# Bayer Xeo Twin Pram - Butterfly Grey & Pink Instruction Manual

Model: 26733AA

Brand: Bayer

## PRODUCT OVERVIEW

---

The Bayer Xeo Twin Pram is a modern twin doll's pram designed for dolls up to 18 inches (46 cm). It features flexible sun covers, a height-adjustable handle, and versatile seating options. The pram includes a shopping basket for storage and can be folded for convenient transport.

## Key Features:

- Accommodates dolls up to 18 inches (46 cm).
- Convertible seats: Seats can be positioned facing forward, rearward, or at an angle (one seat lower, one higher).
- Adjustable sun canopies for sun and wind protection.
- Integrated shopping basket for storage.
- Matching shoulder bag for accessories.
- Foldable design for space-saving storage and travel.
- Height-adjustable handle (58-71 cm) to suit various child heights.

## SETUP INSTRUCTIONS

Follow these steps to assemble your Bayer Xeo Twin Pram. A screwdriver is required for some steps.

### Assembly Steps:

1. **Unfold the Frame:** Carefully unfold the main pram frame until it locks into an upright position.
2. **Attach the Crossbar:** Secure the pink crossbar to the main frame using the provided screws and a screwdriver. Ensure it is firmly attached.
3. **Install Wheels:** Attach the larger rear wheels by pushing them onto the axles until they click into place. Attach the smaller front wheels by inserting their posts into the designated slots on the front of the frame until they click.
4. **Attach Handlebar:** Insert the handlebar into the top slots of the main frame until it clicks securely.
5. **Attach Seat Frames:** Secure the two pink seat frames to the main frame. These frames provide the base for the doll seats.
6. **Install Doll Seats:** Place each doll seat onto its respective seat frame. Ensure they are properly aligned and click into place.
7. **Attach Handbag:** The matching handbag can be attached to the handlebar using its straps.

## OPERATING INSTRUCTIONS

---

### Adjustable Handle:

The handlebar height can be adjusted from 58 cm to 71 cm to accommodate different users. Press the buttons on both sides of the handlebar joint and move the handle up or down to the desired height. Release the buttons to lock it in place.

### Convertible Seats:

The two doll seats offer multiple configurations:

- **Forward-Facing:** Both seats face the direction of travel.
- **Rearward-Facing:** Both seats face towards the child pushing the pram.
- **Angled Position:** Seats can be positioned with one seat lower and the other higher, or facing each other.

To adjust the seat direction or angle, locate the adjustment mechanisms on the seat frames. Press the release buttons or levers and re-position the seats as desired until they lock securely.

## Sun Canopies:

Each seat is equipped with a flexible sun canopy. Adjust the canopy by pulling it forward or pushing it back to provide shade and protection for the dolls.

## Storage:

- **Shopping Basket:** An integrated shopping basket is located beneath the seats for storing larger items.
- **Matching Handbag:** A stylish handbag is included for smaller accessories and can be hung on the handlebar.

## MAINTENANCE

### Cleaning Instructions:

The fabric components of the pram, including the seat covers and canopies, can be removed for cleaning. Detach the fabric from the frame (often secured with Velcro or snaps) and hand wash with mild soap and water. Allow to air dry completely before reattaching. The plastic and metal parts of the frame can be wiped clean with a damp cloth.
