Feasto 734401B

Feasto 3-Shelf Outdoor Grill Table User Manual

Model: 734401B

Introduction

Thank you for choosing the Feasto 3-Shelf Outdoor Grill Table. This versatile and sturdy movable cart is designed to enhance your outdoor cooking experience, serving as an ideal station for pizza ovens, grills, and general food preparation. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new grill table.

Important Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Be aware of weight capacities and use caution when moving on uneven surfaces to prevent tipping. The tabletop can hold up to 150 lbs, the bottom plate 100 lbs, and the middle plate contributes to a total capacity of 300 lbs.
- Ensure all components are securely fastened before placing items on the table.
- Do not overload shelves beyond their stated weight limits.
- Keep children and pets away from the grill table during use, especially when hot cooking appliances are present.
- Always use appropriate heat protection when handling hot items on the stainless steel tabletop.
- Position the table on a stable, level surface to prevent accidental movement or tipping.

Package Contents

Verify that all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer service.

Component	Quantity	Description
Stainless Steel Tabletop	1	Main work surface (L 33.5"x W 21.7")

Component	Quantity	Description
Middle Shelf	1	Storage shelf with fences and weep holes
Bottom Shelf	1	Lower storage shelf
Frame Components	Various	Legs, supports, and connecting bars
Wheels	2	Large wheels for mobility
Horseshoe Feet	2	Stable feet for stationary use
Accessories	Various	S-hooks (4), side thin rack, bottle opener, paper towel holder, propane tank mounting hook
Hardware Pack	1	Screws, bolts, and assembly tools (if included)

Assembly Instructions

Assembly is required for this product. Please follow the steps carefully. A Phillips screwdriver is the only additional tool required.

1. Unpack all components and lay them out on a clean, flat surface. Refer to the package contents list to ensure all parts are present.
2. Attach the wheels to the designated side of the bottom frame. Ensure they are securely fastened for proper mobility.
3. Secure the horseshoe feet to the opposite side of the bottom frame.
4. Connect the vertical support beams to the bottom shelf, ensuring correct orientation.
5. Install the middle shelf, paying attention to the orientation of the fences and weep holes.
6. Place the stainless steel tabletop onto the assembled frame, aligning all screw holes. Secure it firmly with the provided hardware.
7. Attach the handle to the side of the tabletop.
8. Install the various accessories: S-hooks, side thin rack, bottle opener, paper towel holder, and propane tank mounting hook in their respective positions as shown in the diagrams.
9. Once assembled, gently test the stability and mobility of the table before use.

Product Features

- **Sturdy Structure:** Equipped with 2 large wheels and 2 horseshoe feet for stability and mobility. The tabletop supports up to 150 lbs, the bottom plate 100 lbs, and the overall structure can bear up to 300 lbs.
- **Stainless Steel Surface:** The main tabletop is made of stainless steel, offering a durable and easy-to-clean work area. Dimensions: L 33.5" x W 21.7".
- **Ample Storage:** Features a middle shelf and a bottom shelf for storing cooking tools, ingredients, and accessories. Includes 4 S-hooks, a side extra thin rack, and a specific propane tank mounting position hook.
- **Humanized Design:** The middle shelf includes fences to prevent items from slipping off and weep holes to prevent water accumulation. A convenient handle facilitates movement.
- **Multifunctional Use:** Suitable for various indoor and outdoor applications, including a grill table, pizza oven stand, BBQ grilling cart, potting table, or an extension of a kitchen work table.

Operating Instructions

The Feasto 3-Shelf Outdoor Grill Table is designed for straightforward operation and versatility.

1. **Placement:** Position the grill table on a flat, stable surface. For outdoor use, ensure it is away from flammable materials and structures.
2. **Mobility:** To move the table, lift the handle side slightly and roll it on its two wheels. Avoid sudden movements or uneven terrain to prevent tipping.
3. **Using the Tabletop:** The stainless steel tabletop is suitable for food preparation, holding cooking appliances like pizza ovens or griddles, and serving. Ensure hot items are placed on heat-resistant surfaces if prolonged heat exposure is a concern.
4. **Storage:** Utilize the middle and bottom shelves for storing cooking utensils, ingredients, and other outdoor cooking essentials. The S-hooks are ideal for hanging tools, and the paper towel holder keeps paper towels readily accessible.
5. **Propane Tank:** If using a propane-powered appliance, secure the propane tank to the designated mounting hook on the side of the table. Ensure the tank is stable and connections are secure.
6. **Bottle Opener:** The integrated bottle opener provides convenience for opening beverages during your outdoor activities.

Maintenance

Proper maintenance will extend the life and appearance of your Feasto Outdoor Grill Table.

- **Cleaning:** Wipe the table surfaces with a damp cloth after each use. For stubborn stains on the stainless steel top, use a mild detergent and rinse thoroughly. Avoid abrasive cleaners or scouring pads that could scratch the surface.
- **Drying:** Ensure all surfaces are completely dry after cleaning to prevent water spots and potential rust, especially on non-stainless steel components.
- **Storage:** While designed for outdoor use, storing the table in a cool, dry place or covering it when not in use for extended periods will help protect it from the elements and prolong its lifespan.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Troubleshooting

This section addresses common issues you might encounter with your grill table.

Problem	Possible Cause	Solution
Table is wobbly/unstable.	Loose screws or uneven surface.	Ensure all assembly screws are tightened. Move the table to a flat, level surface.

Problem	Possible Cause	Solution
Wheels do not roll smoothly.	Debris in wheels or loose attachment.	Check wheels for obstructions and clean if necessary. Verify wheels are securely attached.
Rust spots appearing.	Exposure to moisture without proper drying, especially on non-stainless steel parts.	Clean and dry the table thoroughly after each use. Consider using a protective cover for outdoor storage.
Missing parts during assembly.	Packaging error or lost during unpacking.	Carefully re-check all packaging materials. Contact Feasto customer service for replacement parts.
