5.2. Water Resistance

The Parsonver LW46 Smart Watch has an IP68 water resistance rating, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for daily use, such as hand washing or light rain, but not recommended for swimming, diving, or hot showers.

5.3. Cleaning

Regularly clean your smartwatch and bands to prevent skin irritation and maintain device longevity. Use a soft, lint-free cloth to wipe the screen and watch body. For the bands, use mild soap and water if necessary, then rinse thoroughly and dry completely before wearing.

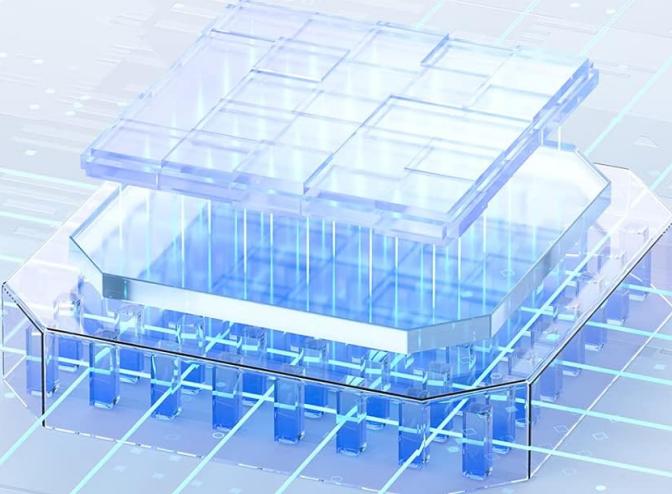

5.4. Changing Bands

The smartwatch comes with interchangeable bands. To change a band, locate the small quick-release pin

on the underside of the band where it connects to the watch. Pull the pin inwards to detach the band. To attach a new band, align the pin with the holes on the watch casing and release the pin to secure it.
