SETUP AND ASSEMBLY

Detailed assembly instructions are included with your product packaging. Please follow these instructions carefully to ensure proper and safe assembly. It is recommended to assemble the dresser in the room where it will be used. Ensure all parts are present before beginning assembly.

Important: Always install the provided anti-tip kit to secure the dresser to the wall. This is a critical safety measure to prevent tip-over incidents.

OPERATING THE DRESSER

The DaVinci Regency 6-Drawer Dresser is equipped with pre-installed euro drawer glides, designed for smooth and easy opening and closing. To operate, gently pull the crystal knob to open a drawer and push it firmly to close.

CARE AND MAINTENANCE

To maintain the quality and appearance of your dresser, wipe it regularly with a damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish. Promptly clean any spills to prevent staining.

SAFETY GUIDELINES

Your DaVinci Regency 6-Drawer Dresser is designed with safety in mind:

- **GREENGUARD Gold Certified:** This product has undergone rigorous testing for over 10,000 chemical emissions and VOCs, contributing to cleaner indoor air quality.
- **Non-Toxic Finish:** The dresser is finished using a non-toxic, multi-step painting process and is lead and phthalate safe.
- **Anti-Tip Kit:** An anti-tip kit is included to secure the dresser to the wall, preventing accidental tip-overs. Installation of this kit is mandatory for safety.
