## SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Inspect for any damage.
2. **Opening the Palette:** The main makeup palette features a retractable design. Gently pull the side compartments outwards to reveal the full range of eyeshadows, blushes, and powders. The top lid opens to reveal a mirror.

3. **Accessing Accessories:** The lipsticks, lip glosses, makeup brushes, concealer, eyeliner, eyebrow pencil, and sponge puff are typically packaged separately. Ensure all items are accounted for.

## OPERATING INSTRUCTIONS

This kit provides a variety of products for a complete makeup application. Below are general guidelines for using the different components:

### Eyeshadows

- **Application:** Use the included eye applicators or makeup brushes to apply eyeshadows. For shimmer shades, a damp brush can enhance pigment. For matte shades, a dry brush is suitable for blending.
- **Blending:** Blend colors seamlessly using a clean blending brush for a smooth transition.

### Blushes and Face Powders

- **Blush:** Apply blush to the apples of your cheeks using a fluffy brush. Blend upwards towards the temples.
- **Face Powder:** Use a large powder brush or the sponge puff to apply pressed powder to set foundation or reduce shine.

### Lipsticks and Lip Glosses

- **Lipstick:** Apply directly to lips or use a lip brush for precision.
- **Lip Gloss:** Apply over lipstick for added shine or wear alone for a subtle tint.

### Eyeliner and Eyebrow Pencil

- **Eyeliner:** Draw a line along the lash line for definition.
- **Eyebrow Pencil:** Use short, hair-like strokes to fill in and define eyebrows. Use the spoolie brush (if included on the pencil) to blend.

## MAINTENANCE AND CARE

---

- **Cleaning Brushes:** Regularly clean makeup brushes with a mild soap or brush cleanser and water. Allow them to air dry completely before storage.
- **Palette Hygiene:** Keep the makeup palette closed when not in use to prevent dust accumulation. Gently wipe the mirror and exterior with a soft, dry cloth.
- **Storage:** Store the kit in a cool, dry place away from direct sunlight and extreme temperatures to preserve product quality.
- **Product Expiration:** Cosmetics have a shelf life. Discard products if they change in texture, smell, or color, or if they cause irritation.

## TROUBLESHOOTING

---

- **Low Pigmentation:** If eyeshadows appear less vibrant, ensure your brush is clean and dry. For increased intensity, apply a primer to the eyelid before eyeshadow application.
- **Product Dryness:** Ensure all caps and lids are securely closed after use to prevent products like eyeliner and lipstick from drying out.
- **Skin Irritation:** Discontinue use immediately if any product causes redness, itching, or irritation. Consult a healthcare professional if symptoms persist.

## SPECIFICATIONS

---

| Feature                 | Detail   |
|-------------------------|--|
| Brand                   | UNIFULL  |

## SAFETY INFORMATION

No specific safety information beyond general cosmetic use guidelines was provided by the manufacturer. Always perform a patch test on a small area of skin before applying new products to your face, especially if you have sensitive skin or known allergies. Avoid direct contact with eyes. If irritation occurs, discontinue use.

## WARRANTY AND SUPPORT

Information regarding specific warranty terms or dedicated support channels for the UNIFULL 190 Colors Professional Makeup Kit is not available in the provided product details. For any product-related inquiries or support, please refer to the retailer or the UNIFULL brand's official contact channels if available.
