Ameriwood Home Hendrix Fireplace TV Stand (Model 3015335COM) Instruction Manual

Brand: Ameriwood Home | Model: 3015335COM

1. INTRODUCTION

The Ameriwood Home Hendrix Fireplace TV Stand is designed to accommodate most 55-inch flat panel televisions, offering both media storage and an integrated electric fireplace. This unit features six shelves, some of which are adjustable, and includes built-in wire management to help keep your entertainment area organized. The 18-inch electric fireplace insert provides supplemental heat for rooms up to 400 sq. ft. and features realistic log and flame effects that can be operated with or without heat.

The TV stand accommodates a television up to 55 inches, with open shelving for media components such as gaming consoles and sound systems.

2. SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- **Electrical Safety:** Ensure the electric fireplace is plugged into a standard 120V outlet. Do not overload circuits. Keep power cords away from heated surfaces.
- **Placement:** Position the TV stand on a flat, level surface. Do not block the air vents of the fireplace. Maintain adequate clearance from combustible materials.
- **Proposition 65 Warning:** This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
- **Children and Pets:** Keep children and pets away from the fireplace and moving parts. Do not leave the unit unattended when operating the heater.

3. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly:

- Ameriwood Home Hendrix 55" TV Stand components

- Electric Fireplace Insert
- All necessary hardware for assembly
- Detailed assembly instructions manual

4. SETUP AND ASSEMBLY

The Ameriwood Home Hendrix Fireplace TV Stand ships flat and requires assembly. For optimal safety and ease of assembly, it is recommended that two adults complete the setup process.

- **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware.
- **Follow Instructions:** Refer to the detailed assembly instructions provided in the package for step-by-step guidance. Ensure all cam locks and screws are securely fastened.
- **Fireplace Insert:** The firebox comes pre-assembled and is designed to fit into the central opening of the TV stand. Follow the specific instructions for securing the insert.
- **Wire Management:** Utilize the built-in wire management pass-throughs to route cables neatly and prevent tangling.

5. OPERATING INSTRUCTIONS (ELECTRIC FIREPLACE)

The integrated AltraFlame electric fireplace insert provides both ambiance and heat. It operates independently, allowing you to enjoy the flame effect without the heater.

- **Power On/Off:** Locate the main power switch on the fireplace unit to turn the entire unit on or off.
- **Heat Function:** The electric heater provides quiet, energy-efficient heat, capable of warming a room up to 400 sq. ft. Use the dedicated heat on/off control to activate or deactivate the heating element.
- **Flame Effect:** The unit features long-lasting, ultra-bright LED technology with realistic logs and flame effects. Use the flame on/off control to activate or deactivate the visual flame display. The flame effect can be used independently of the heat function.
- **Power Requirements:** The fireplace insert plugs into a standard 120V outlet.

6. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your TV stand and fireplace.

- **Cleaning:** For the TV stand, wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the fireplace insert, ensure it is unplugged and cool before cleaning. Refer to the fireplace insert's specific cleaning instructions.
- **Product Care:** Refer to the detailed product care instructions provided in your assembly manual for specific guidance.
- **Inspection:** Periodically check all connections and hardware to ensure they remain tight.

7. TROUBLESHOOTING

If you encounter issues with your Ameriwood Home Hendrix Fireplace TV Stand, consider the following common solutions:

- **No Power to Fireplace:** Ensure the unit is securely plugged into a working 120V outlet. Check the main power switch on the fireplace. Verify that the circuit breaker has not tripped.
- **No Heat Output:** Confirm the heat function is activated. Ensure the air vents are not obstructed.
- **Unstable Stand:** Recheck all assembly hardware to ensure they are tightened correctly. Ensure the stand is on a level surface.
- **Damaged Parts:** If any parts were damaged during shipping or assembly, contact customer support for assistance.
