

XTREME MLB7-1058-RGB

XTREME Monster Rechargeable Multicolor Infinity Mirror Light

MODEL: MLB7-1058-RGB

1. Safety Information

Please read all safety instructions before using this product. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- This product is designed for **indoor use only**. Do not expose to rain or moisture.
- Keep the device away from direct sunlight, heat sources, and open flames.
- Do not attempt to disassemble, repair, or modify the device. Contact qualified service personnel for any repairs.
- Ensure the power source is compatible with the device's voltage requirements (5 Volts).
- Keep out of reach of children and pets.
- Clean only with a dry, soft cloth. Do not use liquid cleaners or aerosols.

2. Package Contents

Verify that all items are present in your package:

- Infinity Mirror Light Unit
- IR Remote Control
- USB Charging Cable
- Magnetic Mounting Plate
- Instruction Manual (this document)

3. Product Overview

The XTREME Monster Infinity Mirror Light creates a captivating 3D tunnel effect with its LED lights and reflective surfaces. It features sound-reactive modes, multiple color options, and flexible placement.

- **Infinity Mirror Effect:** When powered on, the light creates an illusion of depth with its internal LEDs. When off, it functions as a regular mirror.
- **Multicolor LED Lighting:** Offers a wide spectrum of colors and dynamic lighting patterns.
- **Sound-Reactive Mode:** Lights can synchronize with ambient sounds or music.
- **Rechargeable:** Built-in battery for portable use.
- **Versatile Mounting:** Can be placed on a desk using its integrated stand or mounted on a wall with the magnetic plate.

4. Setup

4.1 Charging the Device

1. Connect the included USB charging cable to the charging port on the side of the Infinity Mirror Light.
2. Plug the other end of the USB cable into a compatible USB power source (e.g., computer USB port, USB wall adapter).
3. Allow the device to charge fully before first use. A full charge provides approximately 2.5 hours of continuous light.

4.2 Placement Options

The Infinity Mirror Light offers two primary placement methods:

- **Tabletop Use:** Extend the integrated folding stand located on the back of the unit to place it securely on any flat surface, such as a desk or shelf.
- **Wall Mounting:** Use the included magnetic mounting plate. Attach the plate to a clean, dry wall surface. The light

unit can then be magnetically secured to this plate.

5. Operating Instructions

The Infinity Mirror Light is controlled using the included IR remote control.

