- **Front Camera:** 5MP camera for video calls and selfies.
- **Rear Camera:** 13MP camera with flash for high-resolution photos and videos.
- **Volume Buttons:** Adjust the device's volume.
- **Power Button:** Press and hold to power on/off or restart. Press briefly to turn the screen on/off.
- **Type-C Port:** For charging and data transfer.
- **Speakers:** Dual speakers for enhanced audio output.
- **Micro SD Card Slot:** Insert a Micro SD card for expandable storage.

SETUP

1. Charging the Tablet

Before first use, fully charge your tablet. Connect the provided USB Type-C cable to the tablet's Type-C port and the power adapter, then plug the adapter into a wall outlet. The battery indicator on the screen will show charging status.

2. Powering On/Off

- **To Power On:** Press and hold the Power button until the MARVUE logo appears.
- **To Power Off:** Press and hold the Power button, then select "Power off" from the options on the screen.
- **To Restart:** Press and hold the Power button, then select "Restart" from the options.

3. Initial Setup

Upon first power-on, follow the on-screen prompts to complete the initial setup:

- Select your preferred language.
- Connect to a Wi-Fi network.
- Sign in with your Google account or create a new one.
- Set up screen lock and other security features.

4. Inserting a Micro SD Card

To expand storage, insert a Micro SD card (up to 256GB, sold separately) into the designated slot. Ensure the tablet is powered off before inserting or removing the card.

OPERATING INSTRUCTIONS

1. Basic Navigation

The MARVUE Pad M22 uses a responsive G+G multi-touch screen.

- **Tap:** Select an item or open an app.
- **Tap and Hold:** Access contextual menus or move icons.
- **Swipe:** Scroll through pages or lists.
- **Pinch:** Zoom in or out on images and web pages.

immersive viewing experience.

2. Connecting to Wi-Fi

The tablet supports 2.4GHz and 5GHz dual-band Wi-Fi for stable and fast internet connectivity.

1. Go to **Settings > Network & internet > Wi-Fi**.
2. Turn on Wi-Fi.
3. Select your desired network from the list and enter the password if prompted.

3. Using the Cameras

Capture moments with the 5MP front camera and 13MP rear camera.

1. Open the **Camera** app.
2. Tap the shutter button to take a photo.
3. Switch between front and rear cameras using the camera switch icon.

4. GPS Navigation

The tablet includes GPS functionality. Google Maps is pre-installed for convenient navigation. Ensure you are connected to Wi-Fi or have downloaded offline maps for use without internet.

5. Wireless Projection (Screen Mirroring)

Mirror your tablet's screen to a larger display, such as a TV, for an enhanced viewing experience.

1. Ensure your TV or display supports wireless projection (Miracast, Chromecast, etc.).
2. On your tablet, go to **Settings > Connected devices > Connection preferences > Cast**.

3. Select your display device from the list to connect.

6. Connecting External Accessories

The tablet supports connecting wireless keyboards and mice via Bluetooth for increased productivity.

1. Enable Bluetooth on your tablet via **Settings > Connected devices > Bluetooth**.
2. Put your accessory into pairing mode.
3. Select the accessory from the list of available devices on your tablet to pair.

MAINTENANCE

1. Cleaning Your Tablet

- Use a soft, lint-free cloth to clean the screen and body.
- Do not use abrasive cleaners, alcohol, or solvents.
- Avoid getting moisture into openings.

2. Battery Care

- Avoid extreme temperatures, which can degrade battery life.
- For optimal battery longevity, avoid fully discharging the battery frequently.
- Use only the provided charger or a certified compatible charger.

3. Software Updates

Regularly check for and install software updates to ensure optimal performance and security. Go to **Settings > System > System update**.

TROUBLESHOOTING

| Problem | Solution |
|--------------------------------------|---|
| Tablet does not turn on. | Ensure the battery is charged. Connect the charger and try again. If it still doesn't turn on, press and hold the Power button for 10-15 seconds. |
| Cannot connect to Wi-Fi. | Check if Wi-Fi is enabled in Settings. Ensure the Wi-Fi password is correct. Restart your router and the tablet. Try connecting to a different Wi-Fi network. |
| Screen is unresponsive. | Restart the tablet by holding the Power button. If the issue persists, perform a factory reset (data will be lost). |
| Apps are crashing or running slowly. | Close unnecessary background apps. Clear app cache (Settings > Apps > [App Name] > Storage > Clear cache). Ensure sufficient storage space. Restart the tablet. |
| Battery drains quickly. | Reduce screen brightness. Close unused apps. Turn off Wi-Fi, Bluetooth, and GPS when not in use. Check battery usage in Settings to identify power-hungry apps. |
