## RIZIZI A12

# RIZIZI A12 Wireless Sport Earbuds Instruction Manual

Model: A12

## INTRODUCTION

This manual provides detailed instructions for the RIZIZI A12 Wireless Sport Earbuds. Please read this manual thoroughly before using your earbuds to ensure proper operation and to maximize your listening experience.

## WHAT'S IN THE BOX

- RIZIZI A12 Wireless Earbuds
- Wireless Charging Case
- USB-C Charging Cable
- 3 Different Sizes of Ear Tips (S/M/L)

## PRODUCT OVERVIEW

The RIZIZI A12 Wireless Sport Earbuds are designed for active lifestyles, featuring secure over-ear earhooks, an LED digital display on the charging case, and intuitive physical controls.

Image: RIZIZI A12 Wireless Sport Earbuds in their charging case, displaying battery levels.

### Key Components:

- **Earbuds:** Equipped with over-ear earhooks for a secure fit during physical activity. Each earbud has physical buttons for control and a built-in noise-canceling microphone for clear calls.
- **Charging Case:** Features an LED digital display to show the charging case's power percentage and the individual charge levels of the earbuds. Supports both wireless and USB-C charging.

Image: Detailed diagram illustrating the charging pins, earhook, earplug, multi-function buttons, and LED digital display on the RIZIZI A12 earbuds and charging case.

## SETUP

### 1. Charging the Earbuds and Case

The charging case features an LED display that shows the power percentage of the case and the charge levels of each earbud. This allows for easy monitoring of battery status.

# LED Digital Display

You can easily to check the remaining battery of the charging case and the charging process of the earbuds.

**Charging process of the earbuds**

**Battery percentage of charging case**

Image: The charging case with its LED digital display showing the battery percentage of the case and the charging process of the individual earbuds.

The RIZIZI A12 earbuds and case support two charging methods:

- **USB-C Charging:** Connect the provided USB-C cable to the charging port on the case and to a power source.
- **Wireless Charging:** Place the charging case on a compatible wireless charging pad (wireless charger not included).

# Support Wireless Charging and Type-C Charging

Two charging ways to meet your daily need

Image: The RIZIZI A12 charging case demonstrating both USB-C cable charging and wireless charging capabilities.

A full charge provides approximately 8 hours of playtime for the earbuds, with the charging case offering an additional 4 full recharges, totaling up to 40 hours of playtime.

## 2. Selecting Ear Tips and Achieving a Secure Fit

For optimal sound quality and comfort, choose the ear tips that best fit your ears. The earbuds come with three different sizes (S/M/L).

1. Choose the best suitable earplugs and attach them to the earbuds.
2. Put the earhook over your ear and insert the ear tip into your ear canal, giving it a slight twist for a snug fit.
3. Adjust the earhook to make it securely and comfortably stay around your ear.

