SQRMINI X999

SQRMINI X999 Mini Wireless Bluetooth Earbuds

USER MANUAL

Product Overview

The SQRMINI X999 Mini Wireless Bluetooth Earbuds are designed for comfort and portability, offering a seamless audio experience. These earbuds feature advanced Bluetooth 5.0 technology for clear sound and stable connections, along with intuitive touch controls. They are ideal for various activities, including listening to music, taking calls, and even for use during sleep or workouts, thanks to their secure fit and IPX5 waterproof rating.

What's In The Box

Upon opening the package, you will find the following components:

- X999 True Wireless Earbuds (1 pair)
- Charging Case (1)
- USB-C Cable (1)
- Extra EarTips (various sizes)
- M/L EarWings (1 pair)

Image: All components included in the SQRMINI X999 package: the earbuds, charging case, USB-C charging cable, and additional ear tips and ear wings for a customized fit.

Setup

1. Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged.

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.
2. Connect the provided USB-C cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The indicator lights on the charging case will illuminate to show charging status. Once fully charged, the lights may change or turn off.

2. Pairing with Your Device

The X999 earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to the Bluetooth settings.
3. Select "X999" from the list of available devices.
4. Once connected, the earbuds will automatically connect to the last paired device when removed from the case in the future.

3. Achieving a Secure and Comfortable Fit

The X999 earbuds come with different sizes of ear tips and silicone ear wings to ensure a snug and comfortable fit for various ear shapes. A proper fit is essential for optimal sound quality and to keep the earbuds secure during activity.

- Experiment with the different ear tip sizes (Small, Medium, Large) to find the best seal for your ear canal.
- Attach the appropriate M/L ear wings to the earbuds. These wings are designed to tuck into the concha of your ear, providing extra stability.
- Gently insert the earbud into your ear and twist slightly until it feels secure and comfortable.

Mini Size, Smallish comfortable

Operating Instructions

Touch Controls

The X999 earbuds feature intuitive touch controls on the outer surface of each earbud. The following table outlines the various functions:

Smart Touch Control

Tap Twice			Tap Twice
Tap Triple			Tap Triple
Press and Hold for 2 seconds			Press and Hold for 2 seconds
Tap Once			Tap Once
Tap Triple (When disconnected)			Tap Triple (When disconnected)

Image: A visual guide illustrating the smart touch controls for the SQRMINI X999 earbuds, detailing gestures for volume, track control, calls, and reset functions.

Earbud Touch Control Functions

Action	Left Earbud	Right Earbud
Volume Control	Tap Twice (Volume Down)	Tap Twice (Volume Up)
Track Control	Tap Triple (Previous Track)	Tap Triple (Next Track)
Call Management	Tap Once (Answer/End Call)	
Voice Assistant	Press and Hold for 2 seconds	
Reset (when disconnected)	Tap Triple	

Single Earbud Mode

You can use either the left or right earbud independently. Simply remove one earbud from the case, and it will automatically connect to your device. This mode is useful for maintaining awareness of your surroundings or extending listening time by alternating earbuds.

Battery Life and Charging

The X999 earbuds provide up to 6 hours of listening time on a single charge. The compact charging case offers an additional 3 charges, extending the total playtime to up to 24 hours. The case is charged via the included USB-C cable.

