DAISO Orca Petit Block User Manual
Model: 4549131917345 | Brand: Daiso

1. INTRODUCTION

The DAISO Orca Petit Block set allows users to construct a detailed model of an orca using small building blocks. This manual provides essential information for assembly, safe handling, and maintenance of your Petit Block model.

2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all blocks and packaging away from infants and young children.
- **Recommended Age:** Manufacturer recommended age is 8 years and up. Adult supervision is advised for younger users.
- **Handling:** Avoid placing blocks in the mouth. Wash hands before and after handling.

3. PACKAGE CONTENTS

Upon opening the package, verify that all components are present:

- Assorted Petit Blocks (various shapes and colors required for Orca model)
- Instruction Sheet (visual guide for assembly)

Figure 1: DAISO Orca Petit Block packaging. The package contains the building blocks and assembly instructions.

4. ASSEMBLY INSTRUCTIONS

Follow the steps below to assemble your DAISO Orca Petit Block model. Refer to the included instruction sheet for detailed visual guidance.

1. **Preparation:** Empty all blocks onto a clean, flat surface. Sort blocks by color and shape to facilitate assembly.

2. **Base Construction:** Begin by constructing the base of the orca's body as indicated in the instruction sheet. This typically involves larger, foundational blocks.

3. **Body and Fins:** Gradually add layers to form the main body, incorporating the distinctive black and white patterns of an orca. Attach the pectoral fins and dorsal fin according to the visual guide.

4. **Tail Assembly:** Construct the tail fluke, ensuring it can be articulated if the design allows.

5. **Final Touches:** Review the model against the instruction sheet to ensure all blocks are correctly placed and the structure is stable.

5. OPERATING INSTRUCTIONS

Once assembled, the DAISO Orca Petit Block model is primarily intended for display. It can also be used for imaginative play, but care should be taken to avoid excessive force that could cause blocks to detach.

- **Display:** Place the assembled orca on a stable, flat surface away from direct sunlight or extreme temperatures to prevent material degradation.
- **Play:** Gentle handling is recommended. Avoid throwing or dropping the model. If parts become loose, reattach them firmly.

6. MAINTENANCE

Proper care will ensure the longevity of your Petit Block model.

- **Cleaning:** To clean the blocks, gently wipe them with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all blocks in a sealed container to prevent loss and protect them from dust. Store in a cool, dry place.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Missing Blocks:** Carefully check the packaging and surrounding area. If blocks are genuinely missing from a new, sealed package, contact the retailer or manufacturer.
- **Difficulty Assembling:** Ensure you are following the instruction sheet precisely. Sometimes, blocks need to be pressed firmly to connect. If a step is unclear, try re-examining the visual guide.
- **Model Instability:** Recheck connections, especially at the base and joints. Ensure all blocks are fully engaged.

8. SPECIFICATIONS

| Product Name	DAISO Orca Petit Block
Brand	Daiso
Model Number	4549131917345
ASIN	B0B286NSMK
Product Dimensions (Assembled)	2.2 x 4.8 x 4.8 inches (5.6 x 12.2 x 12.2 cm)
Item Weight	0.317 ounces (9 grams)
Manufacturer Recommended Age	8 years and up
Material	Plastic

9. WARRANTY AND SUPPORT

For questions regarding this product, please refer to the retailer where it was purchased. As this is a building block set, specific warranties typically cover manufacturing defects rather than wear and tear from play.

For further assistance, you may visit the official Daiso website or contact their customer service if available in your region.
