# User Manual

## AEOLUS 36"x24" HEIGHT ADJUSTABLE FOLDING DOG GROOMING TABLE

Model: 36x24 Folding Grooming Table

### 1. Introduction

Thank you for choosing the AEOLUS 36"x24" Height Adjustable Folding Dog Grooming Table. This manual provides essential information for the safe and effective use, assembly, and maintenance of your grooming table. Please read this manual thoroughly before operation and retain it for future reference.

This grooming table is designed for professional and home use, offering a stable and adjustable platform for grooming various dog breeds. Its robust construction and thoughtful design ensure durability and ease of use.

### 2. Key Features

- **Height Adjustable:** The table's stainless steel legs can be adjusted in 1-inch increments, providing a lift range from 32 inches to 37 inches to accommodate different groomer heights and dog sizes.
- **High Loading Capacity:** Capable of supporting up to 175 pounds, suitable for a wide range of dog breeds.
- **Durable Construction:** Features sturdy stainless steel tubular legs (1.3 inches in diameter) with a secure locking clamp system for maximum stability.
- **Portable Design:** Designed to be easily folded and moved, weighing approximately 28 pounds, making it ideal for competitions or mobile grooming.
- **Non-Slip Surface:** The tabletop is constructed from water-resistant MDF with a premium-grade rubber surface, ensuring a non-slip and easy-to-clean grooming area.
- **Included Accessories:** Comes with a telescoping, heavy-duty grooming arm and clamp for securing pets during grooming.

### 3. Package Contents

Please verify that all components are present and undamaged upon opening the package.

- 1 x AEOLUS 36"x24" Folding Grooming Table
- 1 x Telescoping Grooming Arm
- 1 x Grooming Arm Clamp
- 1 x Grooming Loop/Noose

*Image: Included grooming arm, clamp, and grooming loop. The telescoping arm is designed for secure attachment to the table, and the clamp ensures stability.*

