Daiso Coelacanth Fish Petit Block Instruction Manual

Model: 4549131917291

INTRODUCTION

This manual provides instructions for assembling the Daiso Coelacanth Fish Petit Block set. This mini-sized building block set allows you to construct a detailed model of a Coelacanth fish. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

SAFETY INFORMATION

- **Age Recommendation:** This product is recommended for ages 12 years and up.
- **Small Parts Warning:** This set contains small parts which may pose a choking hazard for children under 3 years old. Keep out of reach of young children.
- **Material:** The blocks are made of plastic. Do not ingest.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger users within the recommended age range.

PACKAGE CONTENTS

Before starting, ensure all components are present. The package should contain:

- Various mini-sized building blocks required to construct the Coelacanth fish model.
- Instruction sheet (often visual, included within the packaging).

Image 1: Daiso Coelacanth Fish Petit Block in its original sealed packaging. The packaging shows the assembled Coelacanth model and indicates "Age 12+".

SETUP

1. **Unpack:** Carefully open the product packaging and remove all contents.
2. **Organize:** Spread the building blocks on a clean, flat, and well-lit surface. It may be helpful to sort blocks by color or shape if the set contains many different types.
3. **Review Instructions:** Familiarize yourself with the visual assembly instructions provided in the package.

OPERATING (ASSEMBLY INSTRUCTIONS)

Follow the step-by-step visual guide included with your Petit Block set. The general process involves:

1. **Identify Base Pieces:** Begin by identifying the base pieces as indicated in the instructions. These often form the core structure of the model.
2. **Connect Blocks:** Carefully connect the blocks by aligning their studs and pressing them firmly together. Ensure each block is securely attached to prevent the model from falling apart.
3. **Follow Sequence:** Proceed through the assembly steps in the order shown in the visual instructions. Pay close attention to the orientation and placement of each block.
4. **Detailing:** Attach smaller, more intricate pieces to add details to the Coelacanth model, such as fins and eyes.
5. **Final Check:** Once all blocks are assembled, gently check the model for stability and ensure all connections are secure.

MAINTENANCE

- **Cleaning:** To clean the blocks, gently wipe them with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping. The original re-sealable pouch can be used for storage.

TROUBLESHOOTING

- **Blocks Not Fitting:** Ensure you are using the correct blocks for each step as indicated in the instructions. Apply firm, even pressure when connecting blocks.
- **Model is Unstable:** Double-check all connections. Loose blocks can cause instability. Re-assemble any sections that feel weak.

- **Missing Pieces:** If you believe a piece is missing, carefully check the packaging and your work area. If a piece is genuinely missing, contact the retailer or manufacturer for assistance.

SPECIFICATIONS

Model Name	Coelacanth Fish Petit Block
Model Number	4549131917291
Brand	Daiso
Material	Plastic
Product Dimensions (L x W x H)	5 x 4.19 x 10.49 cm (assembled)
Item Weight	32 g
Recommended Age	12 years and up
Assembly Required	Yes
Educational Objective	Shape Recognition
