Call of Duty: Modern Warfare II - PlayStation 4 Instruction Manual

Brand: ACTIVISION | Model: AVS10347PS4

OVERVIEW

Call of Duty: Modern Warfare II is the direct sequel to the 2019 blockbuster Modern Warfare. This title continues the narrative with iconic characters such as Captain John Price, John "Soap" MacTavish, Kyle "Gaz" Garrick, and Simon "Ghost" Riley, as they form Task Force 141. Players will engage in diverse missions, from small-scale infiltration tactics to highly classified operations, utilizing new weapons, vehicles, and equipment across various global settings, including underwater combat and fortified base breaches.

PS4

CROSS-GEN EDITION

CALL OF DUTY
MODERN WARFARE II

Includes Voucher Code for PS5™ Upgrade¹

One-time use voucher included. PS5 with disc drive required

INTERNET REQUIRED

REQUIRES CONTENT DOWNLOAD

SETUP AND INSTALLATION

To install Call of Duty: Modern Warfare II on your PlayStation 4, insert the game disc into your console's disc drive. The system will automatically begin the installation process. For digital purchases, download the game directly from the PlayStation Store.

Please note that a significant download is required for all versions (physical or digital) to access the full game content, which may take approximately 1 to 2 hours depending on your internet connection speed. This is standard for Call of Duty titles.

A PS5 upgrade is available for this title at no additional cost. To upgrade eligible PS4 disc copies, a PlayStation 5 console with a disc drive is required. For more details, visit [Playstation.com/help](https://playstation.com/help).

OPERATING MODES

Single-Player Campaign

The narrative-driven single-player campaign picks up directly from the events of the 2019 Modern Warfare. Players will embark on a globe-trotting journey with Task Force 141, experiencing high-stakes infiltration tactics and classified missions. The campaign is designed to immerse players in a next-generation gameplay experience with enhanced sound, lighting, and graphics.

Multiplayer Combat

Engage in immersive multiplayer combat with a variety of new locales and ways to play. The game features 10 standard multiplayer maps and 5 battle maps. Movement in multiplayer is designed to be more grounded and slower-paced compared to previous titles. A new addition allows players to experience maps in a third-person perspective through a dedicated playlist with mixed respawn modes.

Image: A dark, intense in-game scene with soldiers silhouetted against distant explosions and gunfire.

Special Ops (Co-op)

Experience an evolved, narrative-driven Special Ops game mode featuring tactical co-op gameplay. This mode allows two players to team up for large-scale missions set in Al Mazrah, offering a unique cooperative experience that complements the main campaign and multiplayer.

GAMEPLAY FEATURES

- **Advanced AI System:** Features a rebuilt, advanced AI system for more realistic enemy and friendly unit behavior.
- **Enhanced Gun Handling:** Experience new gun handling mechanics for improved weapon feel and responsiveness.
- **Gunsmith System:** Customize your weapons with the new Gunsmith system, allowing for extensive modifications. While previous games offered more attachment slots, Modern Warfare II allows for fine-tuning of each individual attachment once the weapon reaches its maximum level, providing deeper customization.
- **Next-Gen Immersion:** Benefit from enhanced rendering and photogrammetry technology, delivering stunningly realistic sound, lighting, and graphics.
