Key features include:

- **Pointed Toe Design:** Clean, neat, and extends toe space for comfort.
- **Soft Inner Lining:** Comfortable with a padded memory foam insole to prevent rubbing.
- **Rhinestone and Pearl Embellishments:** Beautiful, elegant, and fashionable decoration.
- **Durable Sole:** Adopted soft rubber sole for improved comfort and wear resistance.

2. SETUP AND FIRST USE

2.1 Unpacking

Carefully remove the shoes from their packaging. Each shoe is typically protected by its own shoe bag to prevent damage during transit. Inspect the shoes for any visible defects or missing embellishments.

2.2 Initial Inspection

Before wearing, gently flex the shoes to assess their flexibility and ensure the sole is securely attached. Check the rhinestones and pearls to confirm they are firmly in place. While the shoes are designed for durability, a quick check ensures optimal condition.

4. CARE AND MAINTENANCE

4.1 Cleaning

To maintain the appearance of your rhinestone flats, gently wipe the microfiber and rubber sole with a soft, damp cloth. For the rhinestone and pearl embellishments, use a dry, soft brush or cloth to remove dust. Avoid harsh chemicals or abrasive cleaners, as these can damage the materials and adhesives.

4.2 Storage

Store your flats in a cool, dry place away from direct sunlight and excessive humidity. Using the provided shoe bags can help protect them from dust and scratches. Avoid stacking heavy items on top of the shoes to prevent deformation of the pointed toe or damage to the embellishments.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your rhinestone flats.

Issue	Possible Cause	Solution
Rhinestones/Pearls falling off	Wear and tear, impact, or manufacturing variation.	Small embellishments can be re-attached using a strong fabric adhesive or clear superglue. Apply sparingly.
Shoes feel tight or uncomfortable	Incorrect size, new shoes needing to be broken in.	Refer to the size chart for accurate sizing. Wear the shoes for short periods initially to allow them to conform to your feet.
Sole appears worn quickly	Frequent use on abrasive surfaces, improper cleaning.	Avoid dragging feet. Clean the sole regularly to remove debris that could cause abrasion.
