### TRIXIE TRIXIE44935

# TRIXIE Lionello XXL Cat Scratching Post 183 cm Instruction Manual

Model: TRIXIE44935

## INTRODUCTION

This manual provides detailed instructions for the assembly, use, and maintenance of your TRIXIE Lionello XXL Cat Scratching Post. This product is designed to provide a multi-level activity center for cats, featuring various textures for sensory stimulation, multiple levels for climbing and exploration, spacious caves for security and rest, and durable hammocks for relaxation.

Please read these instructions carefully before assembly and retain this manual for future reference.

## SETUP AND ASSEMBLY

The TRIXIE Lionello XXL Cat Scratching Post requires assembly. Ensure all components are present before beginning.

### Required Tools (Not Included):

- Screwdriver (Phillips head recommended)
- Allen wrench (if not provided with hardware)

### Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all pieces listed in the parts diagram (not provided in this manual, refer to product packaging) are present and undamaged.
2. **Attach Base Plates:** Secure the main scratching posts to the base plates using the provided screws and hardware. Ensure a stable foundation.
3. **Build Levels:** Progressively attach platforms, caves, and additional scratching posts according to the design. Pay attention to the orientation of each piece to ensure proper alignment.
4. **Install Hammocks and Beds:** Attach the soft hammocks and beds to their designated positions using the metal rings and straps.
5. **Tighten All Connections:** Once fully assembled, go back and tighten all screws and connections to ensure maximum stability and safety for your pet.
6. **Placement:** Place the assembled scratching post on a flat, stable surface, preferably against a wall for added security.

## OPERATING INSTRUCTIONS

This cat scratching post is designed to provide an enriching environment for your cat.

- **Placement:** Position the scratching post in a central area where your cat spends a lot of time, or near furniture you wish to protect from scratching.
- **Encouraging Use:** Introduce your cat to the scratching post. You can use catnip, toys, or treats to encourage exploration and scratching. Gently guide your cat's paws to the scratching surfaces.
- **Safety Check:** Regularly check the stability of the scratching post. Ensure all connections remain tight to prevent wobbling or collapse, especially with active cats.

## MAINTENANCE

Proper maintenance will extend the life of your TRIXIE Lionello XXL Cat Scratching Post.

- **Cleaning:** The soft bed with a padded rim and reversible cushion, as well as the removable, padded hammocks, are washable by hand. For other plush surfaces, use a damp cloth and mild pet-safe cleaner. Allow to air dry completely.
- **Scratching Post Care:** The jute scratching posts are durable. If they become heavily worn, consider replacing the entire post section if possible, or monitor for loose fibers that could be ingested.
- **Structural Integrity:** Periodically inspect all screws and connections. Tighten any loose parts to maintain stability.

Check for any signs of wear or damage to platforms or posts.

## TROUBLESHOOTING

If you encounter issues with your cat scratching post, consider the following:

- **Cat Not Using the Post:**

- Ensure the post is stable and does not wobble.
- Try placing it in a different location, perhaps near a window or a favorite sleeping spot.
- Use catnip spray on the scratching surfaces to attract your cat.
- Reward your cat with treats or praise when they interact with the post.

- **Instability:**

- Re-tighten all screws and connections.
- Ensure the post is on a flat, even surface.
- If possible, anchor the top of the post to a wall for extra stability (hardware not included).

- **Damaged Components:**

- Discontinue use if any structural components are severely damaged.

- Contact the manufacturer or retailer for replacement parts if available.

## SPECIFICATIONS

Feature	Detail
Brand	TRIXIE
Model Number	TRIXIE44935
Product Name	Lionello XXL Cat Scratching Post
Color	Cream/Grey
Material	Polyester plush (280 g/m <sup>2</sup> ), Jute (Ø 5 mm posts)
