4. Usage Instructions

4.1. Preparation and Serving

BOOST Very High Calorie Nutritional Drink is ready to drink. For optimal taste, it is recommended to serve chilled.

- **Chill:** For an enhanced taste experience, chill the drink before consumption. You may also pour it over ice if you prefer a less thick consistency.
- **Sip:** If you are sensitive to volume or new to calorie-dense drinks, sip slowly.
- **Enjoy:** Consume on its own as a nutritional supplement or mini-meal. It can also be added to smoothies to boost their nutritional content.

5. Storage and Handling

- Store unopened cartons at room temperature.
- Once opened, cover and refrigerate any unused portion.
- Discard any unused portion after 24 hours.
- Do not freeze, as freezing may alter the texture and nutritional integrity of the product.

6. Safety Information and Warnings

Important: Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

Always consult with a healthcare professional before making significant dietary changes or using nutritional supplements, especially if you have pre-existing medical conditions or are taking medication.

Allergen Warning: Contains Milk and Soy ingredients.