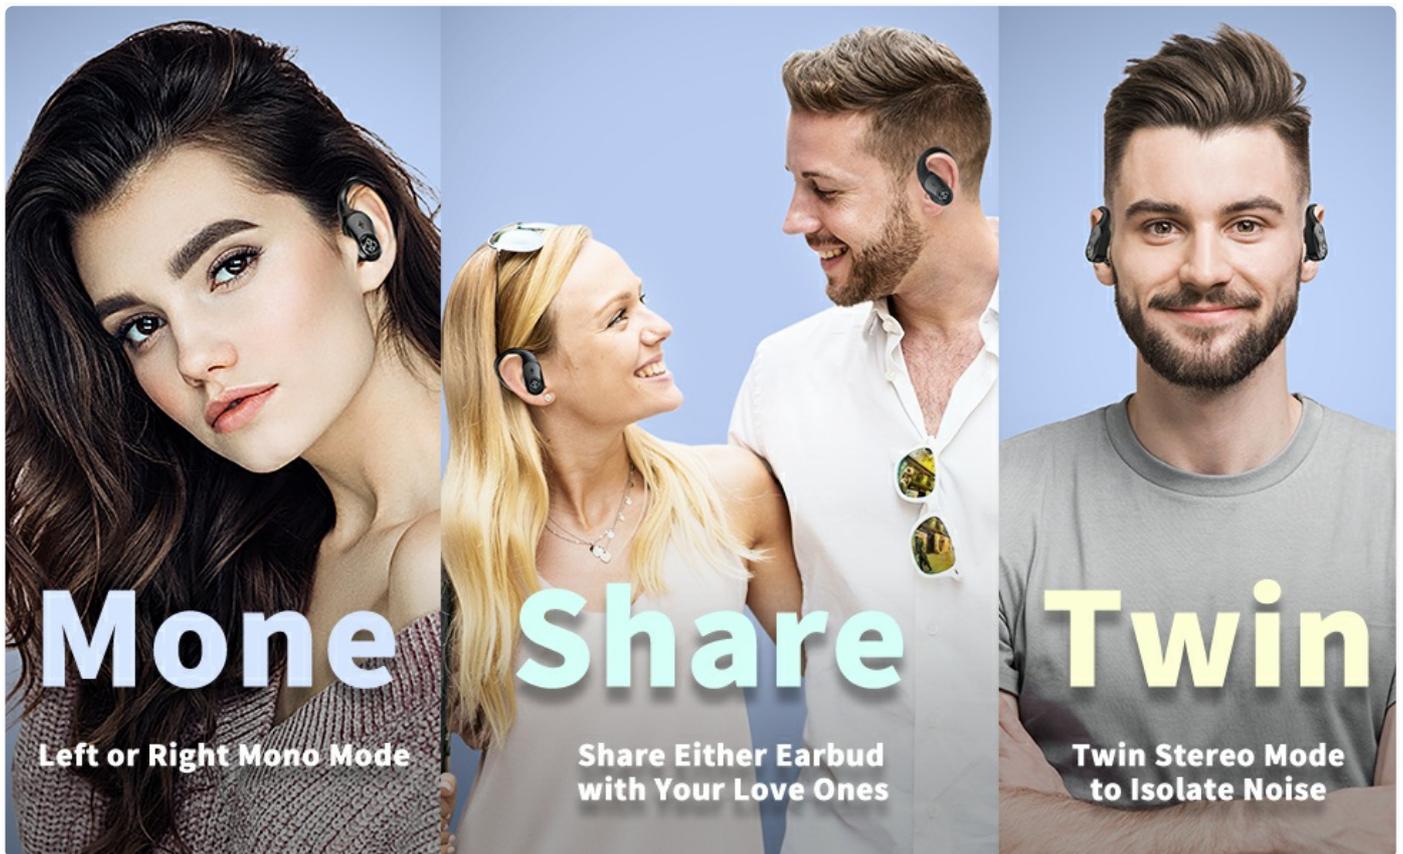

Image: Step-by-step guide on how to select ear tips, position the earhook, and insert the earbud for a secure and comfortable fit.

The over-ear earhooks ensure a secure fit, making them suitable for sports and workouts. The IPX5 sweatproof design provides protection against moisture.

### 3. Pairing with Your Device

The RIZIZI A12 earbuds feature one-step pairing for convenience.

1. Remove both earbuds from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), open the Bluetooth settings.
3. Search for available devices and select "A12" from the list to connect.

Once paired, the earbuds will automatically connect to the last paired device when removed from the case.

# One Step Pairing

1. Remove earbuds from the charging case
2. Open bluetooth of your device, search for and connect model of "A12"

Image: Visual representation of the one-step pairing process, showing earbuds removed from the case and the "A12" model appearing in a device's Bluetooth settings.

The earbuds are compatible with iOS, Android, and most Bluetooth-enabled devices.

## OPERATING INSTRUCTIONS

### 1. Basic Controls

The RIZIZI A12 earbuds feature physical buttons for precise control over your audio and calls, preventing accidental touches during activities.

Function	Action
Answer/End a Call	Click Once (either earbud)
Reject Incoming Call	Long Press 1s (either earbud)

Function	Action
Voice Assistant (Siri, Google Assistant, etc.)	Quick Double Click (either earbud)
Play/Pause Song	Click Once (either earbud)
Volume -	Click "-" button on Left earbud
Volume +	Click "+" button on Right earbud
Next Song	Long Press 1s "+" button on Right earbud
Previous Song	Long Press 1s "-" button on Left earbud

## 2. Sound Quality and Modes

The earbuds deliver stereo sound quality with deep bass for an immersive audio experience.

