3. SETUP INSTRUCTIONS

1. **Connect Audio Jack:** Locate the 3.5mm audio jack (often green or with a headphone icon) on your computer or gaming console. Insert the headset's audio jack (usually green or with a headphone icon) into

this port.

2. **Connect Microphone Jack:** Locate the 3.5mm microphone jack (often pink or with a microphone icon) on your computer or gaming console. Insert the headset's microphone jack (usually pink or with a microphone icon) into this port.

3. **Adjust Headband:** Gently extend or retract the headband slides on both sides of the headset until the earcups rest comfortably over your ears.

4. **Position Microphone:** Adjust the flexible microphone arm to position the microphone approximately 2-3 cm (1 inch) from your mouth for optimal voice pickup.

5. **System Audio Settings:**
   - **Windows:** Go to Control Panel > Sound > Playback Devices and set the headset as the default playback device. Then go to Recording Devices and set the headset microphone as the default recording device.
   - **Mac:** Go to System Preferences > Sound > Output and select the headset. Then go to Input and select the headset microphone.
   - **Consoles:** Refer to your console's audio settings menu to ensure the headset is selected for both audio output and microphone input.

4. OPERATING INSTRUCTIONS

1. **Volume Control:** Adjust the volume using the volume controls on your connected device (computer, console, or mobile device). The Havit H763D does not feature inline volume controls.

2. **Microphone Usage:** Ensure the microphone is positioned correctly for clear communication. If the microphone is not in use, it can be moved to an upright position.

3. **Comfortable Wear:** For extended use, ensure the headset is adjusted to fit comfortably. The padded earcups and adjustable headband are designed to minimize pressure.

5. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe down the headset. For earcups, a slightly damp cloth with mild soap can be used, but ensure no liquid enters the speaker grilles. Do not use harsh chemicals or abrasive cleaners.

- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tangling the cable by coiling it loosely.

- **Cable Care:** Do not pull on the cable to disconnect the headset. Always grasp the plug firmly. Avoid bending or twisting the cable excessively.
