MOBICO M01

MOBICO Large Crossbody Fanny Pack User Manual

Model: M01

INTRODUCTION

Thank you for choosing the MOBICO Large Crossbody Fanny Pack. This versatile and durable bag is designed for comfort and convenience, perfect for various activities such as workouts, traveling, hiking, running, walking, and outdoor sports. This manual provides detailed instructions on how to use and maintain your fanny pack to ensure long-lasting performance.

PRODUCT FEATURES

- **High-Quality Material:** Constructed from water-resistant, durable, and lightweight material with solid, smooth zippers for comfortable and long-lasting usage.
- **Changeable Style:** Features a comfortable, widely adjustable long strap (24"-48") allowing multiple wearing styles: in front of the waist, on the hip, across the chest, or over the shoulder.
- **Four Zippered Compartments:**
 - **X-Large Main Pocket:** Easily holds essential items such as a purse, standard water bottle (550ML), passport, keys, and more. Includes a key chain.
 - **Scratch-Proof Inner Zippered Pocket:** Designed for carrying phones (up to 6.6") in a separate pocket to prevent scratches.
 - **Theft-Proof Hidden Zippered Pocket:** Located on the back side, ideal for securely storing valuables.
 - **Front Pocket:** Convenient for other small items.
- **Earphone Jack:** Integrated earphone jack for convenient listening on the go.
- **Safety Reflective Loop:** Enhances visibility in low-light conditions.

SETUP AND WEARING INSTRUCTIONS

- 1. Adjusting the Strap:** The fanny pack features an adjustable strap ranging from 24 to 48 inches. To adjust, locate the buckle on the strap and slide the strap through to achieve your desired fit. Ensure the strap is snug but comfortable around your waist or across your body.
- 2. Wearing Styles:**
 - *Waist Pack:* Wear the bag around your waist with the main compartment positioned either in front or at the back.
 - *Crossbody Bag:* Extend the strap and wear the bag diagonally across your chest or back for a modern, hands-free style.
 - *Shoulder Bag:* Shorten the strap and wear it over one shoulder.
- 3. Securing the Buckle:** Once adjusted, securely fasten the durable buckle. You will hear a click when it is properly engaged.

OPERATING INSTRUCTIONS

The MOBICO fanny pack is designed for easy access and organization of your belongings.

- Using the Main Compartment:** Unzip the main compartment to store larger items like a water bottle, wallet, or passport. Utilize the internal key chain to secure your keys.
- Accessing Front and Back Pockets:** The front zippered pocket is ideal for quick access to smaller items. The hidden zippered pocket on the back provides secure storage for valuables, keeping them close to your body and out of sight.
- Phone Storage:** Place your smartphone (up to 6.6 inches) in the dedicated scratch-proof inner zippered pocket to protect it from other items.
- Earphone Jack:** Thread your earphone cable through the dedicated earphone jack for convenient listening while keeping your device securely inside the bag.

MAINTENANCE

- **Cleaning:** For minor dirt or stains, wipe the surface with a damp cloth and mild soap. Do not machine wash or tumble dry.
- **Drying:** Air dry the fanny pack completely before storing. Avoid direct sunlight or heat sources, which can damage the material.
- **Storage:** Store the fanny pack in a cool, dry place away from direct sunlight when not in use.
- **Zipper Care:** Periodically check zippers for smooth operation. If they become stiff, apply a small amount of zipper lubricant or wax.
- **Water Resistance:** While the material is water-resistant, it is not fully waterproof. Avoid prolonged exposure to heavy rain or submersion in water.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Zipper sticks or is difficult to move.	Dirt or debris in zipper teeth; lack of lubrication.	Clean zipper teeth with a small brush. Apply zipper lubricant, wax, or even a pencil lead to the teeth.
Strap feels too tight or too loose.	Incorrect strap adjustment.	Refer to the "Setup and Wearing Instructions" section to properly adjust the strap length.
Bag appears misshapen or creased.	Improper storage or heavy items inside.	Empty the bag and reshape it by hand. Store it filled with soft material to maintain its form.
