

Hot Wheels HGX07

Hot Wheels Monster Trucks Color Shifters HGX07 Instruction Manual

Model: HGX07 | Brand: Hot Wheels

1. INTRODUCTION

Welcome to the instruction manual for your Hot Wheels Monster Trucks Color Shifters HGX07. This toy features a unique color-changing ability when exposed to different water temperatures. Please read this manual carefully to ensure proper use and enjoyment of your new Monster Truck.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years.

According to the manufacturer, this product is suitable for ages 3 years and up. Adult supervision is recommended during play, especially when using water. Do not ingest any parts of the toy or the water used for color-changing. Ensure water temperatures are safe for children to handle to prevent burns or discomfort.

3. PRODUCT OVERVIEW

The Hot Wheels Monster Trucks Color Shifters HGX07 is a durable toy vehicle designed for imaginative play. Its primary feature is the ability to change its body color when immersed in water of varying temperatures. The truck typically shifts between two distinct color schemes.

Image 3.1: Hot Wheels Monster Truck HGX07 in its initial grey body with red flame decals.

Image 3.2: Hot Wheels Monster Truck HGX07 after color shift, displaying a white body with red flame decals.

4. SETUP

1. **Unboxing:** Carefully remove the Monster Truck from its packaging. Inspect the toy for any visible damage.

2. **Prepare Water:** To activate the color-changing feature, you will need two containers of water:
 - One container with **cold water** (preferably ice water for best results).
 - One container with **warm water** (not hot, ensure it is safe for handling by children).
3. **Play Area:** Set up your play area on a waterproof surface to contain any water spills.

5. OPERATING INSTRUCTIONS

Follow these steps to experience the color-changing action of your Monster Truck:

1. **Initial Color:** The truck typically starts with a specific color scheme (e.g., grey body with red flames).
2. **Change to Second Color (Cold Water):** Submerge the Monster Truck into the container of **cold water**.

Hold it there for a few seconds. You will observe the body color changing (e.g., from grey to white).

3. **Change Back to Initial Color (Warm Water):** To revert to the original color, submerge the Monster Truck into the container of **warm water**. Hold it there for a few seconds. The body color will change back (e.g., from white to grey).
4. **Repeat:** You can repeat this process as many times as desired to switch between the two color schemes.

6. MAINTENANCE

- **Cleaning:** After use, especially with water, rinse the toy with clean tap water. Use a mild soap if necessary.
- **Drying:** Allow the Monster Truck to air dry completely before storing to prevent water spots or potential mildew.
- **Storage:** Store the toy in a dry, cool place away from direct sunlight to preserve its color-changing properties and overall condition.

7. TROUBLESHOOTING

- **Color change is not prominent:** Ensure the water temperatures are sufficiently different. For best results, use ice water for cold and noticeably warm (but safe) water for warm.

- **Toy appears damaged:** If the toy is physically damaged or the color-changing feature stops working despite correct water temperatures, discontinue use and contact the manufacturer or retailer for assistance.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	2.63 x 5.5 x 6.5 inches
Item Weight	7 ounces
Item Model Number	HGX07
Manufacturer Recommended Age	3 years and up
Manufacturer	Spin Master
