# JOYMOR BPCT1G 5-in-1 Baby Bassinet and Playard Instruction Manual

Model: BPCT1G | Brand: JOYMOR

## 1. INTRODUCTION AND OVERVIEW

---

Thank you for choosing the JOYMOR BPCT1G 5-in-1 Baby Bassinet and Playard. This versatile nursery solution is designed to adapt to your baby's needs through various stages, offering a safe and comfortable environment. It functions as a baby bassinet, bedside sleeper, portable pack and play, and includes a detachable changing table. Please read this manual thoroughly before assembly and use to ensure proper operation and safety.

- Ensure all locking mechanisms are engaged before placing a child in the unit.
- Only use the mattress and sheet provided by the manufacturer. Adding extra padding can create a suffocation hazard.
- Keep small parts away from children during assembly and disassembly.
- This product is made of high-quality and durable Oxford cloth and PP material, which are non-toxic and ASTM certified.

## 4. SETUP AND ASSEMBLY

Follow these steps to assemble your JOYMOR 5-in-1 Baby Bassinet and Playard. It is recommended to assemble the unit on a soft surface to prevent damage.

1. **Unfold the Frame:** Remove the playard from its carry bag. Stand the unit upright. Pull the two short sides of the frame upwards until they lock into place. Then, pull the two long sides upwards until they lock. Ensure all four sides are securely locked. If a side does not lock, gently push the center of the floor down and try again.
2. **Engage the Floor:** Once all sides are locked, push down firmly on the center of the playard floor until it lies flat and is securely in place.
3. **Install Mattress Pad:** Place the mattress pad inside the playard, ensuring it fits snugly.
4. **Attach Wheels:** If not pre-attached, insert the wheels into the designated slots on the legs. Engage the brakes on the wheels for stability.
5. **Attach Changing Table:** Secure the detachable changing table to the designated attachment points on the top rail of the playard. Ensure it clicks firmly into place.
6. **Attach Mobile:** Insert the mobile arm into its slot on the top rail and hang the toys.
7. **Attach Storage Organizer:** Hook the storage organizer onto the side of the playard.

## 5. OPERATING INSTRUCTIONS

### 5.1 Baby Bassinet Mode (0-6 months or up to 18 lbs)

In this configuration, the unit serves as a comfortable and secure sleeping space for infants. Ensure the mattress pad is at

the higher level.

This image displays the bassinet mode, showing an infant sleeping comfortably within the elevated bassinet insert, suitable for newborns.

## 5.2 Bedside Sleeper Mode (0-6 months or up to 18 lbs)

To use as a bedside sleeper, lower one side of the bassinet by detaching the sidebar. Position the unit next to your bed and secure it using the provided straps (if applicable) to prevent gaps between the bassinet and your mattress. Ensure your bed's height aligns with the bassinet for safe co-sleeping.

# GROW WITH YOUR BABY

## 7. TROUBLESHOOTING

---

If you encounter any issues with your JOYMOR Bassinet and Playard, please refer to the following common solutions:

- **Frame Not Locking:** Ensure the center of the playard floor is not pushed down before locking the side rails. Lift the center slightly, lock all four side rails firmly, then push the center down until it clicks into place.
- **Difficulty Folding:** Ensure all side rails are unlocked before attempting to fold the unit. The center of the floor must be pulled up first.
- **Wobbly Unit:** Check that all side rails are fully locked and the floor is securely engaged. Ensure wheel brakes are applied when stationary.
- **Missing Parts:** If any parts are missing upon arrival, do not assemble or use the product. Contact customer support immediately for assistance.
