Spigen Air Skin (ACS05174)

Spigen Air Skin Case for Samsung Galaxy Z Flip4

Model: Air Skin (ACS05174) - Cotton Pink

1. INTRODUCTION AND OVERVIEW

The Spigen Air Skin case is designed to provide a slim and lightweight protective layer for your Samsung Galaxy Z Flip4. Constructed from durable polycarbonate (PC) material, it offers protection against scratches and minor impacts while maintaining the original aesthetic of your device. Its ultra-thin profile ensures minimal bulk, making it ideal for users who prefer a 'no-case' feel.

Key Features:

- **Ultra-Slim Design:** 0.8mm extra slim profile to reveal the mobile's original design.
- **Durable PC Material:** Made of high-quality polycarbonate with anti-fingerprint, smudge-resistant, and scratch-resistant properties.
- **Air Cushion Protection:** Integrated technology for enhanced shock absorption.
- **Perfect Fit:** Exact cutouts ensure easy access to all connections and buttons.
- **Wireless Charging Compatible:** Designed to work seamlessly with wireless charging.

2. WHAT'S IN THE BOX

Your Spigen Air Skin case package includes:

- 1 x Spigen Air Skin Basic Case (Cotton Pink)

3. SETUP AND INSTALLATION

Follow these steps to properly install your Spigen Air Skin case on your Samsung Galaxy Z Flip4:

1. **Clean Your Device:** Ensure your Samsung Galaxy Z Flip4 is clean and free of dust or debris before installation. This prevents scratches and ensures a secure fit.
2. **Install the Bottom Piece:** Gently align the bottom half of the case with the bottom section of your phone. Press firmly until it snaps securely into place.
3. **Install the Top Piece:** Align the top half of the case with the top section of your phone. Carefully press it onto the

phone until it clicks into position. Ensure all edges are flush with the phone.

4. **Verify Fit:** Check that the case is securely attached to both halves of your Galaxy Z Flip4 and that all ports and buttons are accessible and functional.

Protect what's important.

Internal raised edges and external casing help keep its pristine condition.

4. OPERATING AND DAILY USE

The Spigen Air Skin case is designed for seamless daily operation of your Samsung Galaxy Z Flip4:

- **Full Accessibility:** Precision cutouts ensure unhindered access to all ports, speakers, cameras, and buttons.
- **Wireless Charging:** The slim design of the case allows for full compatibility with wireless charging pads without needing to remove the case.
- **Folding Mechanism:** The two-piece design ensures the phone's folding mechanism operates smoothly without interference.

5. MAINTENANCE

To keep your Spigen Air Skin case in optimal condition:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and smudges. For tougher stains, a mild soap solution can be used, followed by wiping with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the polycarbonate material and its finish.
- **Stain Prevention:** While the case is smudge-resistant, lighter colors like Cotton Pink may show stains from dyes (e.g., from denim) more easily. Prompt cleaning is recommended if staining occurs.

6. TROUBLESHOOTING

Common Issues and Solutions:

- **Case does not fit properly:**

Ensure you have the correct model of case for your Samsung Galaxy Z Flip4. Verify that both halves of the case are aligned correctly and pressed firmly until they snap into place. Remove any screen protectors or skins that might interfere with the fit.
- **Light-colored case shows stains:**

Lighter colored cases, such as Cotton Pink, can sometimes absorb dyes from materials like denim. Try cleaning the stained area immediately with a soft cloth and a mild soap solution. For persistent stains, contact customer support.
- **Buttons are difficult to press:**

Ensure the case is installed correctly and not misaligned. The case is designed for precise button access; if buttons are stiff, re-install the case to ensure proper alignment.

7. SPECIFICATIONS
