Puluomis B0B315YBLN

Puluomis Gaming Chair Instruction Manual

Model: B0B315YBLN

1. Important Safety Information

WARNING:

- Do not use the chair if it is damaged.
- Do not exceed the maximum load capacity of 150 kg (330 lbs).
- Exercise caution when using the height and backrest adjustment functions to prevent injury.
- Keep hands and fingers clear of moving parts during adjustment.

2. Product Overview and Features

The Puluomis Gaming Chair is designed for comfort and support during extended periods of sitting, whether for gaming, work, or study. It features a robust construction and multiple adjustment options.

3. Setup and Assembly

3.1 Unpacking

Carefully remove all components from the packaging. Check the contents against the parts list (usually included in a separate assembly guide) to ensure all parts are present and undamaged. Keep packaging materials until assembly is complete.

3.2 Assembly Instructions

Assembly typically takes 10-15 minutes. Follow the detailed step-by-step instructions provided in the separate assembly manual that accompanies your chair. Ensure all screws are tightened securely, but do not overtighten.

- Attach the casters to the 5-star base.
- Insert the gas lift cylinder into the center of the base.
- Attach the seat mechanism to the bottom of the seat cushion.

- Place the seat assembly onto the gas lift cylinder.
- Attach the backrest to the seat assembly.
- Install the armrests.
- Attach the headrest and lumbar cushion.

---

4. Operating Instructions

4.1 Height Adjustment

To adjust the seat height, locate the lever on the right side, beneath the seat. Pull the lever upwards while taking your weight off the seat to raise it. To lower the seat, pull the lever upwards while remaining seated.

4.2 Backrest Recline

The backrest can be reclined between 90 and 150 degrees. Locate the recline lever on the right side of the chair, near the seat. Pull the lever up and lean back to your desired angle. Release the lever to lock the backrest in position. To return to an upright position, pull the lever and lean forward slightly.

4.3 Rocking Function

The chair features a rocking function of up to 30 degrees. To enable or disable this function, use the knob located beneath the seat. Turn the knob to adjust the tension of the rocking mechanism.

4.4 Footrest Operation

To extend the footrest, pull it out from beneath the seat. To retract, push it back until it is fully stored.

4.5 Lumbar Massage Function

The lumbar cushion includes a USB-powered massage function. Connect the USB cable from the cushion to a compatible USB power source (e.g., computer, power bank, USB wall adapter) to activate the massage feature.

5. Maintenance

5.1 Cleaning

- For general cleaning, wipe the chair with a soft, damp cloth.
- For stubborn stains on PU leather, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- Vacuum fabric parts regularly to remove dust and debris.

5.2 General Care

- Periodically check all screws and bolts to ensure they are tight. Retighten if necessary.
- Avoid exposing the chair to direct sunlight or extreme temperatures to prevent material degradation.
- Do not stand on the chair or use it as a ladder.

6. Troubleshooting

- **Chair Squeaks:** Check and tighten all bolts. A small amount of silicone lubricant can be applied to moving parts if needed.
- **Height Adjustment Not Working:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement.
- **Backrest Not Reclining/Locking:** Verify the recline lever is functioning correctly and not obstructed. Check for any loose connections in the recline mechanism.
- **Massage Function Not Working:** Ensure the USB cable is securely connected to a working power source. Try a different USB port or power adapter.

7. Specifications

Feature	Specification
