Pokémon 025/189

Heatran V - 025/189 - Ultra Rare - Sword & Shield - Astral Radiance - Instruction Manual

Official Guide for Your Pokémon Trading Card

1. Introduction

Welcome to the official instruction manual for your Heatran V Pokémon Trading Card. This guide provides essential information on the card's features, gameplay mechanics, care, and specifications to ensure you get the most out of your collectible.

2. Product Overview

The Heatran V card is an Ultra Rare Pokémon V card from the Sword & Shield - Astral Radiance expansion set, identified by the card number 025/189. Heatran V is a Basic Pokémon with 220 HP, featuring powerful attacks that can impact your opponent's Active Pokémon.

This image displays the Heatran V Pokémon Trading Card. The card features Heatran, a large, lava-like Pokémon, with its attacks 'Heat Burn' and 'Magma Fall' detailed below. The card's HP is 220, and it is an Ultra Rare card from the Sword & Shield - Astral Radiance set, numbered 025/189.

Key Features:

- **Card Type:** Basic Pokémon V
- **HP:** 220
- **Rarity:** Ultra Rare
- **Set:** Sword & Shield - Astral Radiance
- **Card Number:** 025/189
- **Attacks:** Heat Burn, Magma Fall
- **V Rule:** When your Pokémon V is Knocked Out, your opponent takes 2 Prize cards.

3. Setup and Preparation

As a single trading card, setup primarily involves integrating Heatran V into your Pokémon Trading Card Game deck and ensuring its protection.

1. **Deck Integration:** Heatran V can be included in any standard Pokémon TCG deck, adhering to the game's deck construction rules (e.g., maximum of 4 copies of a card with the same name, excluding Basic Energy cards).
2. **Card Protection:** It is highly recommended to place your Heatran V card in a protective sleeve immediately after acquisition to prevent wear, scratches, and bending. Consider using a top-loader or a binder for long-term storage.
3. **Understanding Rules:** Familiarize yourself with the official Pokémon Trading Card Game rules, especially those pertaining to Pokémon V cards and their specific mechanics.

4. Operating (Gameplay Mechanics)

Heatran V possesses specific attributes and attacks crucial for gameplay:

- **HP (Hit Points):** Heatran V has 220 HP. When this value reaches 0 due to damage, the Pokémon is Knocked Out.
- **Weakness:** This card has a Water-type weakness (x2). Attacks from Water-type Pokémon will deal double damage to Heatran V.
- **Resistance:** This card has no listed resistance.
- **Retreat Cost:** The retreat cost for Heatran V is three Colorless Energy. This indicates the number of Energy cards you must discard to move Heatran V from the Active Spot to the Bench.

Attacks:

Attack Name	Energy Cost	Damage	Effect
Heat Burn	Fire, Colorless	30	Your opponent's Active Pokémon is now Burned.
Magma Fall	Fire, Fire, Colorless	90+	If you have a Stadium in play, this attack does 90 more damage.

V Rule: When your Heatran V is Knocked Out, your opponent takes 2 Prize cards instead of 1, as is standard for Pokémon V cards.

5. Maintenance and Care

Proper care will preserve the condition and value of your Heatran V card:

- **Handling:** Always handle the card by its edges to avoid leaving fingerprints or transferring oils from your skin to the card surface.
- **Storage:** Store the card in a cool, dry place away from direct sunlight, extreme temperatures, and humidity. Use acid-free sleeves and binders.
- **Cleaning:** Do not attempt to clean the card with liquids or abrasive materials. For dust, a soft, dry microfiber cloth can be gently used.
- **Avoid Bending:** Never bend or crease the card, as this will cause permanent damage and significantly reduce its value.

6. Troubleshooting

While a single trading card typically requires minimal troubleshooting, here are common concerns:

- **Damaged Card:** If your card arrives damaged, contact the seller or retailer immediately. For damage incurred during use, refer to the maintenance section for prevention tips.
- **Rule Clarifications:** For any ambiguities regarding card effects or game rules, consult the official Pokémon Trading Card Game rulebook or the official Pokémon TCG website. Community forums and certified judges can also provide clarification.
- **Counterfeit Concerns:** If you suspect your card is not authentic, compare it with known genuine cards and consult reputable sources or experts in collectible card authentication.
