DaVinci Chloe Regency 4-in-1 Convertible Crib User Manual

Model: M11441W | Brand: DaVinci

UPC: 048517830505

INTRODUCTION

This manual provides essential instructions for the assembly, use, and maintenance of your DaVinci Chloe Regency 4-in-1 Convertible Crib. Designed with versatility and safety in mind, this crib transitions through four stages to accommodate your child's growth: a full-size crib, a toddler bed, a daybed, and a full-size bed. Please read all instructions carefully before assembly and use to ensure proper setup and safety.

SAFETY INFORMATION

Your DaVinci Chloe Regency Crib is constructed from high-quality, non-toxic materials and meets rigorous safety standards. It is Greenguard Gold Certified, indicating it has been scientifically tested for over 10,000 chemical emissions and VOCs, contributing to cleaner indoor air for a healthier environment.

- Always follow assembly instructions precisely.
- Ensure all hardware is securely tightened before use and periodically check for tightness.
- Do not use the crib if any parts are missing, damaged, or broken. Contact customer support for replacement parts.
- Keep cords, blinds, and other potential strangulation hazards away from the crib.
- The crib is finished in a non-toxic multi-step painting process, lead and phthalate safe.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. The package should include:

- Crib Panels (Headboard, Footboard, Side Rails)
- Mattress Support Spring
- Hardware (screws, bolts, washers, Allen wrench)
- Instruction Manual
- *Note: Mattress, toddler conversion kit (#M12599), and full-size conversion kit (#M5789) are sold separately.*

ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults and approximately 30-60 minutes. Follow the step-by-step diagrams and instructions provided in the included manual for detailed guidance. Ensure all connections are secure but do not overtighten screws.

CONVERSION INSTRUCTIONS (4-IN-1 FUNCTIONALITY)

The DaVinci Chloe Regency Crib is designed to adapt as your child grows, converting into a toddler bed, daybed, and full-size bed. Conversion kits are sold separately.

1. Crib Mode (Standard)

This is the initial setup for infants. Ensure all four side rails are securely attached and the mattress support is at the appropriate height for your child's developmental stage (see "Mattress Height Adjustment" section).

Image: A front view of the assembled DaVinci Chloe Regency Crib in its standard crib configuration.

2. Toddler Bed Mode

To convert to a toddler bed, remove the front crib rail and install the DaVinci Toddler Conversion Kit (#M12599, sold separately).

This provides a lower barrier for your child to safely enter and exit the bed.

3. Daybed Mode

For daybed conversion, simply remove the front crib rail. No additional kit is required for this stage. The crib's back panel serves as the daybed's backrest.

4. Full-Size Bed Mode

To transform the crib into a full-size bed, you will need the DaVinci Full-Size Conversion Kit (#M5789, sold separately). This kit allows you to attach the crib's headboard and footboard to a standard full-size bed frame.

MATTRESS HEIGHT ADJUSTMENT

The crib features four adjustable mattress positions to ensure safety as your baby grows. The mattress support can be lowered as your child becomes more mobile.

1. **Highest Position:** For newborns, allowing easy access to your baby.

2. **Second Position:** When your baby can roll over.
3. **Third Position:** When your baby can sit up unassisted.
4. **Lowest Position:** When your baby can stand. This is the safest position to prevent climbing out.

Always ensure the mattress is at the lowest possible position for your child's current developmental stage to prevent falls.

CARE AND MAINTENANCE

To maintain the quality and appearance of your DaVinci Chloe Regency Crib, wipe surfaces with a damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish. Regularly check all screws and bolts to ensure they remain tight.

TROUBLESHOOTING

- **Loose Connections:** If the crib feels wobbly, check all bolts and screws and tighten them securely. Do not overtighten.

- **Difficulty Adjusting Mattress Height:** Ensure the mattress support is properly aligned with the desired pinholes on all four corners. If pins are stuck, gently wiggle the support while adjusting.
- **Missing Parts:** If any parts are missing upon arrival, contact DaVinci customer support immediately for assistance.

SPECIFICATIONS

Brand	DaVinci
Model Number	M11441W
Color	White
Material	New Zealand Pine Wood and TSCA compliant MDF
Product Dimensions	54 x 30.25 x 43.5 inches (L x W x H)
Item Weight	55 pounds
