QLT Book Store Building Set Instruction Manual

Model: B0B34BPLM8 | Brand: QLT QIAOLETONG

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your QLT Book Store Building Set. Designed to create an elegant and warm environment, this 589-piece set offers a rewarding building experience for users aged 6 and up. Please read through this manual carefully before beginning assembly to ensure a smooth and enjoyable process.

SETUP AND ASSEMBLY

Your QLT Book Store Building Set comes with all necessary pieces and a detailed instruction booklet to guide you through the assembly process. Follow the step-by-step diagrams provided in the included manual for optimal results.

Package Contents:

- 589 high-quality building bricks
- Detailed instruction manual with step-by-step diagrams
- 3 LR44 batteries (included) for lighting features
- Exquisite independent gift box packaging

Assembly Steps:

1. Unpack all components and verify that all pieces are present by cross-referencing with the parts list in the instruction booklet.
2. Begin assembly by following the numbered steps in the instruction manual. Pay close attention to the diagrams for correct piece placement.
3. Construct the base of the book store, ensuring all connections are secure.
4. Proceed with building the walls and interior details, including shelves, furniture, and decorative elements.
5. Assemble the roof sections. Note that the roof of the book store section is designed to open for interior access.
6. Install the transparent window panels for the greenhouse section.
7. Integrate the lighting components as instructed. Insert the 3 LR44 batteries into the designated compartment to

power the lights.

8. Add exterior details such as the bicycle, flowers, and signage to complete the model.

OPERATING FEATURES

Once assembled, your QLT Book Store Building Set offers interactive features for enhanced play and display.

Opening and Closing the Interior:

The roof section of the main book store building is designed to easily open and close, allowing full access to the detailed interior scene. Gently lift the roof section to reveal the inside, and press it back down to secure it in place.

Lighting Feature:

The set includes integrated lighting to illuminate the interior, creating a warm and inviting atmosphere. Ensure the 3 LR44 batteries are correctly installed. The lights can be activated via a small switch, typically located near the battery compartment. Refer to your assembly manual for the exact location of the switch.

MAINTENANCE

Proper care will ensure the longevity and appearance of your building set.

- **Cleaning:** To clean the building blocks, gently wipe them with a soft, dry cloth. For stubborn dust or dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Battery Replacement:** If the lighting feature dims or stops working, replace the 3 LR44 batteries. Ensure correct polarity when inserting new batteries.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Missing pieces upon opening.	Manufacturing error or oversight.	Contact QLT QIAOLETONG customer support with your purchase details for assistance.
Pieces do not stay together securely.	Incorrect piece placement or insufficient pressure during assembly.	Review the instruction manual carefully for the specific step. Apply firm, even pressure when connecting pieces.
Lighting feature not working.	Batteries are dead or incorrectly installed. Switch is off.	Check battery polarity and replace batteries if necessary. Ensure the light switch is in the "ON" position.
