GAMEPLAY (OPERATING INSTRUCTIONS)

Objective

Work together to help JJ and his friends get ready for bed by collecting all 28 Star Tokens and returning them to the Star Box before the moon reaches the 'Full Moon' position on the Sundial Spinner.

How to Play

1. **Player Turn:** The youngest player goes first. Play proceeds clockwise.
2. **Draw a Card:** On your turn, draw the top card from the draw pile.
3. **Follow Card Instructions:**
 - **Move Cards:** If the card shows a number, move your character mover that many spaces along the path.
 - **Action Cards:** If the card shows a bedtime action (e.g., "brushing your teeth," "counting sheep"), perform the action as described. These actions often involve collecting Star Tokens.
 - **Song Cards:** Some cards may prompt players to sing along to Cocomelon songs.
4. **Collect Star Tokens:** When instructed by a card, take Star Tokens from the Star Box and place them in the designated areas on the gameboard or in front of your mover. The goal is to return all Star Tokens to the Star Box.
5. **Advance the Moon:** After each player's turn, advance the moon indicator on the Sundial Spinner one step. This represents the passage of time towards bedtime.
6. **Cooperative Play:** All players work together. There are no individual winners or losers. The team wins or loses together.
7. **Winning the Game:** If all 28 Star Tokens are collected and returned to the Star Box before the moon reaches the 'Full Moon' position on the Sundial Spinner, all players win!
8. **Losing the Game:** If the moon reaches the 'Full Moon' position before all Star Tokens are returned to the Star Box, the moon takes its place in the night sky, and JJ and his friends are not ready for bed. All players lose.

MAINTENANCE

- **Cleaning:** To clean game components, gently wipe them with a dry or slightly damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store all game components in the original game box in a cool, dry place away from direct sunlight and extreme temperatures. This helps prevent warping or damage to the board and cards.
- **Handling:** Handle cards and tokens with clean, dry hands to preserve their condition.

TROUBLESHOOTING

- **Missing Components:** If any components are missing upon opening the box, please contact Goliath customer support (see Support section).
- **Difficulty Understanding Rules:** Reread the instructions carefully. For younger players, an adult

should guide them through the first few rounds. Focus on the cooperative aspect rather than strict adherence to every rule initially.

- **Game Too Easy/Hard:** The game is designed for cooperative play. If it feels too easy, ensure the moon is advanced correctly after each turn. If too hard, ensure all Star Tokens are being collected as per card instructions.
