SAFETY INFORMATION

To ensure safe use of your bedside tables, please observe the following:

- **Anti-Tipping Safety:** This furniture includes an anti-tipping safety device. It is crucial to secure the bedside table to the wall using the provided hardware to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum load capacities. The tabletop can support up to 50 kg (110 lbs), and each drawer can hold up to 8.5 kg (18.7 lbs).
- **Stable Placement:** Place the bedside table on a flat, stable surface to prevent wobbling or instability.
- **Assembly:** Follow all assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.

ASSEMBLY INSTRUCTIONS

Your Yaheetech bedside tables require assembly. Please follow the step-by-step instructions provided in the separate assembly guide included with your product packaging. Ensure all parts are present before beginning assembly.

- Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
- Identify Parts:** Refer to the parts list in your assembly guide to identify each component and hardware.
- Follow Steps:** Assemble the unit by following the numbered steps in the assembly guide. Do not overtighten screws.
- Install Anti-Tipping Device:** Once assembled, securely attach the anti-tipping device to the wall as instructed in the safety section and assembly guide.

If you encounter any difficulties during assembly, please refer to the troubleshooting section or contact customer support.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your bedside tables:

- Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild soap solution and immediately dry with a clean cloth. Avoid abrasive cleaners or harsh chemicals.
- Spills:** Due to the waterproof coating, spills can be easily wiped away. Clean spills promptly to prevent any potential damage.
- Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.
- Heat Protection:** Use coasters or protective pads under hot items to prevent heat damage to the tabletop.
- Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter issues with your bedside tables, refer to the following common solutions:

Problem	Possible Cause	Solution
Table is wobbly	Uneven floor; loose fasteners	Move to a level surface; check and tighten all screws and bolts.
Drawers do not slide smoothly	Incorrect runner installation; debris in runners	Ensure drawer runners are correctly aligned and installed. Clean any dust or debris from the runners.
Missing parts during assembly	Packaging error	Contact Yaheetech customer support with your model number and a description of the missing parts.
