MAINTENANCE

Cleaning:

Wipe plastic dinosaur figures and accessories with a damp cloth. Do not submerge electronic components (if any) in water. Dino Sand and Dino Slime are not washable.

Storage:

Store Dino Sand and Dino Slime in their original resealable packaging or airtight containers to prevent drying out. Keep all components in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

Difficulty Assembling Dinosaur:

If parts are difficult to connect, ensure they are correctly aligned. Adult assistance may be required for younger children due to the small size and precise fitting of some components.
