2. SETUP AND ASSEMBLY

Your desk is delivered in two separate boxes. Please ensure you have received both packages before beginning assembly.

2.1. Package Contents Verification

Before starting, unpack all components and verify them against the parts list provided in the separate instruction manual included with your desk.

- Ensure all labeled parts are present.
- Confirm all required assembly tools are included.
- If any parts are missing or damaged, please contact customer support.

2.2. Assembly Steps

Refer to the detailed, step-by-step assembly manual provided in the packaging for precise instructions. General steps include:

1. Attach the main support legs to the desktop.
2. Secure the bottom storage shelf between the legs.
3. Install any internal compartments or hidden storage mechanisms.
4. Ensure all screws and fasteners are tightened securely for stability.
5. Place the desk on a level surface and check for stability.
