1. INTRODUCTION

Thank you for choosing the HIGH GODO Succulent Bonsai Plant Sets. This botanical building kit allows you to create a delicate and vivid display of various plants using mini bricks. Designed for teens and adults aged 14 and above, this set provides a rewarding building project that enhances logical thinking, manual dexterity, imagination, and color recognition.

What's in the Box:

- Instruction Manual
- 389 Mini Bricks (various colors and shapes)
- Exquisite Stickers
- Base Plate(s)

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger users. Keep all small components away from infants and pets to prevent accidental ingestion.

3. ASSEMBLY INSTRUCTIONS

The HIGH GODO Succulent Bonsai Plant Set consists of 389 mini bricks. The smallest particles are approximately 0.25 inches x 0.25 inches. This set is not compatible with classic building blocks. Follow the clear, full-color instructions provided in the manual for step-by-step assembly. The estimated assembly time is up to 90 minutes.

General Assembly Steps:

1. Remove all components from their packaging.
2. Organize the mini bricks by color or type to facilitate assembly.
3. Refer to the included instruction manual for detailed, illustrated steps.
4. Assemble the building kit without excessive force, as the bricks are designed to fit together precisely.
5. Apply the exquisite stickers as indicated in the instructions to complete the decorative elements.

5. MAINTENANCE

The HIGH GODO Succulent Bonsai Plant Set requires minimal maintenance. As a static display model made of plastic, it is durable and designed for long-term enjoyment.

- **Cleaning:** To remove dust, gently wipe the model with a soft, dry cloth or use a soft brush. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic.
- **Handling:** Handle the assembled model with care to prevent small pieces from detaching. If any pieces do come loose, reattach them according to the instruction manual.

- **Storage:** If storing the set, ensure it is placed in a secure container to prevent loss of small parts.

6. TROUBLESHOOTING

While the building process is generally straightforward, some users may encounter minor challenges. Here are a few common issues and their solutions:

- **Pieces not fitting securely:** Ensure you are using the correct pieces for each step as indicated in the instruction manual. Apply firm but gentle pressure to connect bricks. Avoid excessive force.
- **Assembled sections feel unstable:** Double-check previous steps to ensure all connections are firm. Sometimes, a misplaced or loosely connected brick can affect the stability of subsequent sections.
- **Missing pieces:** Carefully check all packaging and the building area. If a piece is genuinely missing, please contact HIGH GODO customer support (refer to Section 8).
- **Difficulty following instructions:** Review the full-color instruction manual carefully. The illustrations are designed to be clear. If needed, take a break and return to the step with fresh eyes.
