PRODUCT OVERVIEW

The PHEANOO P15 is a compact 2.1 channel sound bar system designed to enhance your television's audio. It features a main soundbar unit and a dedicated wired subwoofer for deep bass.

Soundbar Unit

The soundbar houses the main speakers and control interface. Its compact size allows for easy placement in front of your TV or wall-mounting.

SETUP AND CONNECTIONS

The PHEANOO P15 offers multiple connectivity options to suit various devices. Ensure all devices are powered off before making connections.

Connection Options

- **HDMI ARC:** For modern TVs, allows volume control with TV remote.
- **Optical:** Digital audio connection for high-quality sound.
- **AUX (3.5mm):** For connecting external devices like smartphones or MP3 players.
- **Bluetooth 5.0:** Wireless streaming from compatible devices.

Multiple Connection Options

Image: Close-up view of the rear panel of the sound bar, showing the AC IN, SW OUT, OPTICAL IN, AUX IN, SERVICE, and HDMI ARC ports for various connections.

Connecting the Subwoofer

Connect the wired subwoofer to the soundbar using the dedicated subwoofer output port. Ensure a secure connection for optimal bass performance.

Bluetooth Pairing

To pair a Bluetooth device:

1. Power on the sound bar.
2. Select Bluetooth input mode using the remote or sound bar controls.
3. Enable Bluetooth on your device and search for "PHEANOO P15".
4. Select the sound bar to pair. A confirmation sound will indicate successful pairing.

 **Bluetooth®**
**Wireless Playback over
Bluetooth 5.0**

OPERATING INSTRUCTIONS

Familiarize yourself with the sound bar's controls and remote for optimal use.

Sound Bar Controls

The sound bar features integrated buttons for basic functions:

- **Power Button:** Turns the sound bar on/off.
- **Input/Mode Button:** Cycles through input sources (HDMI ARC, Optical, AUX, Bluetooth).
- **Volume Up/Down:** Adjusts the master volume.

Image: A detailed view of the control buttons located on the top surface of the PHEANOO P15 sound bar, including power, input mode, and volume controls.

Remote Control Functions

The included remote control provides full command over the sound bar's features, including:

- Power On/Off
- Input Source Selection
- Volume Control (+/-)
- Bass/Treble Adjustment
- Mute
- EQ Mode Selection (Dialogue, Movie, Music)

EQ Modes

Optimize your listening experience with preset equalizer modes:

- **Dialogue:** Enhances vocal clarity for spoken content.
- **Movie:** Provides richer bass and a wider soundstage for cinematic experiences (Default Mode).
- **Music:** Optimizes sound for musical playback, enhancing instrumentals.

3 Sound Enhancement Features

TROUBLESHOOTING

If you encounter issues with your PHEANOO P15 sound bar, refer to the following common problems and solutions:

Problem	Solution
No Sound	<ul style="list-style-type: none">◦ Ensure the sound bar is powered on and not muted.◦ Verify the correct input source is selected (HDMI ARC, Optical, AUX, Bluetooth).◦ Check all cable connections (power, audio cables) are secure.◦ Adjust the volume on both the sound bar and the connected device (TV, phone).◦ If using HDMI ARC, ensure CEC is enabled on your TV and the TV's audio output is set to external speakers.
Subwoofer Not Working	<ul style="list-style-type: none">◦ Confirm the subwoofer is properly connected to the sound bar.◦ Check the subwoofer's power connection.◦ Adjust the bass level using the remote control.
Bluetooth Pairing Issues	<ul style="list-style-type: none">◦ Ensure the sound bar is in Bluetooth pairing mode.◦ Disable and re-enable Bluetooth on your device.◦ Move your device closer to the sound bar (within 10 meters).◦ Clear previous Bluetooth connections on your device and try pairing again.
Remote Control Not Responding	<ul style="list-style-type: none">◦ Check and replace the batteries in the remote control.◦ Ensure there are no obstructions between the remote and the sound bar.◦ Point the remote directly at the sound bar's sensor.

MAINTENANCE

To ensure the longevity and optimal performance of your sound bar:

- Clean the surfaces with a soft, dry cloth. Do not use liquid cleaners or aerosols.
- Avoid placing the sound bar in direct sunlight, near heat sources, or in humid environments.
- Do not block the ventilation openings.
- Disconnect the power cord from the wall outlet if the unit will be unused for a long period.

WARRANTY AND SUPPORT

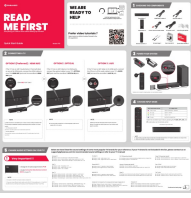

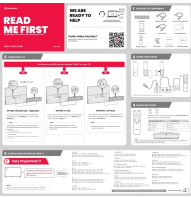

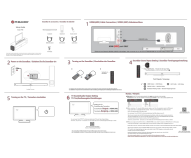

The PHEANOO P15 Sound Bar comes with a **1 Year Warranty** from the date of purchase. For warranty claims or technical support, please refer to the contact information provided with your product packaging or visit the official PHEANOO website.
