mifo FiiTii S2

mifo FiiTii S2 Sleep Earbuds Instruction Manual

Model: FiiTii S2

INTRODUCTION

The mifo FiiTii S2 Sleep Earbuds are true wireless noise-cancelling earbuds designed to enhance sleep, meditation, and stress relief. Featuring a compact, ear canal-friendly design, advanced Active Noise Cancellation (ANC), and a versatile charging case with a touchscreen display, these earbuds offer a personalized audio experience for relaxation and focus.

WHAT'S IN THE BOX

- mifo FiiTii S2 Sleep Earbuds (Left and Right)
- Charging Case with Touchscreen Display
- USB-C Charging Cable
- Multiple Sizes of Silicone Ear Tips
- Instruction Manual

PRODUCT OVERVIEW

The mifo FiiTii S2 earbuds and their innovative spherical charging case.

The charging case opens to reveal the earbuds, held securely by magnets.

Charging Case

- **Design:** Spherical, compact, and features a 1.43-inch AMOLED touchscreen display.
- **Storage:** 8GB built-in storage for audio files (MP3, WMA, WAV, FLAC, AMR formats).
- **Functions:** Provides access to sleep audio, white noise, guided meditations, breathing exercises, and a Pomodoro timer.
- **Connectivity:** Can connect directly to a computer via USB-C to upload audio.

Earbuds

- **Comfort:** Lightweight and designed for all-night wear, suitable for side sleepers.
- **Noise Cancellation:** Advanced Active Noise Cancellation (ANC) with six microphones to reduce disruptive sounds.
- **Audio Quality:** Balanced sound with clear highs, rich mids, and powerful bass.
- **Water Resistance:** IPX7 professional-grade water resistance (earbuds only, charging case is not waterproof).
- **Connectivity:** Bluetooth 5.4 for faster, more stable, and lower energy consumption connection.

SETUP

1. Charging the Device

Before first use, ensure both the earbuds and the charging case are fully charged. Connect the USB-C charging cable to the port on the charging case and to a power source. The display on the case will indicate charging status.

2. Selecting Ear Tips

The FiiTii S2 comes with multiple sizes of silicone ear tips. Choose the size that provides the most comfortable and secure fit for optimal sound quality and noise cancellation. A proper seal is crucial for effective ANC.

3. Powering On/Off the Case

- **Power On:** Press and hold the left button on the case for 3 seconds.
- **Shutdown:** Press and hold the left + right buttons on the case for 3 seconds.
- **Screen On/Off:** Click the right button on the case.

4. Pairing with a Phone (Bluetooth)

1. Open the charging case and take out the earbuds.
2. On your phone, go to Bluetooth settings.
3. Search for "FiiTii S" and select to connect.
4. Note: Please turn off your phone's Bluetooth before connecting to the charging case to prevent the headphones from connecting back to your phone.

5. Pairing with the Charging Case

The earbuds can connect to both your phone and the charging case for audio playback. To use the built-in features of the charging case (like white noise, meditation, MP3 player), ensure the earbuds are connected to the case. If already connected to a phone, disconnect them first. Open the charging box, search for "FiiTii S" on the case's touchscreen, and click to connect.

The earphones can connect to both the charging case and the phone for audio playback.

Note: only one device can be connected at a time, disconnect the other when switching.

The earphones can connect to both the charging case and the phone for audio playback. Note: only one device can be connected at a time; disconnect the other when switching.

OPERATING INSTRUCTIONS

1. Case Touchscreen Navigation

- **Unlock:** Swipe up on the screen to unlock.
- **Main Menu:** Swipe left/right to navigate between main feature categories (Sleep, Meditation, Breathe, Woodfish, Music, Favorites, Tomato Clock, Settings).
- **Quick Settings:** Swipe down from the top of the screen to access quick settings like Bluetooth (BLE), Alarm, Monitor, Volume (VOL), and Brightness.

2. Earbud Touch Controls

<p>Answer/Hangup phone call Double tap left/right earbud</p>		<p>Play/Pause music Double tap left/right earbud</p>
<p>Mild noise cancelling transparency mode strong noise cancelling Press left/right earbud for 3S</p>		<p>Low latency mode Tape left/right for 5 times</p>

- **Low Latency Mode On/Off:** Tap left/right earbud 5 times.
- **Sleep Mode (Headphones not connected to device):** Press simultaneously for 2 seconds on both left + right earbuds.

3. Sleep & Meditation Features (via Case)

Multi-function

The charging case offers multiple functions including breathing training, an MP3 player, a Pomodoro timer, and white noise options.

- **White Noise:** Access 28 natural white noise options (e.g., waterfall, bells, birds, running water, storms, beach, wind, forest, animal sounds). You can set a timer for playback duration.
- **Sleeping Meditations:** Guided meditation audios designed to aid sleep, reduce anxiety, and promote relaxation.
- **Breathing Exercises:** Guided breathing sessions with a timer to help calm the mind.
- **Woodfish:** A soothing sound option for meditation.

- **Music:** Utilize the built-in 8GB MP3 player to listen to your uploaded audiobooks and music directly from the case.
- **Favorites:** Save your preferred audio tracks or settings for quick access.
- **Tomato Clock:** A time management method that divides work time into 25-minute intervals followed by 5-minute rest periods.

4. Official Product Video: White Noise and Meditation Modes

This video demonstrates the unboxing, physical features, and navigation of the mifo FiiTii S2 charging case's touchscreen, highlighting the white noise, meditation, and breathing exercise modes available directly on the device.

MAINTENANCE

Cleaning

Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals. For the ear tips, remove them from the earbuds and clean with mild soap and water, then dry thoroughly before reattaching.

Water Resistance

IPX7 Water Resistant

The earbuds are IPX7 water resistant, making them suitable for use during light rain or sweating. The charging case is not waterproof.

The FiiTii S2 earbuds are IPX7 water resistant, meaning they can withstand submersion in up to 1 meter of water for 30 minutes. This makes them suitable for use during workouts or in light rain. **The charging case is NOT waterproof.** Avoid exposing the charging case to water or moisture.

TROUBLESHOOTING

- **Earbuds have no sound or won't pair:** Place both earbuds back into the charging case, close the cover for 5 seconds, then take them out again. This performs a soft reset.
- **Connectivity issues:** Ensure Bluetooth on your phone or other devices is turned off if you intend to use the earbuds with the charging case's internal features, as only one connection can be active at a time.
- **Fingerprints on case:** The glossy finish of the charging case may show fingerprints. Wipe with a soft, dry cloth to clean.
