Introduction Safety Information Setup Operating Maintenance Specifications Warranty & Support

1. Introduction

Thank you for choosing the Zoofari Elevated Dog Bed with Sunshade. This product is designed to provide a comfortable, cool, and protected resting place for your furry friend, suitable for both indoor and outdoor environments. Its elevated design promotes air circulation, while the integrated sunshade offers UPF 50+ UV protection against harmful sun rays.

Please read this instruction manual thoroughly before assembly and use to ensure proper setup, operation, and maintenance of your new dog bed. Keep this manual for future reference.

2. Safety Information

Always observe the following safety precautions to prevent injury or damage to the product:

- Do not exceed the maximum recommended weight capacity of 60 kg (132 lbs).
- Ensure all components are securely assembled before allowing your pet to use the bed.
- Keep the product away from open flames, extreme heat sources, and sharp objects.
- Regularly inspect the bed for any signs of wear, tear, or damage. Discontinue use if any damage is found.
- This product is intended for pet use only. Do not allow children to play on or with the bed.
- The sunshade provides UV protection but does not eliminate the need for other sun protection measures for your pet during prolonged exposure.

3. Setup and Assembly

The Zoofari Elevated Dog Bed is designed for quick and easy assembly. Follow these steps:

3.1 Package Contents

Before you begin, ensure all parts are present:

- Elevated Bed Frame (various poles and connectors)
- Bed Fabric (mesh material)

- Sunshade Canopy Fabric
- Sunshade Support Poles
- Assembly Hardware (if applicable, usually integrated snap-buttons)

3.2 Assembly Steps

1. **Assemble the Bed Frame:** Connect the frame poles according to the diagram, ensuring all connections snap securely into place. The elevated design allows for optimal airflow.
2. **Attach the Bed Fabric:** Slide the bed fabric onto the assembled frame. Ensure the fabric is taut and evenly distributed across the frame.
3. **Assemble the Sunshade Support Poles:** Connect the sunshade poles. These typically consist of flexible rods that fit into sleeves on the canopy fabric.
4. **Attach the Sunshade Canopy:** Secure the sunshade canopy to the bed frame. The canopy has attachment points that align with the frame's corners or designated slots. Ensure it is firmly attached to provide stable shade.

4. Operating Instructions

The Zoofari Elevated Dog Bed is designed for simple use. Once assembled, it provides a comfortable spot for your pet.

4.1 Positioning the Bed

Place the dog bed on a flat, stable surface. For outdoor use, choose a location that benefits from the sunshade's protection, such as a patio, deck, or garden area. For indoor use, any suitable flat surface is appropriate.

4.2 Adjusting the Sunshade

The sunshade canopy is designed to be adjustable and removable. If less shade is desired or for indoor use, the canopy can be easily detached from the frame. To reattach, simply align the support poles with the designated slots on the bed frame and secure them.

5. Maintenance and Care

Proper maintenance will extend the life of your Zoofari Elevated Dog Bed.

5.1 Cleaning

- For general cleaning, vacuum the bed fabric to remove loose dirt and pet hair.
- To clean the fabric, wipe it with a damp cleaning cloth. Do not use aggressive cleaning agents or harsh chemicals, as these may damage the material.
- After cleaning with a damp cloth, wipe the surface dry to prevent mildew or water stains.

5.2 Storage

When not in use, always store the product clean and dry at room temperature. Disassemble the bed if long-term storage is required to save space and protect components.

6. Troubleshooting

If you encounter any issues with your Zoofari Elevated Dog Bed, refer to the following common problems and solutions:

- **Bed feels unstable:** Ensure all frame poles are fully connected and snapped into place. Check that the bed is placed on a flat, even surface.
- **Sunshade not staying in place:** Verify that the sunshade support poles are correctly inserted into their designated slots on the bed frame and that the canopy fabric is taut.
- **Pet not using the bed:** Allow your pet time to adjust to the new bed. You can encourage them by placing their

favorite toy or blanket on it. Ensure the bed is in a comfortable and familiar location.

If the problem persists, please contact customer support.
