This hand-woven rattan pendant light is designed to provide both targeted and ambient light, creating a warm and inviting atmosphere. Its natural bamboo and wicker construction makes it a versatile addition to various interior styles, including farmhouse, bohemian, coastal, and minimalist.

## 2. SAFETY INFORMATION

---

- **WARNING:** Risk of electric shock. Disconnect power at the fuse box or circuit breaker before installation or servicing.
- All electrical connections must be in accordance with local codes, ordinances, or the National Electric Code (NEC). Consult a qualified electrician if you are unfamiliar with proper electrical wiring connections.
- Use only the recommended bulb type and wattage (E26 base, MAX 60W). Exceeding the maximum wattage may cause overheating and fire.
- Do not install this fixture in wet or damp locations. This product is intended for indoor use only.
- Ensure the fixture is securely mounted to a structural element of the ceiling.
- Do not touch the bulb directly when the fixture is on or immediately after turning it off, as it will be hot.

## 5. SETUP AND INSTALLATION

This rattan pendant light is designed for quick and easy installation on flat, vaulted, or sloped ceilings. All necessary mounting hardware is included.

### 5.1 Before You Begin

- **Turn off power:** Ensure the power supply to the installation area is completely off at the circuit breaker or fuse box.
- **Gather tools:** You may need a screwdriver, wire strippers, electrical tape, and a ladder.

### 5.2 Installation Steps

1. **Attach Mounting Bracket:** Secure the mounting bracket to your ceiling junction box using the provided screws.
2. **Adjust Cord Length:** Determine the desired hanging length for your pendant light. The rope cord can be adjusted by loosening the screw on the wood canopy, pulling the cord to the desired length, and then tightening the screw to secure it.
3. **Make Electrical Connections:** Connect the fixture's wires to your household wiring. Typically, connect the black wire from the fixture to the black wire from the junction box, the white wire from the

fixture to the white wire from the junction box, and the ground wire from the fixture to the ground wire from the junction box. Use wire nuts to secure connections.

4. **Mount Canopy:** Carefully push the wood canopy up to the ceiling, aligning the holes in the canopy with the screws on the mounting bracket. Secure the canopy in place with the decorative nuts or screws.
5. **Install Bulb:** Screw an E26 base bulb (not included, max 60W) into the lamp socket.
