YIFOR YX-FBA-28101

YIFOR Set of 2 Metal 6-Tier Plant Stands User Manual

Model: YX-FBA-28101

1. PRODUCT OVERVIEW

Thank you for choosing the YIFOR Set of 2 Metal 6-Tier Plant Stands. These versatile stands are designed to elegantly display your plants, books, and decorative items, enhancing any indoor or outdoor space. Crafted with durable metal frames and rustic brown shelves, they offer both stability and aesthetic appeal.

2. PRODUCT FEATURES

- **6-Tier Design:** Provides ample space for multiple plants or decorative items.
- **Durable Construction:** Made with sturdy metal frames and rustic brown wooden shelves for long-lasting use.
- **Hanging Loop:** Features a convenient loop at the top for hanging baskets or planters.
- **Versatile Placement:** Can be arranged symmetrically or in a cross pattern to suit your space.
- **Multi-functional:** Ideal for displaying potted plants, books, photos, handicrafts, and other home decorations.

MULTIFUNCTIONAL DISPLAY STAND

3. PACKAGE CONTENTS

Please check the package carefully to ensure all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components (for 2 stands)
- Wooden Shelf Boards (for 2 stands)
- Assembly Hardware (screws, nuts, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is required for this product. Please follow these steps carefully. It is recommended to assemble on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the package contents list.
2. **Identify Parts:** Familiarize yourself with the different metal frame pieces and wooden shelves.
3. **Assemble Base:** Attach the base metal frame components together using the provided screws and Allen wrench. Do not overtighten initially.
4. **Attach Vertical Supports:** Connect the vertical metal supports to the base.
5. **Install Shelves:** Secure the wooden shelves to the metal frame at the designated points. Ensure they are level and stable.
6. **Attach Curved Frame:** Connect the large curved metal frame piece to the main structure.
7. **Final Tightening:** Once all parts are loosely assembled, gently tighten all screws to ensure stability. Do not overtighten to avoid stripping screws or damaging components.
8. **Repeat for Second Stand:** Follow the same steps to assemble the second plant stand.

***Note:** Some users have found assembly easier with a little space, time, and patience. Ensure all connections are secure before placing items on the stand.*

5. USAGE GUIDELINES

The YIFOR plant stands are designed for versatile display. Consider the following for optimal use:

- **Placement:** These stands are suitable for indoor and outdoor covered areas. Avoid prolonged exposure to direct rain or extreme weather conditions.
- **Weight Distribution:** Distribute weight evenly across the shelves. While sturdy, avoid placing excessively heavy items on a single shelf, especially the top ones, to prevent wobbling.
- **Plant Pot Size:** Be mindful of the dimensions of your plant pots. Some larger pots may not fit on all shelves. Refer to the specifications section for shelf dimensions.
- **Hanging Baskets:** Utilize the top hanging loop for lightweight hanging plants or decorative items.
- **Arrangement Options:** The set of two stands can be arranged symmetrically or in a cross pattern to create different visual effects and fit various room layouts.

