone 2x
- Recharge earbuds 10x

IPX7 Water Resistance

The earbuds and charging case feature an IPX7 water resistance rating. This means they are protected against immersion in water up to 1 meter deep for up to 30 minutes. They are suitable for use during rainy outdoor sports, gym workouts, and other activities where sweat or light splashes may occur. However, they are not recommended for swimming or prolonged submersion.

CVC 8.0 Noise Reduction

The earbuds incorporate CVC 8.0 intelligent noise reduction technology, which helps to minimize background noise during calls and enhance audio clarity. This feature allows for clearer conversations even in noisy environments.

Unveiling Extraordinary CVC 8.0 Noise Reduction Tech

Dive into an immersive 8D stereo sound experience as these earbuds employ cutting-edge noise reduction technology, minimizing noise levels by up to 19 db.

MAINTENANCE

Proper maintenance ensures the longevity and performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals. For ear tips, remove them and clean with mild soap and water, then dry thoroughly before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Charging Port:** Keep the USB-C charging port free of dust and debris.

TROUBLESHOOTING

If you encounter any issues with your earbuds, refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are fully charged. Place them back in the case, close the lid, then open it again to re-initiate pairing mode. Delete "F9" from your device's Bluetooth list and try pairing again.
- **Only one earbud working:** Ensure both earbuds are charged. Try resetting the earbuds by placing them in the case, closing the lid, and then opening it. If the issue persists, try re-pairing.
- **No sound:** Check the volume level on both your device and the earbuds. Ensure the earbuds are properly connected to your device.
- **Charging case not charging:** Verify the USB-C cable is securely connected to both the case and the power source. Try a different charging cable or power adapter.
- **Poor sound quality:** Ensure the earbuds are clean and free of debris. Try different sized ear tips for a better seal in your ear. Move closer to your connected device to avoid interference.

SPECIFICATIONS

Detailed technical specifications for the VOLT PLUS TECH F9 Wireless V5.3 Bluetooth Earbuds:

Feature	Specification
Model Name	F9
Brand	VOLT PLUS TECH
Bluetooth Version	5.3
Bluetooth Range	33 Feet (10 meters)