---

## 4. Setup and Assembly

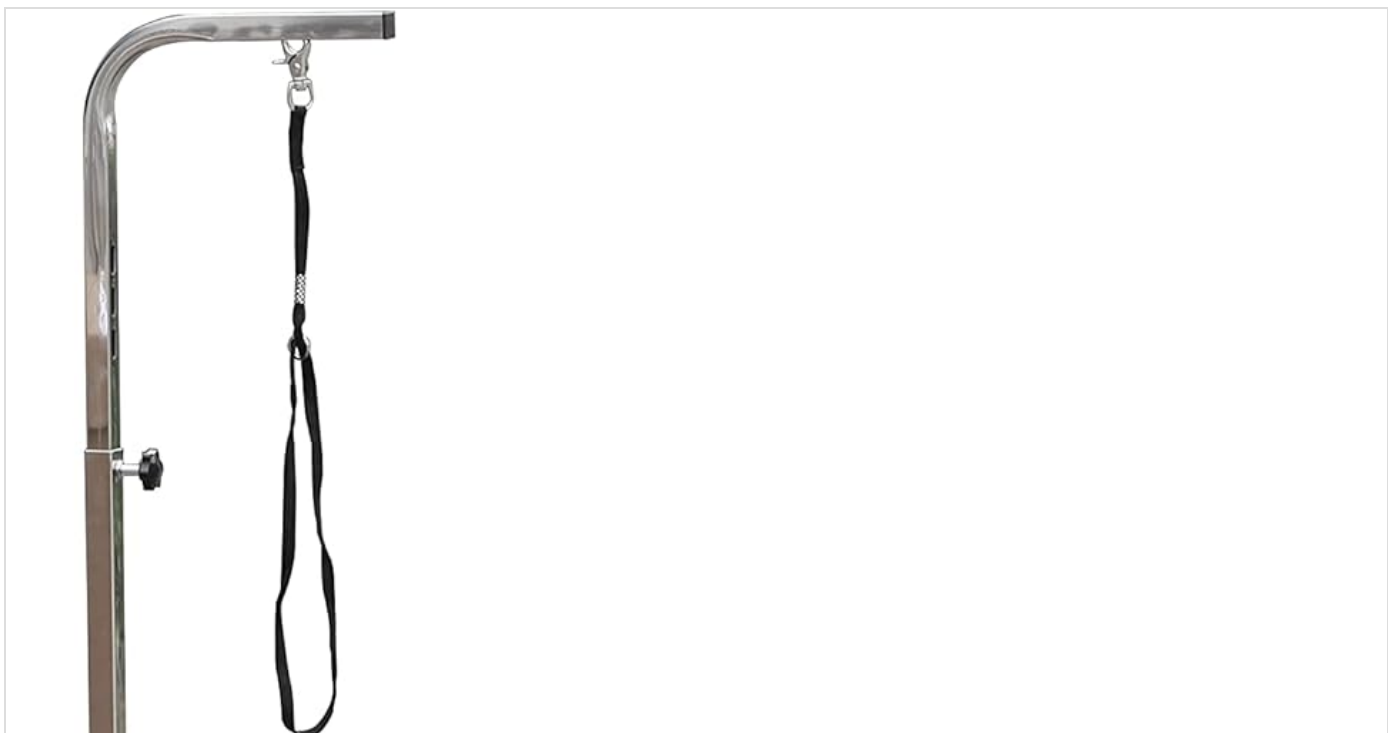

The AEOLUS grooming table is designed for quick and easy setup. Follow these steps to prepare your table for use.

### 4.1 Unfolding the Table

1. Place the folded table on a flat, stable surface with the tabletop facing down.
2. Carefully unfold the legs outwards until they are fully extended and locked into place. Ensure all locking mechanisms are engaged for stability.

*Image: The grooming table in a partially unfolded state, showing the leg mechanisms. Ensure the legs are fully extended and locked before use.*

*Image: The AEOLUS grooming table fully assembled and ready for use, with the grooming arm attached.*

## **4.2 Adjusting Table Height**

The table height can be adjusted from 32 inches to 37 inches in 1-inch increments.

1. Locate the locking clamps on each leg.
2. Loosen the clamps and extend or retract the inner leg tubes to the desired height.
3. Ensure the adjustment pins snap into the corresponding holes for secure height setting.
4. Tighten all locking clamps firmly to prevent any movement during use.

## **4.3 Attaching the Grooming Arm**

1. Insert the base of the grooming arm into the designated slot on the side of the table.
2. Secure the grooming arm using the provided clamp. Tighten the clamp's knob until the arm is firmly attached and does not wobble.
3. Attach the grooming loop to the arm.

---

## 5. Operating Instructions

Before placing a pet on the table, ensure the table is stable and all locking mechanisms are engaged.

### 5.1 Placing and Securing the Pet

- Gently lift the pet onto the grooming table. For larger or heavier pets, use proper lifting techniques or assistance.
- Use the grooming loop to secure the pet comfortably and safely to the grooming arm. Ensure the loop is snug but not restrictive, allowing the pet to stand naturally.
- Never leave a pet unattended on the grooming table.

### 5.2 Grooming Practices

- Utilize the non-slip rubber surface for stability during grooming.
- Adjust the grooming arm and loop as needed to maintain the pet's position and comfort throughout the grooming process.
- Always prioritize the pet's safety and well-being.

---

## 6. Care and Maintenance

Proper care and maintenance will extend the life of your AEOLUS grooming table.

- **Cleaning the Tabletop:** Wipe the rubber surface with a damp cloth and mild detergent after each use. Avoid abrasive cleaners or solvents that could damage the rubber.
- **Cleaning the Legs and Frame:** Clean the stainless steel legs and frame with a soft cloth. For stubborn dirt, a mild stainless steel cleaner can be used.
- **Lubrication:** Periodically check and lubricate moving parts, such as the leg adjustment mechanisms and folding hinges, with a silicone-based lubricant to ensure smooth operation.
- **Storage:** When not in use, fold the table for compact storage. Store in a dry place away from direct sunlight and extreme temperatures.

*Image: The grooming table in its fully folded position, demonstrating its compact design for easy storage and transport.*

---

## 7. Troubleshooting

Problem	Possible Cause	Solution
Table wobbles or is unstable.	Legs not fully extended or locked; uneven surface; loose clamps.	Ensure all legs are fully extended and their locking mechanisms are engaged. Check that the table is on a flat, level surface. Tighten all leg clamps securely.
Difficulty adjusting table height.	Clamps are too tight; dirt or debris in leg tubes; lack of lubrication.	Loosen clamps completely before adjusting. Clean any debris from the leg tubes. Apply a silicone-based lubricant to the sliding parts.
Grooming arm is loose.	Clamp not tightened sufficiently.	Ensure the grooming arm clamp is tightened firmly to the table edge.

## 8. Product Specifications