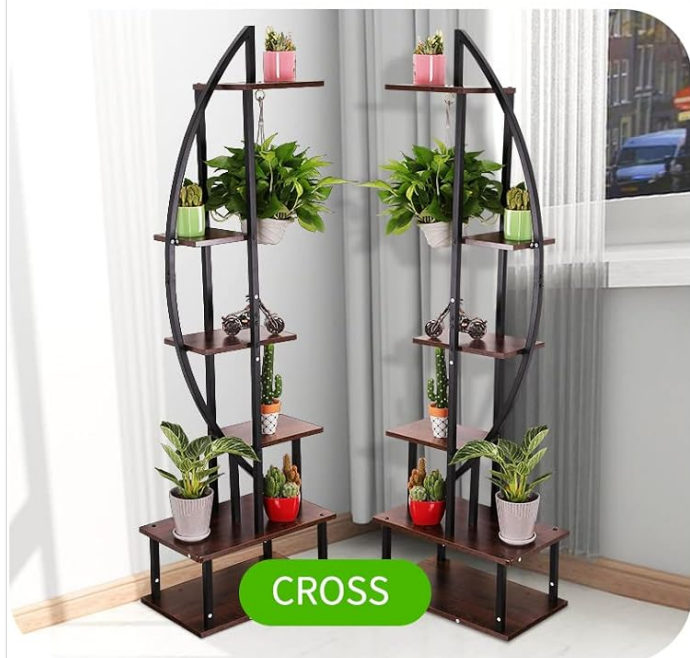

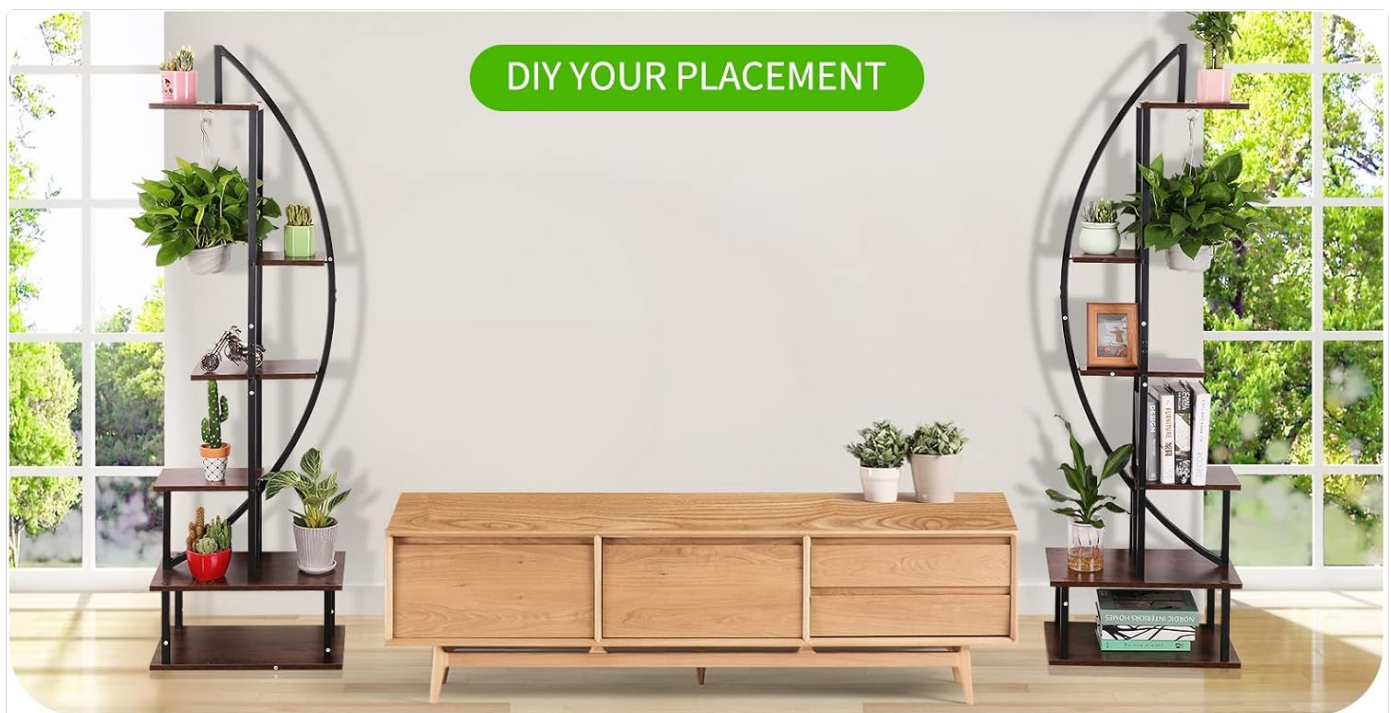

Image: This graphic illustrates two ways to arrange the YIFOR plant stands: a 'CROSS' configuration where they are angled towards each other, and a 'SYMMETRICAL' configuration where they stand parallel.

Image: The YIFOR plant stands are shown flanking a television in a living room, demonstrating their aesthetic integration into home decor.

6. MAINTENANCE

Proper care will extend the life and appearance of your plant stands:

- **Cleaning:** Wipe down the metal frame and wooden shelves with a soft, damp cloth. Avoid abrasive cleaners.
- **Water Spills:** The wooden shelves are not highly water-resistant. *Immediately wipe up any water spills* from watering plants to prevent swelling or laminate lifting. Consider using plant saucers or trays to catch excess water.
- **Rust Prevention:** If used outdoors, ensure the stands are in a covered area to minimize exposure to moisture, which can lead to rust on the metal components.
- **Check Connections:** Periodically check all screws and connections to ensure they remain tight and secure. Retighten if necessary.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Stand is wobbly/unstable.	Screws are loose; uneven weight distribution; uneven floor surface.	Ensure all screws are tightened. Redistribute items evenly. Move stand to a level surface or use shims if necessary.
Wooden shelves are swelling/laminate lifting.	Exposure to water/moisture.	Immediately wipe up any water spills. Use plant saucers or waterproof mats under pots. Avoid overwatering.
Parts missing during assembly.	Packaging error.	Double-check all packaging materials. Contact YIFOR customer support with your purchase details.

8. SPECIFICATIONS

Attribute	Detail
Model Number	YX-FBA-28101
