### 3. OPERATING INSTRUCTIONS

#### 3.1. 360° Swivel Function

The cabinet is designed to rotate 360 degrees on its sturdy base. Gently push the cabinet to spin it, allowing easy access to the full-length mirror, the internal jewelry storage, and the external shelving unit.

#### 3.2. Touch Screen Lighted Mirror

The interior vanity mirror features touch-screen controlled LED lights. Locate the touch sensor on the mirror surface. Tap the sensor to cycle through different light settings (e.g., bright white, warm yellow, mixed light) or to turn the lights on/off. Ensure the cabinet is plugged into a power source for the lights to function.

## 5. MAINTENANCE

---

To ensure the longevity and appearance of your Nicetree Jewelry Cabinet, follow these maintenance guidelines:

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surfaces. Avoid abrasive cleaners that may scratch the glass.
- **Cleaning the Cabinet:** Wipe the wooden surfaces with a soft, damp cloth. For stubborn spots, use a mild wood cleaner. Avoid excessive moisture.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth to prevent buildup.
- **Jewelry Care:** Ensure jewelry is clean and dry before storing to prevent tarnishing or damage to the velvet lining.
- **Light Maintenance:** If the LED lights dim or stop working, check the power connection. If battery-operated, replace batteries as needed.

## 6. TROUBLESHOOTING

---

- **Lights Not Working:**
  - Ensure the power adapter is securely plugged into both the cabinet and a working wall outlet.
  - Check if the touch sensor is being pressed correctly.

- If battery-operated, replace the batteries.
- **Mirror Not Swiveling Smoothly:**
  - Check the base for any obstructions.
  - Ensure the base screws are tightened appropriately, but not overtightened.
- **Cabinet Stability Issues:**
  - Verify that all assembly screws are securely fastened.
  - Ensure the cabinet is placed on a flat, level surface.
- **Door Not Closing Properly:**
  - Check for any items obstructing the door's closure.
  - Inspect hinges for damage or misalignment.