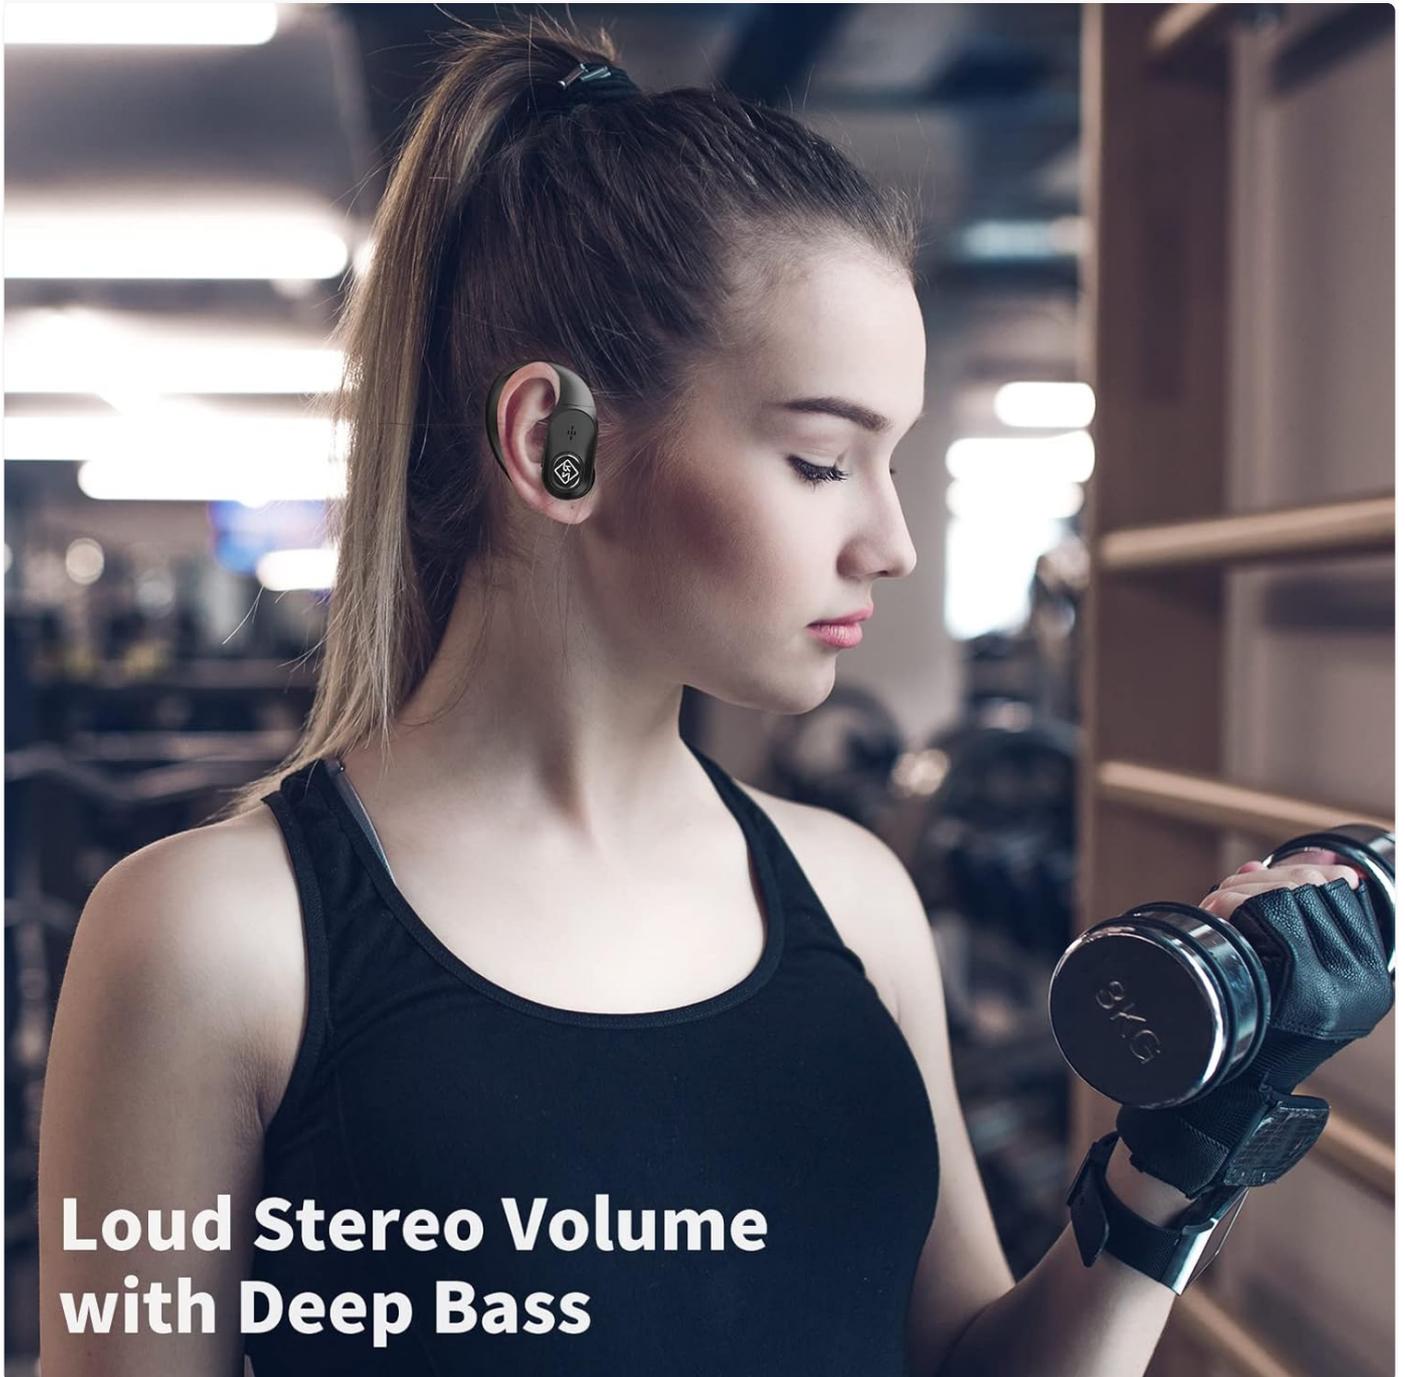

Image: A person wearing RIZIZI A12 earbuds during a workout, highlighting the loud stereo volume and deep bass.

The RIZIZI A12 earbuds support multiple listening modes:

- **Left or Right Mono Mode:** Use a single earbud independently for calls or audio while remaining aware of your surroundings.
- **Share Mode:** Share one earbud with another person to enjoy audio together.
- **Twin Stereo Mode:** Use both earbuds for a full stereo experience, providing noise isolation.

## MAINTENANCE

To ensure the longevity and optimal performance of your RIZIZI A12 Wireless Sport Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the charging ports of both earbuds and the charging pins of the charging case with alcohol. Allow to dry completely before placing the earbuds back into the case. This prevents issues caused by sweat or debris.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, moisture, and physical damage.
- **Temperature:** Avoid exposing the earbuds and charging case to extreme temperatures (hot or cold) or direct sunlight for prolonged periods.

## TROUBLESHOOTING

If you encounter any issues with your RIZIZI A12 Wireless Sport Earbuds, please refer to the following common solutions:

Problem	Solution
