Product Overview

The Moen Haelyn faucet combines elegant design with practical features for a superior kitchen experience. Key features include:

- **RETRACTABLE:** Equipped with the Reflex system for smooth operation, easy movement, and secure docking of the spray head.
- **BOOSTED STREAM:** Moen's exclusive Power Boost technology offers a faster clean and faster fill with the push of a button on the kitchen sink sprayer.
- **BOLD STATEMENT:** Kitchen faucet and included matching liquid soap dispenser in a matte black finish adds a touch of sophistication to any room.
- **EASY TO INSTALL:** Features Duralock quick connect system for easy installation for 1, 3 or 4-hole sink configuration.
- **EVERY DROP, CERTIFIED SAFE:** Every Moen residential kitchen and bath faucet complies with the Federal Safe Drinking Water Act and NSF 61 standards — making Moen the safe choice for clean drinking water.
- **SUPPLY LINES INCLUDED:** Flexible supply lines with 3/8 in. compression fittings connect directly to supply stop.
- **BUILT TO LAST:** Backed by Moen’s Limited Lifetime Warranty.

Operating Instructions

Your Moen Haelyn faucet is designed for intuitive and efficient use.

Single-Handle Control

The single lever handle allows for effortless control of both water temperature and flow. Move the handle forward for cold water and backward for hot water. Adjust the height of the handle to control the water flow intensity.

Pull-Down Sprayer with Reflex System

The integrated pull-down spray head features the Reflex system, ensuring smooth extension, easy maneuverability, and secure docking back into the spout after use. This allows for flexible cleaning and filling tasks around your sink.

Figure 5: The Reflex system ensures smooth retraction and secure docking of the pull-down spray head.

Power Boost Technology

Activate the Power Boost feature by pressing the dedicated button on the spray head. This provides a concentrated, more powerful stream for faster cleaning of stubborn messes and quicker filling of pots.

Figure 6: The pull-down sprayer with Power Boost provides enhanced cleaning power for various tasks.

