The MINISO Vitality Cafeteria Lying Fried Shrimp Stuffed Animal Toy is crafted from soft and comfortable polyester materials, ensuring it is non-irritating and safe for play. Its unique design makes it a distinctive addition to any collection.

SETUP

- Unpacking:** Carefully remove the plush toy from its packaging. Retain packaging for future reference or disposal according to local regulations.
- Initial Inspection:** Before first use, inspect the toy for any signs of damage, loose stitching, or detached parts. If any issues are found, discontinue use and contact customer support.
- Fluffing:** Gently fluff the toy to restore its original shape after being compressed during packaging.

OPERATING (USAGE)

This plush toy is designed for comfort, play, and decoration. It can be used for:

- Cuddling and companionship.
- Decorative purposes in bedrooms, playrooms, or living spaces.
- Imaginative play for children aged 3 years and up.

Ensure the toy is used in a safe environment, away from sharp objects or excessive heat sources.

CARE AND MAINTENANCE

To ensure the longevity and cleanliness of your plush toy, follow these care instructions:

- Cleaning:** The toy is made of washable material. For minor stains, spot clean with a damp cloth and mild soap. For a more thorough cleaning, hand wash with cold water and a gentle detergent. Avoid harsh chemicals or bleach.
- Drying:** After washing, gently squeeze out excess water. Air dry thoroughly in a well-ventilated area, away from direct sunlight or heat, to prevent damage to the fabric and filling. Do not tumble dry.
- Storage:** Store the plush toy in a clean, dry place when not in use to prevent dust accumulation and moisture damage.
- Avoid:** Do not iron, dry clean, or expose to extreme temperatures.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Toy appears flattened or misshapen.	Compression during shipping or storage.	Gently fluff and reshape the toy by hand.
Minor stains on fabric.	Accidental spills or dirt.	Spot clean with a damp cloth and mild soap. Refer to Care and Maintenance section.
Loose threads or minor stitching issues.	Normal wear and tear or manufacturing variation.	Carefully trim loose threads with scissors. If stitching is significantly compromised, discontinue use.
