5. OPERATING INSTRUCTIONS

The in-line control allows for easy management of audio and calls.

All-in-one Control

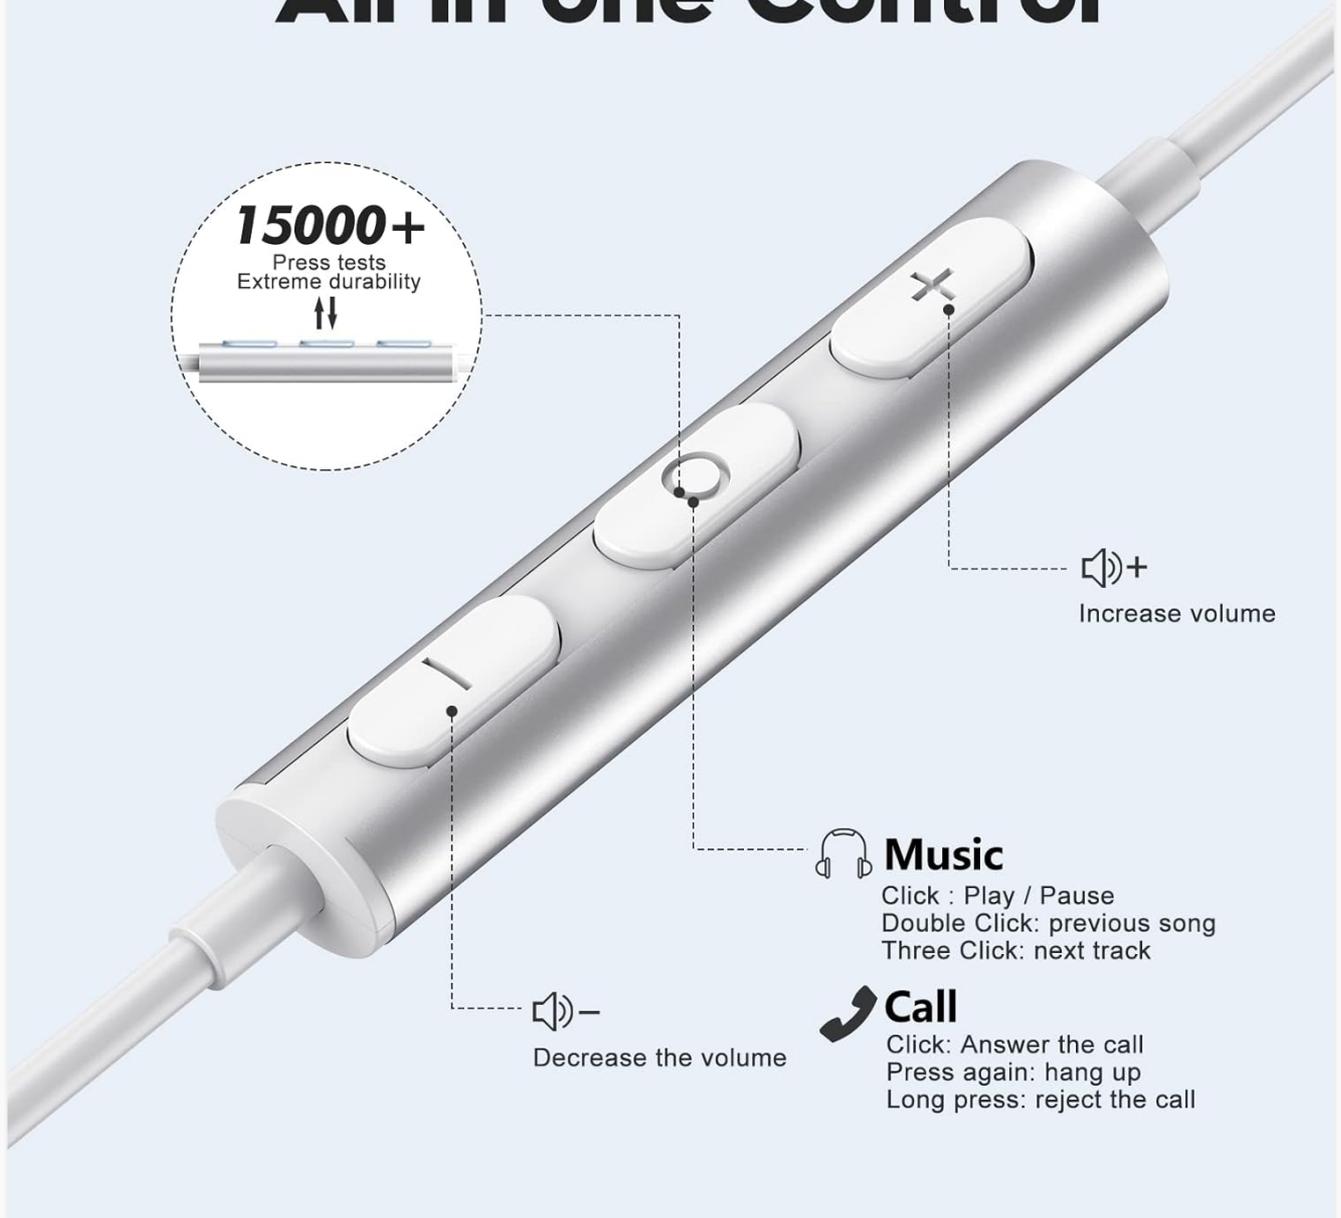

Image 5.1: In-line Control Functions

5.1 Music Control

- **Play/Pause:** Press the center button once.
- **Next Track:** Press the center button twice quickly.
- **Previous Track:** Press the center button three times quickly.
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.

5.2 Call Management

- **Answer Call:** Press the center button once when a call comes in.
- **End Call:** Press the center button once during an active call.
- **Reject Call:** Press and hold the center button for approximately 2 seconds when a call comes in.

6. MAINTENANCE

Proper care will extend the life and performance of your earbuds.

- **Cleaning:** Gently wipe the earbuds and cable with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in a clean, dry place. Utilize the magnetic feature to keep the earbuds together and prevent tangling.
- **Avoid Extreme Conditions:** Do not expose the earbuds to extreme temperatures, humidity, or direct sunlight.
- **Water Resistance:** The earbuds are water-resistant, but not waterproof. Avoid submerging them in water or exposing them to heavy rain.