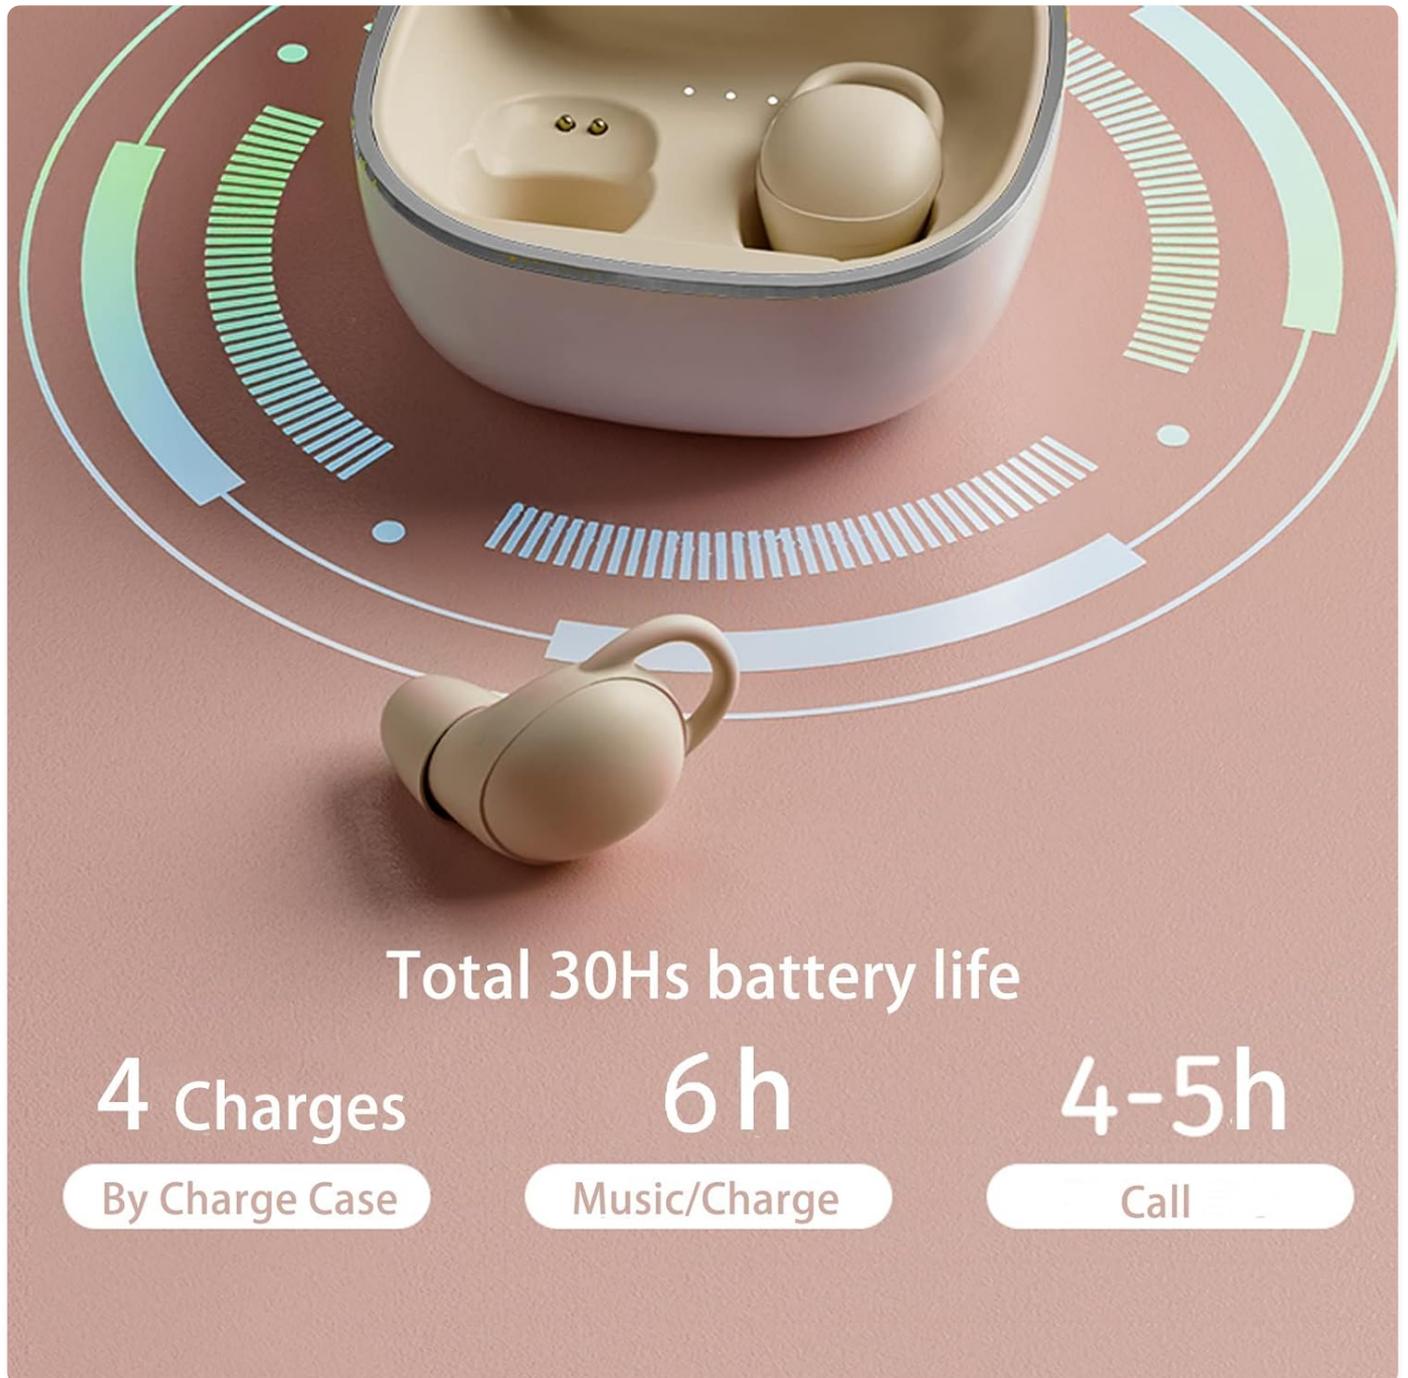

Image: A graphic illustrating the battery life of the SQRMINI X999 earbuds, showing 6 hours of music per charge, 4-5 hours for calls, and a total of 30 hours with the charging case providing 4 additional charges.

Maintenance

Cleaning Your Earbuds

To ensure optimal performance and hygiene, regularly clean your earbuds and charging case.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.

- For ear tips, remove them from the earbuds and clean with a damp cloth and mild soap if necessary, then rinse and dry thoroughly before reattaching.
- Avoid using abrasive materials, alcohol, or chemical cleaners.
- Ensure charging contacts on both earbuds and case are clean and free of debris.

Water Resistance (IPX5)

The X999 earbuds are rated IPX5 waterproof, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for sweaty workouts, light rain, and accidental splashes.

- *Do not* submerge the earbuds in water.
- *Do not* expose them to high-pressure water jets.
- Ensure earbuds are dry before placing them back into the charging case to prevent damage.

Resist from Sweat, Light Rain and Splash

Troubleshooting

If you encounter any issues with your SQRMINI X999 earbuds, please refer to the following common solutions:

Problem	Possible Cause	Solution
Earbuds not pairing or only one earbud connects.	Incorrect pairing procedure, interference, or earbuds out of sync.	<ul style="list-style-type: none">• Ensure both earbuds are charged.• Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid to re-initiate pairing.• On your device, forget/delete "X999" from your Bluetooth list and attempt to pair again.• Perform a factory reset: With earbuds disconnected, tap either earbud three times (as per touch control guide).
No sound or low volume.	Low battery, incorrect volume setting, or ear tips not providing a good seal.	<ul style="list-style-type: none">• Charge the earbuds and case fully.• Adjust volume on both your device and the earbuds using touch controls.• Ensure ear tips are correctly attached and try different sizes for a better seal.• Clean any debris from the earbud speaker mesh.
Intermittent connection or audio dropouts.	Distance from device, interference, or obstacles.	<ul style="list-style-type: none">• Keep your device within 10 meters (33 feet) of the earbuds.• Avoid placing physical obstacles between your device and the earbuds.• Move away from strong Wi-Fi signals or other Bluetooth devices that may cause interference.
