## SETUP

---

1. **Initial Charge:** Before first use, fully charge the shaver using the included USB charging cord. Connect the USB cable to the shaver and a compatible USB power source. The LED display will indicate charging status.
2. **Attach Protective Guard:** When not in use, ensure the protective guard is placed over the shaver heads to prevent damage.

## OPERATION

---

The Pop Sonic 5-Head Electric Shaver is designed for versatile use on various body parts, including the face, head, and body. It can be used wet or dry, with or without shaving cream.

1. **Power On:** Press the power button to turn on the shaver.
2. **Shaving Technique:** Gently glide the shaver over the skin in circular motions. The 360-degree precision cut heads adapt to contours for a close and comfortable shave.
3. **Wet or Dry Use:** This shaver is IPX5 water-resistant, allowing for use in damp, moist, or dry conditions.
4. **Power Off:** Press the power button again to turn off the shaver when finished.

## MAINTENANCE

---

1. **Cleaning After Use:** After each use, rinse the shaver head with warm water to remove hair and debris.
2. **Deep Cleaning:** For a more thorough clean, remove the shaver head assembly and use the included cleaning brush to clear any trapped hair from the blades and internal components.
3. **Drying:** Allow the shaver heads to air dry completely before reattaching the protective guard or storing the device.
4. **Storage:** Store the shaver in a cool, dry place, away from direct sunlight and moisture.

## TROUBLESHOOTING

---

- **Shaver not turning on:** Ensure the shaver is fully charged. Connect it to the USB charging cord and allow sufficient time for charging.
- **Reduced shaving performance:** Clean the shaver heads thoroughly. Accumulated hair or debris can affect performance. Ensure the blades are not damaged.

- **Irritation during use:** Ensure the shaver heads are clean. Use the shaver on clean, dry skin or with shaving cream for sensitive areas.