5.1 Remote Control Functions

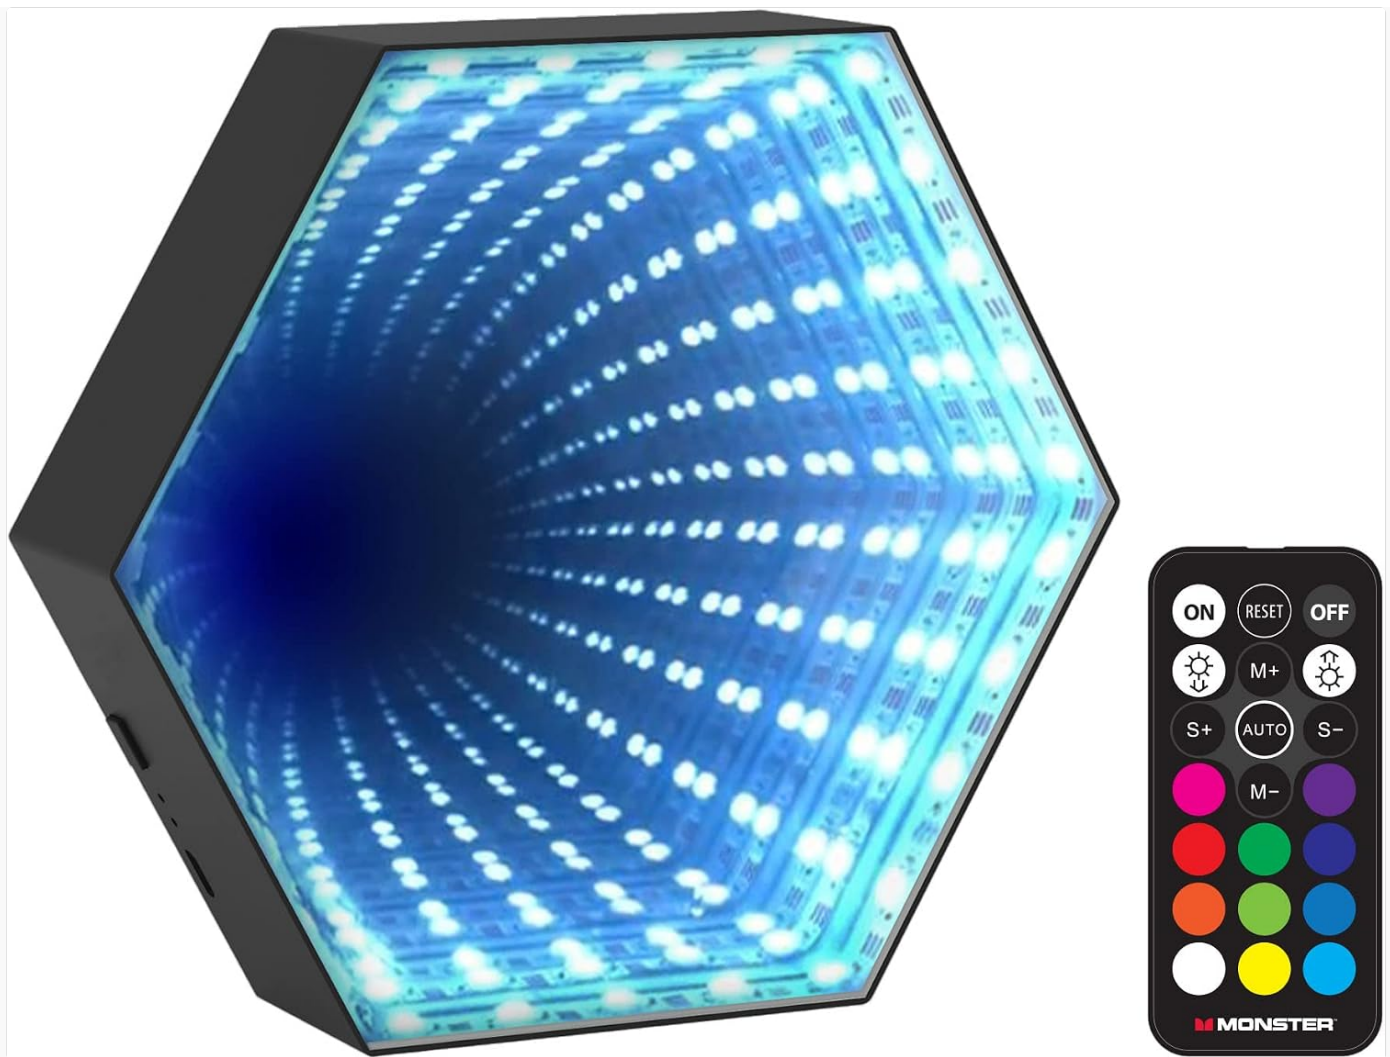

Image: The infinity mirror light illuminated with a blue effect, positioned beside its compact IR remote control.

- **ON/OFF:** Press the 'ON' button to power on the light, and 'OFF' to power it off.
- **Brightness Adjustment:** Use the 'S+' and 'S-' buttons to increase or decrease the brightness level.
- **Color Selection:** The remote features dedicated buttons for various static colors. Press a color button to select it.
- **Mode Selection:**
 - **M+ / M-:** Cycle through different dynamic lighting modes (e.g., color flow, flashing, fading).
 - **AUTO:** Activates an automatic mode that cycles through various colors and effects.
 - **Music Mode (Note icon):** Activates the sound-reactive function, causing the lights to respond to ambient sound.
- **RESET:** Returns the light to its default settings.

The remote control operates effectively up to 10 feet (3.25 meters) away.

6. Maintenance

To ensure the longevity and optimal performance of your Infinity Mirror Light, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the exterior surfaces, including the mirror, with a soft, dry, lint-free cloth. Do not use abrasive cleaners, solvents, or chemical sprays, as these can damage the finish and mirror surface.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To maintain battery health, avoid fully discharging the unit frequently. Recharge the device periodically if stored for a long time.

7. Troubleshooting

If you encounter issues with your Infinity Mirror Light, refer to the following common solutions:

Problem	Possible Cause	Solution
Light does not turn on.	Battery is depleted; Device is not charged; Remote control battery is dead.	Charge the device using the USB cable. Ensure the remote control battery is functional. Press the 'ON' button firmly.
Remote control is unresponsive.	Remote battery is dead; Obstruction between remote and light; Remote is too far away.	Replace the remote control battery. Ensure a clear line of sight to the light. Operate the remote within 10 feet (3.25 meters).
Light does not hold a charge.	Faulty charging cable; Damaged battery; Incompatible power source.	Try a different USB charging cable and power adapter. If the issue persists, contact customer support.
Sound-reactive mode not working.	Music mode not activated; Ambient sound is too low.	Ensure the 'Music Mode' button (note icon) on the remote is pressed. Increase the volume of the audio source.

8. Specifications

Model Name	MLB7-1058-RGB
Brand	XTREME
Product Dimensions	1.5"D x 6.15"W x 5.25"H
Item Weight	0.5 Pounds (8 ounces)
Light Source Type	LED
Power Source	USB-Powered (Rechargeable)
Voltage	5 Volts
Control Method	Remote
Material	Plastic
Mounting Type	Wall Mount, Tabletop
Indoor/Outdoor Usage	Indoor Only

9. Warranty and Support

For warranty information or technical support, please refer to the documentation provided at the time of purchase or visit the official XTREME website. Keep your proof of purchase for warranty claims.
