Yaheetech YTni310004001

Yaheetech Rocking Chair User Manual

Model: YTni310004001

1. PRODUCT OVERVIEW

The Yaheetech Rocking Chair is a modern glider armchair designed for comfort and relaxation in various settings such as living rooms, nurseries, and bedrooms. It features a generous, thickly padded seat, a high backrest, wide armrests, and convenient side pockets for storage. The chair is built with solid wood legs and includes anti-tipping stoppers for enhanced safety.

2. SAFETY INFORMATION

Important Safety Warning:

Exceeding the maximum weight capacity of 300 lb (136 kg) may result in chair failure. Ensure the chair is used on a stable, level surface to prevent tipping. Always follow assembly instructions carefully to ensure proper stability and safe use.

3. SETUP

The Yaheetech Rocking Chair is designed for quick and easy assembly, typically completed by one person in three steps within 20 minutes. All necessary hardware and tools are included with the product, along with an illustrated manual.

1. Unpack all components and verify against the parts list in the included manual.
2. Follow the step-by-step instructions provided in the illustrated manual to attach the rocking base to the chair frame.
3. Ensure all connections are securely tightened before use.

SOLID WOOD LEGS

Strong and long-lasting,
supporting up to 300 lb

For detailed assembly instructions, please refer to the official Installation Manual (PDF) available [here](#).

4. OPERATING THE ROCKING CHAIR

This modern rocking chair provides a smooth and gentle rocking motion, ideal for relaxation. The curved rocking base allows for comfortable back-and-forth movement.

ROCKING ACCENT CHAIR

Curved rocking base allows you to rock back and forth gently

Comfort Features:

- **Generous Seat:** The seat measures 21.7 inches (width) x 21 inches (depth) and is padded with thick foam for a comfortable sitting experience.
- **High Backrest:** The 26.2-inch high padded backrest supports both the upper back and lumbar region.
- **Wide Armrests:** Provides ample space for arm support and relaxation.

Convenient Side Pockets:

The rocking chair is equipped with side pockets on both sides, allowing you to keep essential items like books, magazines, or remote controls within easy reach while seated.

5. MAINTENANCE

To ensure the longevity and appearance of your Yaheetech Rocking Chair, follow these care instructions:

- **Cleaning:** The polyester fabric is recommended for dry cleaning. For minor spills, gently blot with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Wood Care:** Periodically wipe the wood legs with a soft, damp cloth. Avoid prolonged exposure to direct sunlight or extreme temperatures to prevent warping or fading.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary.

6. TROUBLESHOOTING

If you encounter any issues with your rocking chair, consider the following common solutions:

- **Squeaking Noise:** If the chair makes squeaking noises during rocking, check all assembly points. Loosen and re-tighten screws, ensuring they are not overtightened. A small amount of silicone lubricant can be applied to joints if the noise persists.
- **Unstable Rocking:** Ensure the chair is placed on a flat, level surface. Verify that all legs are making even contact with the floor. Re-check assembly to confirm all parts are correctly aligned and secured.
- **Difficulty Rocking:** Confirm there are no obstructions beneath the rocking base. Ensure the anti-tipping stoppers are not interfering with the desired range of motion, but do not remove them for safety.

If problems persist, please contact customer support for further assistance.

7. SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model Name	Rocking Chairs
Model Number	YTni310004001
Color	Beige
Material	Polyester (Fabric), Foam (Fill), Wood (Frame/Legs)