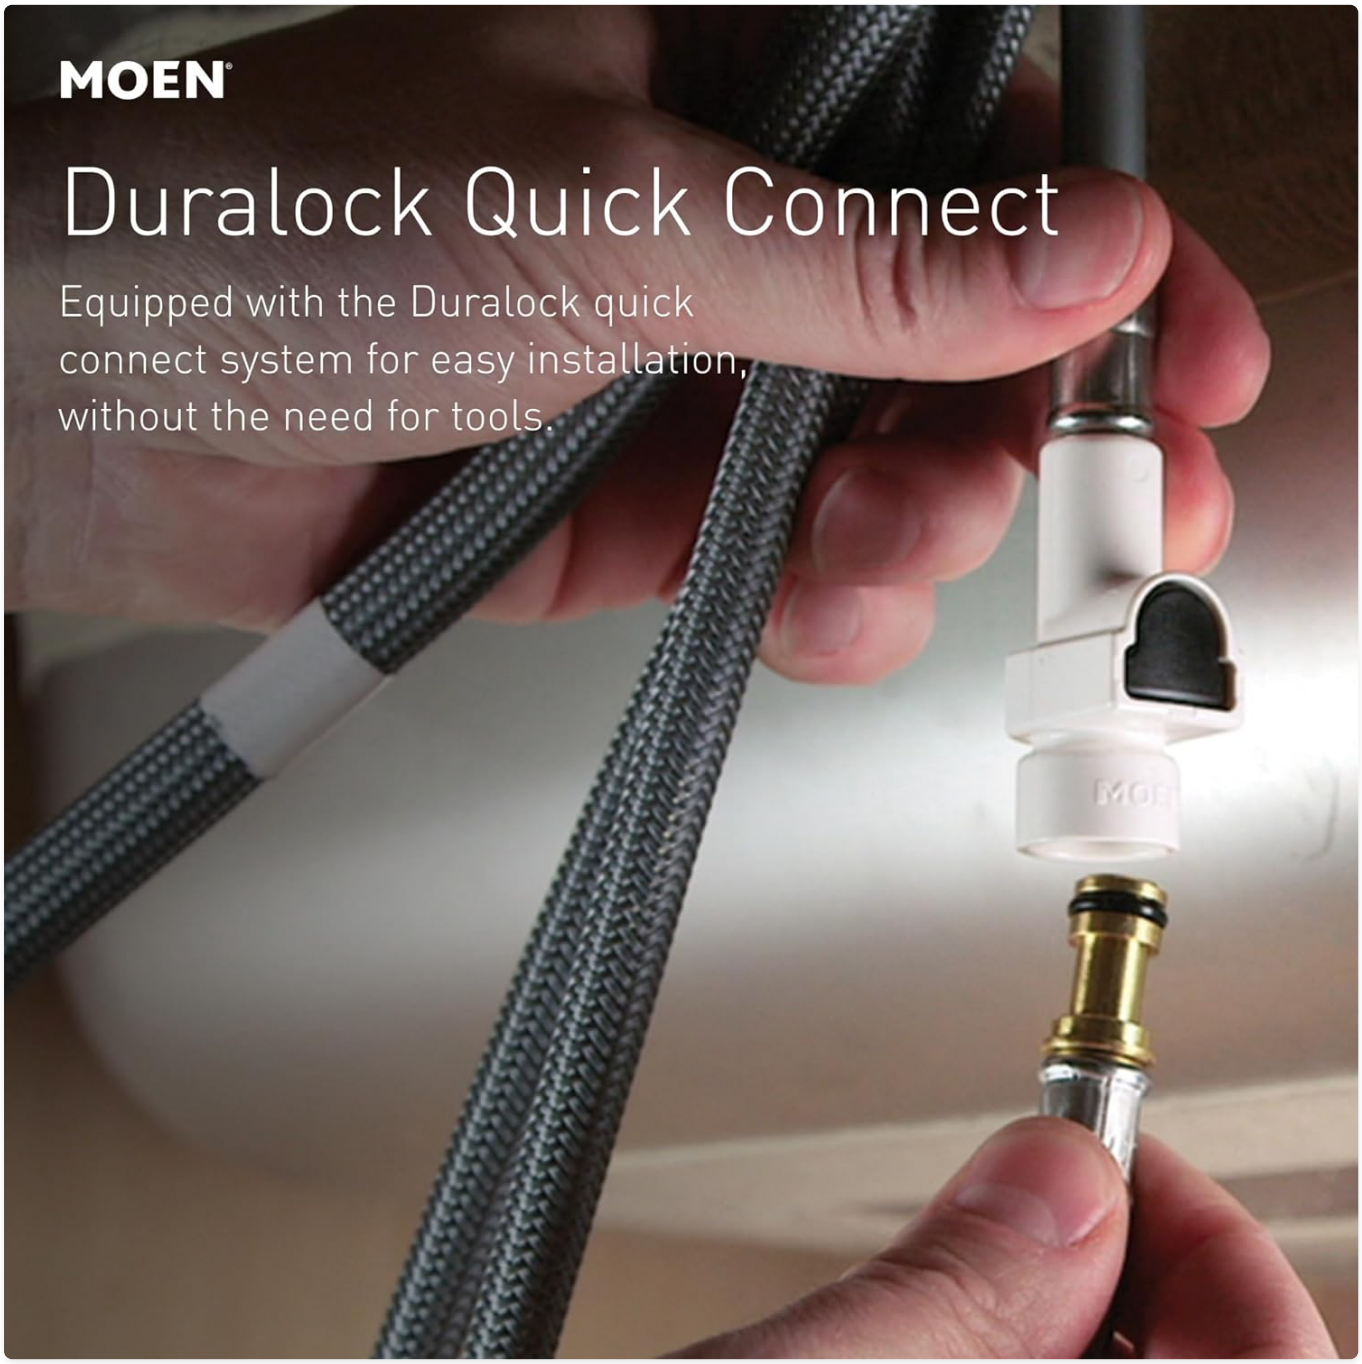

Figure 7: The spray mode offers a wider coverage for rinsing and cleaning.

Figure 8: The stream mode provides a steady flow for filling pots and general use.

Maintenance

Proper care and cleaning will ensure your Moen Haelyn faucet maintains its appearance and functionality for years to come.

Care and Cleaning

To clean your faucet, use a soft, damp cloth and mild soap. Avoid abrasive cleaners, solvents, or polishing agents as they may damage the finish. The matte black finish is designed to resist fingerprints and water spots, making cleaning easier.

Figure 9: The Spot Resist finish helps prevent fingerprints and water spots, keeping your faucet looking cleaner.

Water Safety Standards

Moen faucets are certified to meet the Federal Safe Drinking Water Act and NSF 61 standards, ensuring safe and clean water for your household.

Troubleshooting

If you encounter any issues with your Moen Haelyn faucet, please refer to the comprehensive troubleshooting guide in the full product manual. Common issues may include reduced water flow, leaks, or sprayer malfunction. Many issues can be resolved by checking water supply connections, cleaning the aerator, or inspecting the hose for kinks.

For persistent problems or complex repairs, it is recommended to contact a qualified plumber or Moen customer support.
