Yiser LWLZsKw8wO4

Yiser Food Storage Containers User Manual

Model: LWLZsKw8wO4

1. INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your Yiser Food Storage Containers. Designed for optimal food preservation, these containers feature an airtight seal and durable construction, making them suitable for various household storage needs.

2. PRODUCT FEATURES

- **Airtight Seal:** Equipped with a secure locking mechanism to prevent leaks and maintain food freshness.
- **Food-Grade Material:** Constructed from high-quality, safe plastic (Polypropylene) suitable for food contact.
- **Dishwasher Safe:** Designed for easy cleaning and convenience.
- **Versatile Use:** Ideal for storing a variety of foods, including dry goods, snacks, fruits, and liquids.
- **Space-Saving Design:** Stackable for efficient pantry and refrigerator organization.

3. PACKAGE CONTENTS

Your Yiser Food Storage Container set includes a combination of containers designed for various storage needs. The specific set may vary, but typically includes:

- One 1000ml Food Storage Container with lid
- One 800ml Food Storage Container with lid
- One 600ml Food Storage Container with lid

Image: A set of three Yiser food storage containers, clearly showing their respective capacities (1000ml, 800ml, 600ml) and the 'SealPot Poly Propylene' branding.

4. SETUP

Before first use, it is recommended to thoroughly wash all containers and lids with warm, soapy water. Rinse them well and allow them to air dry completely or dry with a clean cloth. This ensures hygiene and removes any manufacturing residues.

5. OPERATING INSTRUCTIONS

5.1. Sealing and Opening

To seal the container, place the lid firmly on top and press down until the clips on the sides snap into place. Ensure all clips are securely fastened to achieve an airtight seal. To open, unclip all side fasteners and gently lift the lid.

TIGHTLY SEALED, NO WATER LEAKAGE

It can hold liquids such as juice, without worry, without leakage

Image: A Yiser 600ml container holding liquid, illustrating the effective airtight seal that prevents leakage.

5.2. Storage Recommendations

These containers are suitable for storing a wide range of food items, including dry goods like grains and pasta, fresh produce, leftovers, and liquids. For optimal freshness, ensure food is cooled before placing it in the container and sealing. The transparent design allows for easy identification of contents.

FRESH AND EASY TO CARRY

6. MAINTENANCE AND CARE

6.1. Cleaning

The Yiser Food Storage Containers are dishwasher safe. For best results, place them on the top rack of your dishwasher. Alternatively, they can be hand-washed with warm, soapy water and a non-abrasive sponge. Ensure all parts are thoroughly dry before reassembling or storing to prevent odor or mildew.

6.2. Storage

When not in use, containers can be nested or stacked to save space. Store them in a clean, dry place away from direct sunlight or extreme temperatures.

7. TROUBLESHOOTING

- **Seal not holding:** Ensure the lid is correctly aligned and all side clips are fully engaged. Check the silicone gasket (if present) for any damage or displacement.
- **Stains or odors:** For stubborn stains or odors, create a paste with baking soda and water, apply it to the affected area, let it sit for a few hours, then wash thoroughly. Avoid storing highly pigmented foods for extended periods.
- **Lid difficult to close:** Ensure the container is not overfilled. Check for any food debris caught in the sealing mechanism.

8. SPECIFICATIONS

Feature	Detail
Brand	Yiser
Model Number	LWLZsKw8wO4
Material	Plastic (Food Grade Polypropylene)
Special Feature	Air Tight
Recommended Uses	Freshness Preservation
