## Cooouds B0B28SPV75

# Cooouds 64 oz Blender Container Instruction Manual

Model: B0B28SPV75

Brand: Cooouds

## 1. PRODUCT OVERVIEW

---

The Cooouds 64 oz Blender Container is designed as a replacement accessory for compatible blenders. This complete set includes the 64 oz container, a durable blade assembly, and a secure lid. It is constructed from BPA-free Eastman Tritan Copolyester, ensuring durability and safety for food preparation.

### Key Features:

- **Complete Set:** Includes a 64 oz container, blade, and lid.
- **Durable Material:** Made of BPA-free Eastman Tritan Copolyester, designed to be virtually unbreakable.
- **Long-lasting Blade:** Features 3-inch blades crafted from hardened stainless steel for efficient blending and extended life.
- **User-Friendly Design:** Equipped with a comfortable handle, drip-free spout, and a removable, vented lid plug for

adding ingredients during blending or making hot soups.

- **Clear Measurements:** ML and cup measurements are clearly marked on the side of the container for convenience.

## **2. COMPATIBILITY**

This 64 oz container is designed to be compatible with various blender models. Please verify your blender's model number to ensure proper fit and function. The parts are compatible spare parts and are not original manufacturer parts.

### **Known Compatible Models (including but not limited to):**

- 5000, 5200, 6000, 6300
- 200, 500, 62857, 62826, 108300b
- VM0100, VM0101, VM0101d, VM0102, VM0102b, VM0103

## Compatible with various Models including but not limited to

5000, 5200, 6000, 6300  
200, 500, 62857, 62826, 108300b  
VM0100, VM0101, VM0101d,  
VM0102, VM0102b, VM0103

### 3. SETUP AND ASSEMBLY

Before first use, ensure all components are clean. The container comes pre-assembled with the blade and lid.

1. **Unpack:** Carefully remove the container, lid, and any packaging materials from the box.
2. **Initial Cleaning:** Wash the container, lid, and blade assembly thoroughly with warm, soapy water. Rinse completely and allow to air dry or dry with a clean cloth. Refer to the "Maintenance and Cleaning" section for detailed cleaning instructions.
3. **Placement:** Place the container securely onto your compatible blender base, ensuring it is properly seated and locked into position according to your blender's instructions.
4. **Lid Placement:** Place the lid firmly onto the container. Ensure the removable lid plug is inserted into the lid opening unless you intend to add ingredients during blending or use a tamper.

Image 3.1: Close-up view of the removable lid and its durable seal ring, ensuring a secure fit.

## 4. OPERATING INSTRUCTIONS

---

The Cooouds 64 oz container is designed for versatile blending tasks, from juices to hot soups.

1. **Add Ingredients:** Place your desired ingredients into the container. Observe the ML and cup measurements marked on the side to avoid overfilling.
2. **Secure Lid:** Place the lid firmly onto the container. Ensure the removable lid plug is securely in place.
3. **Start Blending:** Place the container onto your blender base. Operate your blender according to its specific instructions.
4. **Adding Ingredients During Blending:** For recipes requiring additional ingredients during blending, remove the vented lid plug and carefully add items through the opening. Reinsert the plug when finished.
5. **Pouring:** The comfortable handle and drip-free spout facilitate easy pouring of blended contents.

# Multi-Function

**Juice**

**Soups**

**Purees**

**Sauces**

## 5. MAINTENANCE AND CLEANING

Proper maintenance ensures the longevity and hygiene of your Coouds 64 oz container.

1. **Immediate Cleaning:** For best results, clean the container immediately after each use to prevent food residue from drying and sticking.
2. **Disassembly:** Remove the lid and, if possible, the blade assembly for thorough cleaning.
3. **Washing:** Wash all components with warm water and mild dish soap. Use a brush to clean around the blades carefully. The BPA-free Eastman Tritan Copolyester material is designed for easy cleaning.
4. **Rinsing:** Rinse all parts thoroughly under running water to remove all soap residue.
5. **Drying:** Allow all parts to air dry completely before reassembling or storing to prevent moisture buildup and potential issues.

## Important Notes:

- While the container is designed for durability, avoid using abrasive cleaners or scouring pads, which can scratch the surface.
- Ensure the area around the blade assembly is cleaned thoroughly to prevent residue buildup.

## 6. TROUBLESHOOTING

If you encounter issues with your Cooods 64 oz container, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Container does not fit blender base properly.	Incompatibility with specific blender model; incorrect seating.	Verify your blender's model number against the list of compatible models in Section 2. Ensure the container is fully seated and twisted into place on the blender base.
Lid leaks during blending.	Lid not securely placed; seal ring issues; tamper hole not sealed.	Ensure the lid is pressed down firmly and evenly. Check the seal ring for any damage or misalignment. If using the tamper hole, ensure the lid plug is inserted when not in use, especially with liquids.
Blade assembly issues (e.g., blade falling out, rust, black residue).	Wear and tear; improper cleaning; manufacturing defect.	Ensure thorough cleaning of the blade assembly after each use, especially around the base where liquid might accumulate. If the blade is loose or corroded, discontinue use and contact customer support for a replacement.
Tamper hits blades.	Tamper from original blender is too long for this replacement container.	Use a tamper specifically designed for this container's dimensions, or exercise extreme caution to ensure the tamper does not contact the blades during operation.

## 7. SPECIFICATIONS

Attribute	Detail
Container Capacity	64 oz (approximately 2 liters)
Material	BPA-free Eastman Tritan Copolyester
Blade Material	Hardened Stainless Steel (3-inch blades)
Package Dimensions	12.44 x 7.32 x 7.17 inches
Item Weight	1.68 pounds
ASIN	B0B28SPV75
First Available Date	May 25, 2022