Earbuds not pairing/connecting	<ul style="list-style-type: none"><li>◦ Ensure both earbuds are fully charged.</li><li>◦ Place earbuds back in the case, close the lid, then open and remove them to re-enter pairing mode.</li><li>◦ Turn off and on your device's Bluetooth.</li><li>◦ Forget "A12" from your device's Bluetooth list and re-pair.</li><li>◦ Ensure earbuds are within 10 meters of your device.</li></ul>
Only one earbud working	<ul style="list-style-type: none"><li>◦ Place both earbuds back in the charging case and ensure they are charging.</li><li>◦ Remove both earbuds simultaneously from the case to ensure they connect to each other before connecting to your device.</li></ul>
Low volume or poor sound quality	<ul style="list-style-type: none"><li>◦ Adjust the volume on both the earbuds and your connected device.</li><li>◦ Ensure ear tips are correctly sized and provide a tight seal in your ear canal.</li><li>◦ Clean ear tips and earbud grilles to remove any obstructions.</li></ul>
Charging case not charging	<ul style="list-style-type: none"><li>◦ Ensure the USB-C cable is securely connected to both the case and the power source.</li><li>◦ If using wireless charging, ensure the case is properly aligned on the charging pad.</li><li>◦ Try a different USB-C cable or power adapter.</li></ul>
